during the Occupation of Japan
with illustrations and author's commentary

gaijin (Japanese) foreigner, *shogun* (Japanese) ruler

Gaijin Shogun General Douglas A Macarthur Stepfather Of Postwar Japan 19451951

John DiJoseph

Gaijin Shogun General Douglas A Macarthur Stepfather Of Postwar Japan 19451951:

Noble Cause Corruption, the Banality of Evil, and the Threat to American Democracy, 1950-2008 John DiJoseph, 2010-04-12 Noble Cause Corruption the Banality of Evil and the Threat to American Democracy 1950 2008 is a probe of the mindset of American government officials from presidents of the United States on down who decided that necessity required that the American democracy had to be defended by actions and policies that were contrary to the traditional ideals of the democracy The emphasis is on the activities of the U S military and intelligence agencies The probe relies for its historical data on well recognized previously published reports and histories The probe is unique in that it focuses on the mindset of the individuals involved The analysis of the mindset ranges from Aristotle the latest research of mental health professionals to the insights of thinkers Edmund Burke Reinhold Niebuhr Friedrich Meinecke and George Kennan The conclusions reached are disturbing the defense of the democracy has been a failure and the mindset of the officials has continued to the present day and does not bode well for the future of the democracy **Univer-cities:**

Strategic Dilemmas Of Medical Origins And Selected Modalities: Water, Quantum Leap & New Models - Volume Iii Anthony Soon Chye Teo, 2018-03-23 Building on the second volume of Univer Cities Strategic View of the Future From Berkeley and Cambridge to Singapore and Rising Asia edited by Anthony SC Teo and published in 2015 this third edition presents 12 chapters weaving the dilemmas of strategy and leadership in one of humanity s beloved institutions the university with a long view strategy and the city a relatively shorter one Based on the 2016 Univer Cities conference hosted by the University of Newcastle contributors of this volume reflect on the deliberations made by the conference participants including academic leaders from University of Cambridge and University of California Berkeley urban architects policy planners and public office holders The book hopes to engage the universities top leadership in addressing accusations of elitism by re societalisation of the varsities with their eco system Often criticised for being unresponsive to the pressing and accumulating problems faced by cities and societies more can be done for universities to exert their socio economic benefits and contribute to the progress of humankind It is a call for academic elites to integrate basic research with the universities strengths in medical disciplines for community advancement urban planning innovation systems and regional economic growth

Alle origini della filosofia del diritto in Giappone Alessandro Paternostro, Mario G. Losano, 2017-05-10 Alessandro Paternostro 1852 1899 professore di diritto costituzionale all Universit di Palermo e deputato del Parlamento italiano fu l unico consigliere giuridico e parlamentare italiano nel Giappone Meiji dove visse dal 1888 al 1892 Il presente volume si apre con una biografia di Paternostro in Italia e in Giappone nelle cui istituzioni si occup del bilancio del rinnovato Stato giapponese dei nuovi codici della revisione dei trattati diseguali dell incidente di Otsu del 1891 con la Russia e dei problemi elettorali del 1892 Il suo insegnamento all universit di Tokyo si riflette nel volume Cours de philosophie du droit del 1889 il cui il testo trascritto dal manoscritto originale qui pubblicato in francese con la traduzione in italiano a fronte Vi si

