centuries studies the relationship between the informal institution of the family and such formal social institutions as medicine the law organized politics and the church The author focuses primarily on middle and upper class families for whom adequate documentation is available and shows the change from a patriarchal model of the family to one that was more conjugal and nuclear a change necessitated by an insecure and urbanizing economy Nevertheless Bahian families maintained many traditional values and traditional kin networks The author examines the daily life and dynamics of households including what is known about lower class families where consensual arrangements were the norm He looks at the history of the medical profession the legal profession and the Catholic church and he describes the attempts of each group to mobilize the family for its own political social and cultural ends The author argues that family ideology and families themselves resisted and transformed the efforts of these institutions to impose their will The book also deals with the changes and continuities in Bahian attitudes and beliefs about courtship honor and the place of women as well as the ways in which Bahians projected a familial ethic onto social relations outside the home Within families conduct was governed by a belief in the traditional rituals of life in the family circle weekly family dinners at the table of an older relative residence in family compounds around an old mansion or in several apartments of a single building nepotism in public bureaucracies and the management of both small and large businesses by families and their relatives Although these patterns of family life were transformed over time this study demonstrates that such traditions did survive even thrive well into the twentieth century *Rick Steves Portugal* Rick Steves,2015-03-03 You can count on Rick Steves to tell you what you really need to know when traveling in Portugal With this guide you ll explore this relaxed country at the western edge of Europe Tour Lisbon s cobbled lanes and grand squares reminders of Portugal s seafaring glory days Step back into history at the palaces in Sintra and the bone chapel of vora Soak up the sun at the Algarve beach of your dreams When evening comes enjoy a dinner of fresh seafood stew and raise a glass of port wine in a toast Rick s candid humorous advice will guide you to good value hotels and restaurants He ll help you plan where to go and what to see depending on the length of your trip You ll get up to date recommendations about what is worth your time and money More than just reviews and directions a Rick Steves guidebook is a tour guide in your pocket *Let's Go* ,2008 *Brazilian Bulletin* ,1954 *Universal Hunks* David L.,2013-11-15 A lively wide ranging pictorial history of muscular men around the world from the nineteenth century to the 1970s *Brilliant, Crazy, Cocky* Sarah Lacy,2011-01-06 An unforgettable portrait of the emerging world s entrepreneurial dynamos Brilliant Crazy Cocky is the story about that top 1% of people who do more to change their worlds through greed and ambition than politicians NGOs and nonprofits ever can This new breed of self starter is taking local turmoil and turning it into opportunities making millions creating thousands of jobs and changing the face of modern entrepreneurship at the same time To tell this story Lacy spent forty weeks traveling through Asia South America and Africa hunting down the most impressive up and comers the developed world has never heard of yet The individuals profiled in Brilliant Crazy Cocky are distinct products of their own cultures yet they share that
