You escape alive from the hunt but have no clue as to what the treasure is because it is magically concealed from your eyes. Now imagine you have to continue to fight to protect this unknown treasure all while your family decides you have to uproot your life and move to rural upstate New York. Welcome to the life of Galileo Ambrosius. He and his band of magically talented friends move to the bewitching city of Ithaca, New York, where they strive to find their niche at Ithaca High School. Four juniors and a sophomore can bring a lot of drama, especially when they have magic wands stashed away in their back pockets. On their journey to unlock the treasure, the main characters encounter new magic creatures, monsters, and temperamental teenagers trying to thwart them as they grow closer together to form an unstoppable team, or so they'd like to think.