aggiungono un suo scritto sul Giappone e uno inedito sulla guerra di Corea Conclude il presente volume l'elenco dei circa 200 documenti che vennero conservati dalla famiglia di Paternostro e che sono digitalizzati e accessibili in rete presso la Bayerische Staatsbibliothek di Monaco di Baviera insieme con il volume in giapponese sul corso di filosofia del diritto Ho rigaku ko gi e altri testi su Paternostro *Gaijin Shogun* David J. Valley, 2000 **Daily Appointments, 1945-1951** Supreme Commander for the Allied Powers, Douglas MacArthur, MacArthur Memorial. Library and Archives, 1945 **Doug & Wahwee** Thomas Hutson, Dominic Tzimisces, 2012-09-01 This biography tells the little known story of lifelong ambassador and diplomat Doug MacArthur the nephew of General Douglas MacArthur and his wife Wahwee Through interviews and firsthand accounts from those who knew him this biography of the prominent 20th century emissary sheds light on the important role Ambassador MacArthur had in foreign affairs post World War II This unique work shows how MacArthur had a rich career as a professional diplomat was a member of the French Resistance a prisoner of war a political and military advisor to President Eisenhower Assistant Secretary of State and postwar security treaty negotiator with Japan This collection of oral histories on both Doug and his wife gives fresh insight into their professional and personal lives *Soldier of God* Ray A. Moore, 2011 *Soldier of God* is a study of General Douglas MacArthur's effort to influence the religious life of Japan by suppressing native religions and enabling the propagation of Christianity in that country during the American occupation 1945-1952 As Supreme Commander of the Allied Powers SCAP MacArthur said it was his duty as a Soldier of God and of the Republic to fill the moral vacuum in Japan by restoring and reviving religion After an introduction to Japan's prewar encounter with Christianity this study focuses on four major issues Part One describes the efforts of the Foreign Missions Conference FMC of the American Council of Churches to resume proselytizing in postwar Japan The FMC arranged with the American government to send a church delegation to Japan and President Truman gave a letter to the church leaders addressed to Emperor Hirohito Part Two explores the delegates' meetings with MacArthur Emperor Hirohito Japan's prime minister and Japanese Christian leaders Convinced that Japan was a fertile field for propagating Christianity the FMC in the U.S. laid plans for sending missionaries to support MacArthur's scheme for Christianizing Japan Part Three explores the Imperial family's apparent interest in Christianity The empress took Bible lessons and the crown prince now emperor studied English and the Bible with an American Quaker woman The book presents evidence that the major concern of Imperial advisers and staff was to save Emperor Hirohito from trial as a war criminal Part Four examines MacArthur's policy of using the Christian community to counter the growing influence of Communism in Japanese schools He supported the creation of a new International Christian University to oppose leftist influence among Japan's youth This book makes an important contribution to the ongoing study of MacArthur the Occupation and Christianity in Japan **Dear General MacArthur** Sodei Rinjiro, 2006 This work compiles some 120 letters from Japanese citizens to General Douglas MacArthur during the postwar occupation of Japan 1945-1952 These letters evoke the unfiltered voices of people of all classes and

occupations during the tremendous upheaval of the early postwar period Douglas MacArthur Arthur Herman, 2016-06-14

A new definitive life of an American icon the visionary general who led American forces through three wars and foresaw his nation's great geopolitical shift toward the Pacific Rim from the Pulitzer Prize finalist and bestselling author of Gandhi Churchill Douglas MacArthur was arguably the last American public figure to be worshipped unreservedly as a national hero the last military figure to conjure up the romantic stirrings once evoked by George Armstrong Custer and Robert E Lee But he was also one of America's most divisive figures a man whose entire career was steeped in controversy Was he an avatar or an anachronism a brilliant strategist or a vainglorious mountebank Drawing on a wealth of new sources Arthur Herman delivers a powerhouse biography that peels back the layers of myth both good and bad and exposes the marrow of the man beneath MacArthur's life spans the emergence of the United States Army as a global fighting force Its history is to a great degree his story The son of a Civil War hero he led American troops in three monumental conflicts World War I World War II and the Korean War Born four years after Little Bighorn he died just as American forces began deploying in Vietnam Herman's magisterial book spans the full arc of MacArthur's journey from his elevation to major general at thirty eight through his tenure as superintendent of West Point field marshal of the Philippines supreme ruler of postwar Japan and beyond More than any previous biographer Herman shows how MacArthur's strategic vision helped shape several decades of U S foreign policy Alone among his peers he foresaw the shift away from Europe becoming the prophet of America's destiny in the Pacific Rim Here too is a vivid portrait of a man whose grandiose vision of his own destiny won him enemies as well as acolytes MacArthur was one of the first military heroes to cultivate his own public persona the swashbuckling commander outfitted with Ray Ban sunglasses riding crop and corncob pipe Repeatedly spared from being killed in battle his soldiers nicknamed him Bullet Proof he had a strong sense of divine mission Mac was a man possessed in the words of one of his contemporaries of a supreme and almost mystical faith that he could not fail Yet when he did it was on an epic scale His willingness to defy both civilian and military authority was Herman shows a lifelong trait and it would become his undoing Tellingly MacArthur once observed Sometimes it is the order one disobeys that makes one famous To capture the life of such an outsize figure in one volume is no small achievement With Douglas MacArthur Arthur Herman has set a new standard for untangling the legacy of this American legend Praise for Douglas MacArthur This is revisionist history at its best and hopefully will reopen a debate about the judgment of history and MacArthur's place in history New York Journal of Books Unfailingly evocative close to an epic More than a biography it is a tale of a time in the past almost impossible to contemplate today as having taken place with MacArthur himself as a figure perhaps too remote to understand but all the more important to encounter The New Criterion With Douglas MacArthur American Warrior the prolific and talented historian Arthur Herman has delivered an expertly rendered compulsively readable account that does full justice to MacArthur's monumental achievements without slighting his equally monumental flaws Commentary **MacArthur His Rendezvous with History** Major General Courtney

