Gallopig Ghosts Of The Brazilian Coast United S

Timothy S. Good

Galloping Ghosts Of The Brazilian Coast United S:

Sighted Sub, Sank Same Alan C. Carey, 2019-11-08 A historian examines the U S Navy s efforts to stop Axis forces from attacking Allied merchant ships providing supplies during World War II During the Second World War a battle was waged to cut the lifeline of food and armaments sailing across the Atlantic from North America It evolved into a far ranging conflict beyond the North Atlantic and the eastern seaboard of the United States It covered the frigid waters off Iceland down to the warm waters of Florida through the Caribbean Sea across the ocean to the Bay of Biscay the Mediterranean Sea down to Africa and across the South Atlantic to Brazil s southern tip Nazi Germany s efforts to deny supplies from reaching Europe came at a high price losing 783 U boats and approximately 30 000 men between 1939 and 1945 with land and carrier based naval air units sinking 83 German submarines of the 159 sunk by American aircraft Axis forces saw their submarines targeted as well in the Atlantic with Imperial Japanese submarine I 52 and the Italian Archimede falling victim to American naval aircraft armed with depth bombs or acoustic homing torpedoes All the dramatic action is captured in Sighted Sub Sank Same This book contains over 200 color and black and white photographs as well as personal interviews interrogation reports personal correspondence and after action reports weaving a fascinating history about the naval air campaign in the Atlantic Caribbean and Mediterranean Theaters during World War II Praise for Sighted Sub Sank Same Richly illustrates the navy s battle for the Atlantic from the air The National WWII Museum Gives the reader a real feeling of that relentless hunt Baird Maritime

The Allied Air Campaign Against Hitler's U-boats Timothy S. Good, 2022-09-15 No weapon platform sank more U boats in the Second World War than the Allied aircraft Whether it was an American plane operating from American escort carriers US aircraft from Royal Air Force bases or British aircraft from bases throughout the world these officers and men became the most decisive factor in turning the tide of the Battle of the Atlantic against the German submarine threat While the German crews could threaten escort vessels with torpedoes or avoid them by remaining submerged their leaders never developed an effective strategy against aircraft However the Allied aircraft did not enjoy much early success British Canadian and Australian air crews that fought the U boats from 1939 until 1941 achieved few triumphs They possessed neither the aircraft nor the bases necessary to deliver consistent lethal attacks against German submarines In 1941 the Royal Air Force finally began implementing an effective aircraft response when it initiated training on the American built Consolidated B 24 Liberators Supported by other types then in service these four engine bombers would prove to be decisive With America s entry into the war the United States Navy and the United States Army Air Forces also began employing Liberators against the U boats so that by mid 1943 the Admiral Karl D nitz commander of U boat forces withdrew his submarines from the North Atlantic in recognition of the Allied aircraft s new dominance From D nitz s retreat to the end of the war Allied aircraft continued to dominate the U boat battle as it shifted to other areas including the Bay of Biscay D nitz eventually ordered his U boats to remain on the surface and engage Allied aircraft as opposed to submerging

This approach did lead to the demise of some Allied aircraft but it also resulted in even more U boat being sunk Most critically D nitz acknowledged with his new policy that he knew of no tactics or weapons that would defend his submarines from Allied aircraft In the end it was a matter of choosing whether his submariners would die submerged or die surfaced Either way Allied aircraft prevailed The Allied Air Campaign Against Hitler s U Boats is the most comprehensive study ever undertaken of this most crucial battle which helped turn the Battle of the Atlantic irrevocably in favour of the Allies

United States Naval Air Operations in the South Atlantic During World War II Alan Carey,2004-06 Galloping Ghosts of the Brazilian Coast United States Naval Air Operations in the South Atlantic During World War II is the story of United States Navy combat aircrews their counterparts in the Brazilian Air Force and those who served aboard German U boats in the South Atlantic during World War II It covers efforts by the United States Navy to protect the flow of strategic materials men and military equipment from ports in South America to points around the Western Hemisphere and Europe Between January 1943 and September 1944 United States Navy air units sank 16 German U boats and one Italian submarine in the course of providing aerial coverage for Allied and neutral merchant shipping and conducting anti submarine sweeps in the South Atlantic Taken from official sources and personal recollections Galloping Ghosts of the Brazilian Coast provides an in depth analysis of United States Navy air operations against German and Italian submarines **Парнамирим.
