L. Moles - Volume 1** John Marincola, 2023-05-08 J L Moles 1949 2015 made fundamental contributions to the fields of ancient especially Cynic philosophy Greek and Roman historiography and biography Latin poetry and New Testament studies These two volumes gather together all of his major articles and reviews along with six previously unpublished papers The papers display Moles individual and sometimes iconoclastic approach his impressive range in both Classical and New Testament texts and his unrivalled abilities in close reading This is volume 1 *Jesus's Manifesto* Roman A. Montero, 2019-04-24 *Jesus's Manifesto* The Sermon on the Plain is a historical analysis and exegesis of the Sermon on the Plain found in Luke 6 20 49 Going into the historical and literary context of the Sermon on the Plain it examines how the message fits into the world of Jesus and his audience *Jesus's Manifesto* demonstrates how the Sermon's ethical injunctions and eschatological message interacted with contemporary ideologies and how these injunctions were meant to be taken as normative commandments by Jesus in light of his eschatological message Many have attempted to dampen the ethical teachings of Jesus by trying to relativize them or by trying to make them compatible with the wider culture and the dominant ideologies however when understood in its historical context the Sermon's message was not only incompatible with the wider culture and the dominant ideologies but it stood in opposition to them *Jesus's Manifesto* provides the necessary historical and anthropological tools to fully appreciate the profound and seemingly radical message of the Sermon of the Plain *The Death of Jesus and the Politics of Place in the Gospel of John* Peter Claver Ajer, 2016-09-01 This book's findings are rich and intriguing In his death Jesus the chief architect in the production of space in the Christian realm founds an alternative community that reorders space and creates a new reality for believers This new community which dwells in this radical new space successfully resists the domination of oppressive regimes and mindsets such as the Roman Empire Suffering is transformed here Many recent biblical studies have utilized various methodologies and historical critical viewpoints which have been helpful However drawing on theories of space and postcolonial approaches Dr Ajer breaks new ground in Johannine studies a new terrain that will yield much fruit The new understandings of space provide a key with which we may unlock more of the mysteries of the Fourth Gospel as Ajer here demonstrates with powerful new discoveries and insights into John's Passion narrative **From**

Messiahs and Messianic Movements through 1899 Roland H. Worth, Jr., 2010-06-28 A messiah is an individual appointed by God to a specific task of importance and elevated to a level of far greater authority than a prophet by leading or claiming to lead a group or movement The movement comes to be uniquely centered on his or her teachings and the messiah claims spiritual and temporal authority over its followers This book is an examination of both males and females in the Judeo-Christian heritage excluding Jesus of Nazareth who either claimed to be the messiah were viewed by contemporaries as such or are considered by a significant number of scholars to have been motivated by messianic goals The work is arranged chronologically with details about messiahs from before Christ through the dawn of the technological age at the end of the nineteenth century It covers nearly 100 individual messiahs including such Old Testament figures as King Hezekiah and Herod the Great as well as later messiahs both obscure and historically renowned even Queen Elizabeth I and King Charles I were touted as messiahs by certain devoted followers Meticulously researched the book includes an extensive bibliography

Matthew's Messianic Shepherd-King Joel Willits, 2008-08-27 In two places in the First Gospel Matt 10:5b 6:15 24 the Messianic mission of Jesus and his disciples is limited to a group called the lost sheep of the house of Israel In light of Matthew's intense interest in Jesus' Davidic Messiahship and the Jewish Shepherd-King traditions surrounding King David it is argued that the lost sheep of the house of Israel refers to remnants of the former northern kingdom of Israel who continued to reside in the northern region of the ideal Land of Israel

The Vermes Quest Hilde Brekke Moller, 2017-07-13 Geza Vermes is a household name within the study of the historical Jesus and his work is associated with a significant change within mainstream Jesus research typically labelled the third quest Since the publication of *Jesus the Jew* in 1973 many notable Jesus scholars have interacted with Vermes's ideas and suggestions yet their assessments have so far remained brief and ambiguous Hilde Brekke Moller explores the true impact of Vermes's Jesus research on the perceived change within Jesus research in the 1980s and also within third quest Jesus research by examining Vermes's work and the reception of his work by numerous Jesus scholars Moller looks in particular depth at the Jewishness of Jesus the Son of Man problem and Vermes's suggestion that Jesus was a Hasid all being aspects of Vermes's work which have attracted the most scholarly attention Moller's research historical approach focuses not only on the leading scholars of the field such as E. P. Sanders J. D.