Whitney,2023-07-18 This biography of General Douglas MacArthur offers a comprehensive look at the military leader's life and career from his family background to his pivotal role in World War II to his controversial tenure as Supreme Commander of the Allied Powers in postwar Japan Whitney draws on his personal experience serving under MacArthur to provide a nuanced portrait of the man and his legacy This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Supreme Commander** Seymour Morris,2014-04-22 A blend of political history and military biography examining General Douglas MacArthur's role in rebuilding Japan following World War II Seymour Morris captures MacArthur's brilliant method of command at once judicious imperious and humble A very readable and instructional treatment of a misunderstood figure Evan Thomas author of Ike's Bluff He is the most decorated general in American history the only five star general to receive the Medal of Honor Yet Douglas MacArthur's greatest victory was not in war but in peace As Supreme Commander for the Allied Powers in postwar Japan General Douglas MacArthur was charged with transforming the defeated militarist empire into a beacon of peace and democracy a task he called the greatest gamble ever attempted A career military man MacArthur had no experience in politics diplomacy or economics Vain reclusive and self centered he had many enemies in Washington who considered him a flaming peacock Few thought he could succeed not even President Harry Truman's closest advisors But MacArthur did succeed brilliantly defying timetables and expectations He announced eleven objectives and achieved them all establishing a bond between two countries that survives to this day Supreme Commander combines political history and military biography to tell for the first time how MacArthur achieved a nation building feat never before attempted nor replicated since Seymour Morris Jr reveals this flawed man at his best as one who treated a defeated enemy with respect made informed thoughtful decisions yet could also be brash and stubborn when necessary leading the occupation with intelligence class and compassion Reviewing MacArthur's key tactical choices and accomplishments Morris presents a detailed intimate portrait of a great American a patriot and a man of strong conviction who proved to be an outstanding and effective leader under extraordinary circumstances Morris tells in dramatic detail how this ultimate warrior almost overnight became the ultimate peacemaker turning devastated militarized Japan into a functioning democracy in five years without firing a shot James Bamford author of Body of Secrets and The Shadow Factory With entertaining prose and good research Morris shows how MacArthur brilliantly midwived devastated Japan's rebirth as a modern democratic state a task that required executive and diplomatic skill John Steele Gordon author of Empire of Wealth A fascinating study of the greatest

success of Douglas MacArthur one of the most consequential and controversial Americans of the twentieth century Gautam Mukunda author of *Indispensable When Leaders Really Matter* **Douglas MacArthur** Brenda Haugen,2005-07 A biography of the famous general Douglas MacArthur **MacArthur in Asia** Hiroshi Masuda,2012-10-05 General Douglas MacArthur's storied career is inextricably linked to Asia His father Arthur served as Military Governor of the Philippines while Douglas was a student at West Point and the younger MacArthur would serve several tours of duty in that country over the next four decades becoming friends with several influential Filipinos including the country's future president Emanuel L. Quezon In 1935 he became Quezon's military advisor a post he held after retiring from the U S Army and at the time of Japan's invasion of 1941 As Supreme Commander for the Southwest Pacific MacArthur led American forces throughout the Pacific War He officially accepted Japan's surrender in 1945 and would later oversee the Allied occupation of Japan from 1945 to 1951 He then led the UN Command in the Korean War from 1950 to 1951 until he was dismissed from his post by President Truman In *MacArthur in Asia* the distinguished Japanese historian Hiroshi Masuda offers a new perspective on the American icon focusing on his experiences in the Philippines Japan and Korea and highlighting the importance of the general's staff the famous Bataan Boys who served alongside MacArthur throughout the Asian arc of his career to both MacArthur's and the region's history First published to wide acclaim in Japanese in 2009 and translated into English for the first time this book uses a wide range of sources American and Japanese official records and oral histories to present a complex view of MacArthur one that illuminates his military decisions during the Pacific campaign and his administration of the Japanese Occupation Douglas MacArthur Earle Rice (Jr.),2013 A look at the life and military accomplishments of General Douglas MacArthur whose career included serving as commander of the United States Army in the Far East during World War II

