**A Commentary on Galatians** David Pawson, 2013-07-17 The modern mood is that we do not want to argue about religion We do not want to quarrel but to be comfortable with each other Galatians is not that kind of a letter Paul argues with other Christians not with unbelievers and his message in the letter has in turn caused many arguments Arguments can be good If Luther had not been willing to get into an argument the Reformation would not have occurred When we come to Galatians we are handling some of the biggest issues of all There are fundamental issues without which you lose the Christian gospel so I am afraid fighting is involved Many of the biggest battles that Christians have to face are inside the church not outside it That is painful Who likes a family that is arguing Whenever the devil attacks the church from the outside the church gets stronger and bigger His attacks are much more successful when they come from the inside and one of the quickest ways to do that is to pervert or corrupt or erode the gospel If he can do that he knows that he has destroyed the church from the inside Legalism and licence are still with us But so is true liberty We must stay and walk with others along the narrow path the wind of the Spirit blowing in our faces and the blessing of God's grace upon us We are free not to sin and free to be bold if we will only walk in the Spirit Galatians is one of the most powerful letters you will ever read

*Galatians* George R. Brunk, III, 2015-03-23 Galatians by George Brunk III tracks the important role that this epistle of the Apostle Paul played in Christianity's shift from being a messianic sect within Judaism to a Gentile dominated religious movement As a sustained defense of Jesus Christ as the center of faith the full unity and equality of Christ's followers and the Spirit's empowerment in the life of the believer Galatians holds both world changing and personally transforming power for the contemporary church Brunk's commentary an important contribution to biblical studies includes historical and cultural background shares necessary theological sociological and ethical meanings and in general makes the rough places plain Volume 28 in the Believers Church Bible Commentary series About Believers Church Bible Commentary Series Accessible to lay readers useful in preaching and pastoral care helpful for Bible study groups and Sunday school teachers and academically sound the Believers Church Bible Commentary Series foregrounds an Anabaptist reading of Scripture Published for all who seek more fully to understand the original message of Scripture and its meaning for today the series is based on the conviction that God is still speaking to all who will listen and that the Holy Spirit makes the Word a living and authoritative guide for all who want to know and do God's will

*Commentary on the Letter to the Galatians* David Pratte, 2018-07-06 Bible study notes and commentary on the New Testament letter to the Galatians Emphasizes understanding the text with practical applications Intended to be helpful for all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the conservative viewpoint of faith in the Bible as the absolute inerrant verbally inspired word of God Topics discussed include Salvation by the Law of Moses or by the gospel Danger of other gospels Fruits of the Spirit Works of the flesh Importance of obedient faith

Holman New Testament Commentary - Galatians, Ephesians, Philippians, Colossians Max Anders, 1999-11-01 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike      **Galatians** Scot McKnight, 1995 The NIV Application Commentary helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context It gives preachers and teachers the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written      Galatians Gordon Fee, 2022-01-21 An introduction situating Paul's letter in time and space is followed by a detailed discussion of each section of the letter verse by verse commentary and a theological discussion with challenging questions for individual or group study From the Introduction Luther and Calvin tended to read the letter as having primarily to do with justification by works or by faith But that is decidedly not the matter that called forth this letter which is stated most clearly in one of the opening sentences of the argument proper Having begun by the Spirit are you now trying to finish by means of the flesh 1:3 where flesh is a play on words referring to literal circumcision of the flesh as the primary issue regarding their keeping the law At issue throughout the letter is not the question How are people saved to use contemporary language but whether people who are already saved also need to practice specific aspects of the Jewish law The concern then is not how one begins life in Christ but whether once begun one must also add these aspects of the law to be completed in one's faith in Christ