Crossan J P Meier and C A Evans but also sheds light on underplayed aspects of previous research and responds to the state of affairs for recent research by challenging the rhetoric of current historical Jesus scholarship *Jesus of Hollywood* Adele Reinhartz,2009-04-01 Since the advent of the cinema Jesus has frequently appeared in our movie houses and on our television screens Indeed it may well be that more people worldwide know about Jesus and his life story from the movies than from any other medium Indeed Jesus story has been adapted dozens of times throughout the history of commercial cinema from the 1912 silent *From the Manger to the Cross* to Mel Gibson s 2004 *The Passion of the Christ* No doubt there are more to come Drawing on a broad range of movies biblical scholar Adele Reinhartz traces the way in which Jesus of Nazareth has become Jesus of Hollywood She argues that Jesus films both reflect and influence cultural perceptions of Jesus and the other figures in his story She focuses on the cinematic interpretation of Jesus relationships with the key people in his life his family his friends and his foes She examines how these films address theological issues such as Jesus identity as both human and divine political issues such as the role of the individual in society and the possibility of freedom under political oppression social issues such as gender roles and hierarchies and personal issues such as the nature of friendship and human sexuality Reinhartz s study of Jesus celluloid incarnations shows how Jesus movies reshape the past in the image of the present Despite society s profound interest in Jesus as a religious and historical figure Jesus movies are fascinating not as history but as mirrors of the concerns anxieties and values of our own era As the story of Jesus continues to capture the imagination of filmmakers and moviegoers he remains as significant a cultural figure today as he was 2000 years ago Healing God's Earth S. Roy Kaufman,2013-08-02 Rural communities and traditional cultures throughout North America and around the world are being systematically dismantled by the forces of urban civilization It is no new phenomenon For over four millennia the powers of urban civilization have been playing God oppressing people and exploiting the earth This long history has brought us to the brink of disaster in the current economic ecological and energy crises confronting the dominant global culture This book reads the Bible through the lenses of rural communities The Bible has something to say about the origin and character of urban civilization and the dynamic of its relationship to rural communities Both Israel in the Old Testament and Jesus in the New Testament were engaged in the formation of rural communities of faith living as alternatives to the dominant cultures of the urban civilizations in which they lived It turns out that local face to face communities both rural and urban along with traditional cultures of all stripes are God s chosen instruments for the subversive nonviolent disarming of urban civilization and the healing of God s earth *The Risen Lord* Denish Sebastian,2025-03-09 The resurrection of Jesus Christ stands as the cornerstone of Christian faith not merely as a theological concept but as a historical event with profound implications Drawing from extensive scholarly examination of this topic by pioneer researchers while remaining accessible to readers of all backgrounds this concise yet substantive analysis guides you through Rigorous assessment of New Testament historical reliability Systematic analysis of crucifixion accounts burial evidence empty tomb discoveries and documented post

resurrection appearances Thoughtful exploration of the theological implications flowing from these historical realities Whether you re a skeptic seeking honest investigation a believer desiring firmer historical grounding or a student of history curious about this world changing claim this ebook offers a balanced evidence based approach to the most significant historical question of the Christian faith Transform your understanding of history and faith as you encounter the powerful case for the risen Christ that has withstood critical examination *Acts of God in History* Roland Deines,2013-11-13 10 of 11 contributions were published previously 4 in German 6 in English **Making History** Zuleika Rodgers,2006-04-01 The encounter between interpretation and history in the writings of Josephus provides the conceptual framework for this collection of essays The contributions in this volume which were presented at an international colloquium entitled Josephus Interpretation and History held in Dublin in 2004 are united not by a single view of Josephus but by the question of historical method both ancient and modern These essays take up aspects of a problem basic to all researchers who would use Josephus for historical purposes namely What is the relationship between narratives and history Organized thematically the volume reflects a critical engagement with the texts of Josephus other literary texts case studies of particular events and material remains Cities Through the Looking Glass Rami Arav,2008-06-30 The essays in this book originated as papers presented at the Conference on Urbanism in the Biblical World that took place on October 28 30 2003 at the University of Nebraska at Omaha This conference was part of the annual series of the Clifton Batchelder Conference for Biblical Archaeology and the Bethsaida Excavations Project The conference was structured so that text scholars and material culture scholars were able to interact and influence one another This interdisciplinary approach created a unique productive atmosphere where scholars who come from different disciplines were able to share and exchange ideas in ways that seldom happen in our increasingly specialized academic world Thus scholars from three major disciplines Greek philosophy biblical studies and archaeology produced lectures and papers on urbanism in the ancient world that reflect multihued perspectives that draw on the specialties of each contributor Few conferences on urbanism engage in an interdisciplinary approach and few deal with the questions raised in this book even fewer are published and see the light of day In this volume we are pleased to be able to share a fine collection of essays from the conference with the larger community of people interested in the ancient world