General Douglas MacArthur Francis Trevelyan Miller,1945 **General Douglas MacArthur, 1880-1964** Eugene L. Rasor,1994-04-30 General of the Army Douglas MacArthur was an extraordinary military leader and one of the most controversial figures in American history An enormous amount of literature has accumulated about his career which spanned most of the 20th century General MacArthur is the subject of this first comprehensive assessment and survey of all of the writings by and about him Publication coincides and reflects the formal commemoration of the 50th anniversary of World War II A short biographical essay and chronology set the stage for the historiographical critique which is organized topically and into different time periods This extensive historiographical narrative is cross referenced to the annotated bibliography of 759 published and unpublished sources both academic and popular including film and fiction Author and subject indexes complete the volume This guide to the literature on MacArthur describes archival collections and research facilities points to conflicting interpretations about the role of General MacArthur as Chief of Staff of the Army in World War II in the occupation of Japan in the Korean War and in the sensational recall from his position as Far Eastern Commander in 1951 and suggests areas for further research The historiographical narrative and annotated bibliography cover the career of the

general from his earliest years to his death in 1964 This easy to use research tool is designed for students scholars and readers at all levels for use by all those concerned with recent U S and world history and for special commemorations of World War II *MacArthur in Japan* Douglas MacArthur,2015-09-04 Reports of General MacArthur are the official after action reports of General of the Army Douglas MacArthur Long out of print this facsimile edition contains not only MacArthur s own perspective of his operations against the Japanese in the Southwest Pacific Area during World War II but also the enemy s unique account of Imperial Army campaigns against MacArthur s forces Collectively the reports have substantial and enduring value for military historians and students of military affairs providing an illuminating record of momentous events influenced in large measure by a distinguished Soldier and towering figure in American historiography The Reports of General MacArthur include two volumes being published by the Department of the Army in four books reproduced exactly as they were printed by General MacArthur s Tokyo headquarters in 1950 except for the addition of this foreword and indexes Volume II of the Reports represents the contributions of Japanese officers employed to tell their story of operations against MacArthur s forces Volume I narrates the operations of forces under General MacArthur s command from the Japanese attack on Luzon in 1941 through the surrender in 1945 While service histories have covered much of the same ground in separate volumes no single detailed narrative of General MacArthur s leadership as commander of the Southwest Pacific Area has yet appeared Chapters dealing with the reconquest of Borneo plans for the invasion of Japan and the Japanese surrender make a distinctly new contribution Volume I Supplement describes the military phase of the occupation through December 1948 reporting events not treated elsewhere in American publications Volume II on Japanese operations brings together a mass of information on the enemy now only partially available in many separate works Collectively the Reports should be of wide interest and value to the American people generally as well as to students of military affairs They are an illuminating record of momentous events influenced in large measure by a distinguished American soldier **Frontline**

General: Douglas MacArthur Jules Archer,2017-01-10 At twenty six Douglas MacArthur was military aide to President Theodore Roosevelt and his courageous leadership of the Rainbow Division in World War I made him a general At the same time his reluctance to heed any authority but his own gained him a reputation of arrogance and insubordination that was to shadow his entire career As MacArthur helped guide defeated Japan to democracy it was remarked that he himself tolerated no democratic questioning of his commands When he was summoned from Japan to take command of the desperately beleaguered forces in Korea the conflict between duty and pride brought his career to a dramatic conclusion With brilliant generalship he saved his army from defeat only to be removed from his post when he refused to obey the president himself Douglas MacArthur s deeds were of heroic proportion but he is and will continue to be one of America s most controversial figures [Memos to C-in-C, 1945-1951](#) Supreme Commander for the Allied Powers,Douglas MacArthur,MacArthur
