"The" Epistles of St. Paul to the Galatians, Ephesians, and Philippians Michael Ferreebee Sadler, 1889 *Slave of Christ*  
Murray J. Harris, 2001-05-29 Exploring what it means to be a slave of Christ Murray J Harris assesses the nature of slavery in the Greco Roman world in this New Studies in Biblical Theology volume He describes the New Testament s attitude toward slavery and discusses related topics like spiritual freedom lordship ownership and privilege What are They Saying about Paul and the Law? Veronica Koperski, 2001 Veronica Koperski s addition to the much lauded What Are They Saying About WATSA series presents an overview of recent scholarly debate about Paul and the Law with attention to its historical roots Chapter one treats scholars who basically remain within the tradition of Luther Bultmann in asserting that the Law fosters a prideful attitude Chapters two and three deal with the new perspective on Paul initiated with the publications of E P Sanders in the 1970s and 1980s Chapter four presents scholars who although sensitive to the work of Sanders reiterate some of the traditional Luther Bultmann position In chapter five the focus is Paul s consistency and chapter six explores scholarship opining that justification by faith can no longer be considered the center of Paul s theology **Galatians** Leon L. Morris, 2003-02-28 Leon Morris explores both the complex arguments and bold affirmations of Galatians With seasoned insight and inspiring elegance he lays bare the text s essential structure logic and meaning **The Apostle Paul** Porter, 2016 There are many introductions to the life thought and letters of Paul the apostle Some concentrate upon his life while others focus upon his thought and still others on his letters A few of them like this book try to integrate all three of them including on occasion material from the book of Acts into a useful portrait of the man and what he said and thought as revealed through his letters from preface **The Law's Universal Condemning and Enslaving Power** Bryan Blazosky, 2019-10-17 While much has been written about the apostle Paul s view on the relationship between Gentile Christians and the Mosaic law comparatively little attention has been paid to Paul s writings on the laws of Moses and how they apply to Gentile unbelievers In this book Bryan Blazosky examines Paul s teaching on the subject and how it relates to the lessons of the Old Testament and literature of the Second Temple period Blazosky explicates Paul s views on Gentiles and law as they are articulated in the New Testament texts Galatians Romans Corinthians Ephesians Colossians and Timothy and he compares the Pauline perspective to those expressed in other Jewish writings such as the Old Testament the third Sibylline Oracle Liber antiquitatum biblicarum and 4 Ezra Through a comparison of these texts Blazosky finds that Paul in line with the Old Testament and other Jewish texts interprets the Mosaic law as having the power to universally condemn Despite being gifted to Israel the law s ability to curse condemn and enslave reaches beyond its covenantal boundaries As the first book length study on the relationship between Gentile unbelievers and the Mosaic law in Pauline literature The Law s Universal Condemning and Enslaving Power will be welcomed by all who study the New Perspective on Paul Gentile accountability and the New Testament **Galatians** Leon Morris, 1996 **The New Covenant Torah in Jeremiah and**
