Cuentos de la selva de la pampa y de la ciudad La mitad de estos cuentos pertenecen al famoso libro Cuentos de la selva que el escritor uruguayo escribiera para sus hijos se trata de los ya clásicos cuentos donde los animales nos enseñan con su ejemplo alguna moraleja La segunda mitad de los cuentos de este compendio incluye relatos donde el medio ambiente también es determinante para sus personajes escritos con un fino sentido del humor que conquistar a los lectores *CUENTOS DE AMOR, LOCURA Y MUERTE 2a.ed. (bond)* Horacio Quiroga, 1989 **Pariah in the Desert** Todd S. Garth, 2016-08-29

This is the first book in English on Horacio Quiroga Uruguay 1878 Argentina 1937 a canonical author whose works are read by all advanced students of Spanish in the US and many other countries The study examines Quiroga's work through the theoretical lens of the heroic a lens elaborated in part by means of Quiroga's own disquisitions on the subject and the complementary phenomenon of the monstrous This lens serves to elucidate many evidently obscure and self contradictory aspects of Quiroga's work and its relation to the context in which he lived That context included the neo colonial social and economic milieu of Argentina's fast changing immigrant charged increasingly materialistic society the growing influence of foreign cultural discourses particularly Hollywood film the conflict between the genders in a society that embraced modernity but resisted changes in gender roles the weight of new scientific discourses especially Darwinian evolution in social and political thought and the impact on pedagogical theory and practice of these multiple changing discourses This study discloses the extraordinary range of Quiroga's work which includes erotic romance science fiction and fantasy psychological occult social satire a great variety of juvenile literature outdoor adventure and most familiar to readers in the United States gothic and naturalist horror The book concludes that Quiroga's consistent imperative of the heroic is essential to reconciling these various evidently incompatible aspects of Quiroga's poetics revealing its theoretical and ethical coherence **A Narrative Biography of Horacio Quiroga, the Lone Anarchist** Wilson Alves-Bezerra, 2023-10-16

This book is a unique and definitive biography in English of the Uruguayan Argentinian short story writer Horacio Quiroga 1878 1937 known as the Latin American Poe Written in amusing prose and with an academic background which can be an important reference for the public in general as well as to Latin American literature researchers all over the world it is an up to date narrative biography by a Brazilian writer and researcher who has dedicated the last twenty years to Quiroga's translation and research The research uses several unknown or lesser known documents as well as newspapers and magazines from the beginning of the 20th century found in libraries and archives in Argentina Brazil Germany and Uruguay The book is written against a contemporary background and focusses on the humanization of Quiroga and the participation of until now marginalized women in his personal and public life such as Alfonsina Storni and Norah Lange allowing the construction of an image which is less monumental and more complex in its

contradictions De la selva y otros cuentos Horacio Quiroga,1999 Horacio Quiroga was a master storyteller author of Latin American fiction This book is an anthology **Cuentos escogidos** Horacio Quiroga,1992 **Postcolonial Approaches to Latin American Children's Literature** Ann González,2018-01-31 In this volume González explores how the effects of a traumatic colonial experience are re presented to Latin American children today almost two centuries after the dismantling of colonialism proper Central to this study is the argument that the historical constraints of colonialism neocolonialism and postcolonialism have generated certain repeating themes and literary strategies in children s literature throughout the Spanish speaking Americas From the outset of Spanish domination fundamental tensions emerged between the colonizers and native groups that still exist to this day Rather than a felicitous mixing of these two opposing groups the mestizo is caught between contrasting worldviews contending explanations of reality and different values beliefs and epistemologies that is different ways of seeing and knowing Postcolonial subjects experience these contending cultural beliefs and practices as a double bind a no win situation in which they feel pressured by mutually exclusive expectations and imperatives Latin American mestizos therefore are inevitably conflicted Despite the vastness of the geography in question and the innumerable variations in regional histories oral traditions and natural settings these contradictory demands create a pervasive dynamic that penetrates the very fabric of society showing up intentionally or not in the stories passed from generation to generation as well as in new stories written or adapted for Spanish speaking children The goal of this study therefore is to examine a variety of children s texts from the region to determine how national and hemispheric perceptions of reality identity and values are passed to the next generation This book will appeal to scholars in the fields of Latin American literary and cultural studies children s literature postcolonial studies and comparative literature **Cuentos de la selva = Сказки сельвы.
