The New Testament Devotional Commentary, Volume 3 Bo Giertz, Bror Erickson, 2023-08-15 In the third volume of his New Testament Devotional Commentaries Volume 3 Galatians Through Revelation Bo Giertz returns to the text with his keen insight and love for God's word and God's people This would finish his work as an author that began in the 1930s and continued for five decades Taking the principles of Biblical Realism he had learned from his mentor Anton Fridrichsen with its rejection of both liberal higher criticism and fundamentalist biblicism Bo Giertz opens some of the most difficult to understand texts in all of Scripture with a simple understanding that this is God's word for you He blends this approach to Scripture with pastoral insight gained from his years as both a rural parish priest in the Swedish countryside and the Bishop of the bustling cosmopolitan center of Gothenburg His commentary on Revelation is particularly revolutionary Appendix The Bible's View of Itself and Other Views of the Bible

[Genesis to Revelation 1 and 2 Corinthians, Galatians, Ephesians](#) Edward P. Blair, 1997 Genesis to Revelation 1 and 2 Corinthians Galatians Ephesians Student Study Book *The Antichrist and the Second Coming* Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67-70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for

the last twelve years **Revelations** Elaine Pagels, 2012-03-06 A startling exploration of the history of the most controversial book of the Bible by the bestselling author of *Beyond Belief* Through the bestselling books of Elaine Pagels thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels As one of the world's foremost religion scholars she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity Her new book however tackles a text that is firmly dramatically within the New Testament canon The Book of Revelation the surreal apocalyptic vision of the end of the world or is it In this startling and timely book Pagels returns The Book of Revelation to its historical origin written as its author John of Patmos took aim at the Roman Empire after what is now known as the Jewish War in 66 CE Militant Jews in Jerusalem fired with religious fervor waged an all out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome Soon after however a new sect known as Christians seized on John's text as a weapon against heresy and infidels of all kinds Jews even Christians who dissented from their increasingly rigid doctrines and hierarchies In a time when global religious violence surges Revelations explores how often those in power throughout history have sought to force God's enemies to submit or be killed It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent violence and division in the world's religions and to appreciate the lasting appeal of this extraordinary text

Community-Identity Construction in Galatians Atsuhiko Asano, 2005-07-17 The issue of community identity construction in Galatians is considered using two methods first by applying anthropological theories to the mechanism and natures of community identity and its construction and second by comparing the Galatian community with another minority religious community Asano argues that Paul's effort at identity construction is partially conditioned by his self awareness as an autonomous apostle and by the external pressures of the significant groups elsewhere Paul's conflict depicted in Galatians 2 and projected upon the Galatian situation is understood as a conflict between the ethno centred and the instrumental mode of community constructions the latter of which is free from the constraints of core ethnic sentiment Galatians 4 21 31 is identified as a conceptual framework or recreated worldview for the community members to be assured of their authentic existence under marginalizing pressure This recreated worldview is ritually acted out in baptism with the egalitarian motif Gal 3 28 to help internalize the authentic identity Finally Paul's letter is suggested to have functioned as a physical locus of community identity Thus the autographic marker Gal 6 11 directs the attention of the audience not only to the conceptual content but to the presence of the founding apostle that the letter replaces *Epistle to the Galatians to the book of Revelation* David Smith, 1928 **Complete Index to The Expositor's Bible** Samuel Gardiner Ayres, 1905 The Book of Acts in Its Ancient Literary Setting Bruce W. Winter, Andrew D. Clarke, 1993-11-18 Volume 5 in a series which strives to place the Book of Acts within its first century setting Irina Levinskaya employs impressive archaeological research to throw light

on the relation of Jews to the societies in which they lived during the period of dispersion She surveys commonly held views and challenges current views regarding the true nature of Jewish missionary activity **Life-study of Galatians** Witness Lee, 2023-09-27 The book of Galatians reveals that in God's economy Christ replaces the law and it is religion versus tradition The churches in Galatia had begun well receiving the Spirit through faith but were now striving to be perfected by the flesh through the law 3:3 The Judaizers had bewitched the Galatians so that they considered the ordinances of the law above the Son of the living God Paul responds by telling the distracted Galatians that Christ gave Himself for our sins that He might rescue us out of the present evil age according to the will of our God and Father 1:4 In this book the current evil age is not the secular world but the religious world in its present manifestation which distracts God's people from the living person of the Son of God This book exposes the inability both of the law and of circumcision showing that the law cannot impart life to regenerate us and that circumcision cannot energize us to live a new creation But the Son of God who has been revealed in us can enliven us to make us a new creation and the Christ who lives in us can afford us the riches of His life to live the new creation The desire of God's heart is not that we would keep the law but that His Son would be revealed in us operate in us live in us and be formed in us that we may know Him receive Him as our life and become the sons of God individually and the household of the faith corporately The book of Galatians unveils that the crucified Christ not the law with its ordinances is the center of God's economy The Reverse of the Curse C. Marvin Pate, 2000 C Marvin Pate demonstrates from the undisputed Pauline writings that wherever Paul employs the theme of wisdom he does so to reverse the Deuteronomic curses and blessings In accomplishing this Pate highlights Paul's doctrine of justification which signals the end of the Mosaic Law Page 4 of cover **Galatians** Paul S. Jeon, 2023-10-31 Dr Jeon's treatment of Galatians is a balanced and accessible commentary that traces the flow of the apostle's argument from the beginning to the end of Galatians Dialoguing with some of the best commentators peppered with pastoral insights and written in a clear manner this brief work will be an invaluable help for all who want a deeper grasp of both the message and structure of this letter *The Intertextuality of Paul's Apocalyptic Discourse* Doosuk Kim, 2023-05-08 This book attempts to investigate two strands in a single work apocalyptic Paul and intertextuality First what does apocalyptic Paul mean Is it synonymous to eschatology as a theological notion or the end time mystery Many seminal works have delved into the intriguing yet unorganized notion of the apocalyptic Instead of attempting to provide a universal definition of the apocalyptic the author presents his understanding of the phenomenon particularly in the cultural realm The author contends that apocalyptic is neither all about the end time event nor merely a literary genre but an interpretive lens to understand the world and social phenomena one that is shaped and developed through culture and society Accordingly the term apocalyptic Paul implies how Paul views and understands the world history and supernatural phenomena through interaction with his cultural texts and context Second the author also suggests that intertextuality is not only about comparative literature study Rather intertextuality refers to cultural semiotics a sign system

to deliver the meaning of text Based on this notion of intertextuality the author interprets how Paul envisages multiple phenomena heavenly ascent resurrection afterlife the origins of sin and two ages within his cultural context **Galatians to Revelation** ,1868 Apostle of the Last Days C. Marvin Pate,2013-11-07 Paul s life letters and theology are unified by the theme of the overlapping of two ages this age and the age to come With the life death and resurrection of Jesus Christ the age to come i e kingdom of God broke into this present age but didn t end it Where other important doctrines such as justification by faith reconciliation and the cross of Christ were key players in Paul s theology Marvin Pate compellingly demonstrates that the overarching theme driving the Pauline corpus was indeed Paul s inaugurated eschatology In fact Paul s apocalyptic framework was only one of a number of other rival eschatologically focused religious perspectives of the day such as the Imperial Cult Hellenistic syncretistic religion and the merkabah Judaizers Paul s vigorous debates with the churches he served centered on the exclusivity of the gospel of Christ that he preached the nonnegotiable apocalypse of Jesus the Messiah Apostle of the Last Days will be welcomed in the classroom as a one volume treatment of Paul s life and letters as well as his theology
