**Freedom in Christ** Cindy Casalis, John S. Knox, 2022-09-14 Modern Christian apologists and evangelists employ a variety of tools designed to aid communities in their understanding of God and salvation via Christ's atonement. One of the ways that defenders of the faith add to their field is in discerning the real significance of the treasures found in Christ. This work begins by dissecting the true meaning of freedom in Christ from a Judeo-Christian viewpoint. Building on that foundation, it then evaluates the sociological phenomenon of postmodernism in many of its characteristics and approaches both positive and negative. The goal is to find pathways through which the apologist can respond to postmoderns in pointing them to Christ. Finally, the work closes by discussing how a newfound understanding of freedom in Christ adds to the three main branches of apologetics: classical, reformed, and presuppositionalism.

**Women Like Us** Ruth Haley Barton, 2001-06-19 Contemporary women face numerous challenging and often painful issues, including infertility, caring for aging parents, singleness, the generation gap, the role of women in marriage and ministry, materialism, and difficult marriages. Learn how you can make a difference in your family, your church, and your community by studying the examples of scriptural women who in so many ways were just like us.

The world keeps changing, but our most important needs stay the same: our need for work and discipline, for perspective in good and bad times, for the ability to think through our words and actions, and for the practice of integrity, wisdom, and kindness. The sayings collected in the book of Proverbs gave practical handles to these matters thousands of years ago, and their wisdom is still refreshing and helpful today. 12 Studies For Individuals or Groups.
