Gallery of Poisoners A. Vincent, 1992-05-01 *A Gallery of Poisoners* Adrian VINCENT, 1994 **Affairs of Poison True Crime's Deadliest Poisoners** Dylan Frost, 2023-11-29

Poison is a fairly popular method of murder in true crime history because it doesn't require brute force or a weapon of any kind. You can simply slip it in a cake or a drink. Anything you want. A lot of poisoners think they stand a much better chance of getting away with murder, but this is a misguided view. It might be more complex to capture a poisoner than a mad axeman, but the police tend to catch up with poisoners in the end. In this book, we'll take a look at some of the deadliest poisoners in true crime history. What follows is a grisly gallery of heartless rogues who you definitely wouldn't want making the tea.

Criminal Poisoning John H. Trestrail, III, John Harris
Trestrail, 2007-04-30

In this revised and expanded edition, leading forensic scientist John Trestrail offers a pioneering survey of all that is known about the use of poison as a weapon in murder. Topics range from the use of poisons in history and literature to convicting the poisoner in court and include a review of the different types of poisons, techniques for crime scene investigation, and the critical essentials of the forensic autopsy. The author updates what is currently known about poisoners in general and their victims. The Appendix has been updated to include the more commonly used poisons as well as the use of antifreeze as a poison.

Managing Death Investigations Arthur E. Westveer, 1997 *The League of Lady Poisoners* Lisa Perrin, 2023-09-19

A feast for the senses, this sumptuously illustrated book will introduce you to some of the most infamous women throughout world history, united by their shared taste for poison. Welcome to the League of Lady Poisoners. This riveting and well-researched volume by Lisa Perrin weaves together the stories of more than twenty-five accused women poisoners, exploring the circumstances and skill sets that led them to lives of crime. You might find yourself rooting for some of them, like Sally Bassett, who helped poison her granddaughter's enslavers in Bermuda, or Giulia Tofana, who sold her name-brand concoction to women wanting to be rid of their abusive or otherwise undesirable husbands. Other stories, though, including that of Yiya Murano, one of Argentina's most notorious swindlers and serial killers, or the terrifying Nurse Jane Toppan, may prove less palatable. Organized into thematic chapters based on the women's motives, the book also includes an illustrated primer that delves into the origins and effects of common poisons throughout history, as well as a foreword by Holly Frey and Maria Trimarchi, creators and hosts of the podcast *Criminalia*. It is a treat for true crime fans, feminist history buffs, and any curious readers fascinated by the more macabre side of human nature.

TRUE CRIME GALORE Women can do anything, even commit murder. This thoughtfully researched and insightful survey into the lives of the poisoners explores the toxic events that put these women in the spotlight, the deceptive methods and substances they used, and their legacies today. *The League of Lady Poisoners* is a thrilling deep dive for fans of true crime podcasts, docuseries, and books.

EYE CATCHING GIFT Illustrator and author Lisa Perrin's beautiful and distinctive art style blends the romantic allure of these pop culture legends with the disturbing and twisted facts of their lives. The hardcover is decorated with shining foil, and the interior

contains clever Victorian inspired lettering borders and diagrams that complement the text Readers and illustrated book collectors will love all the details honoring the Golden Age of Poison FASCINATING DIVERSE STORIES OF WOMEN WHO KILL These women lived in different time periods and had varying cultural and socioeconomic backgrounds that influenced their motives Some acted out of defiance like the Angel Makers of Nagyr v who taught women how to dispose of their abusive husbands in Hungary Others schemed their way to power and money including Empress Wu Zetian of China and Belle Gunness who killed more than 14 people in the American Midwest Discover all their stories in this engaging collection if you have the stomach for them Perfect for Lovers of true crime podcasts like My Favorite Murder Morbid and Criminalia Readers who enjoy historical biographies especially of women Readers who love a good villain antihero or underdog story Murder mystery fans Art lovers and illustrated book collectors Fans of Lisa Perrin s beautiful illustration Shoppers looking for a unique feminist gift book Fans of period dramas like The Serpent Queen and The Borgias Readers who enjoy books like Lady Killers Deadly Women Throughout History and The Trial of Lizzie Borden **Poisoner in the Dock** John Rowland,1960
