Robert R. Redfield

Game Of My Life:

Game of My Life Virginia Tech Mike Harris, 2006 Virginia Tech's Shayne Graham trots onto the field at West Virginia on November 6 1999 with two thoughts in his mind One is a missed field goal that would have beaten Miami a year earlier The other is the 44 yard field goal he is about to try against the Mountaineers a kick he must make if the Hokies are to stay unbeaten and on track for a national championship Head down he focuses on his mark as the ball is snapped He steps forward the dream of an entire team resting with his leg Now hear Graham's memory of that kick in his own words for the first time *Game of My Life* Virginia Tech celebrates the extraordinary football and basketball moments that have shaped the college's rich athletic heritage Through interviews with some of the school's most prestigious athletes Hokies fans can relive the big games that defined the school's winning tradition Carroll Dale later a fixture with the Green Bay Packers dove arms outstretched to haul in a crucial two point conversion in a 1957 game against the University of Richmond Les Henson shot from the baseline the other baseline as the clock neared zero against Florida State in 1980 Chris Smith went well beyond the double double standard for points and rebounds How about 30 and 31 against Marshall in 1959 Corey Moore made life miserable for Clemson quarterback Brandon Streeter one night in 1999 Bruce Smith did the same for Duke quarterback Ben Bennett in 1983 The Hokies Jim Pyne meanwhile made sure Syracuse's Kevin Mitchell didn't do the same to Tech quarterback Maurice DeShazo in 1993 Carlos Dixon Mike Imoh Andre Davis Dell Curry Bryan Still Don Strock Bryan Randall all the Tech greats from the gridiron and hardwood are in these pages including coach Frank Beamer Join thousands of Virginia Tech fans in remembering these cherished stories For the athletes within these truly were the games of their lives

In the Game Peggy Garrity, 2025-07-30 Peggy Garrity began her life as a small town Irish Catholic girl in the Midwest Initially convent bound she became determined to escape a life like her mother's and in the mid 1970s she reinvented herself as a high profile Los Angeles trial lawyer and single mother of four At a time when there were virtually no women solo practitioners she represented David against Goliath and risked it all in the process Including compelling courtroom dramas featuring would be presidential assassin Sara Jane Moore celebrities Clint Eastwood Sondra Locke and Cheryl Tiegs and some of Los Angeles's most notorious murder cases In the Game is the groundbreaking story of a thrill seeking solo trial lawyer and single mother who beat the odds at a time when working mothers especially those in male dominated professions like the law faced the gauntlet of discrimination

The Addiction Game Megan Z. Ellis, 2025-02-10 Hi I'm Megan and I had a gambling problem If you're reading this chances are you already know that gambling can be more than just a game It can feel like a battle one that challenges your control your mental peace and even your future I've been there I've felt the rush of winning the excitement of hearing the ding of the machine and the hope that maybe just maybe this time would be different But I also know the pain of losing how that whirr of the reels spinning could easily turn into a feeling of despair It's not easy to admit when something has such a strong grip on you but trust me there's hope and there's a way out And that's exactly what this book is here to help you with understanding what's going on and offering you the tools and

support you need to break free from gambling's hold. In this book I'll walk you through my personal journey with gambling addiction from the thrill of the first win to the crushing consequences of losing control. It's easy to brush it off when it's just a few bets here and there but over time it can slowly take over. I get it. Gambling addiction can feel isolating and confusing; it doesn't look the same for everyone. For some it's an occasional slip something they can shake off. But for others like me it's a slow burn that creeps into every aspect of life making you feel trapped. I'll help you understand how gambling takes hold. I've experienced firsthand the powerful way the brain gets hijacked by the constant highs and lows. I remember the clink clink clink of the slot machine as the reels spun and how every ding seemed to promise something better. But beneath all of that excitement lies an illusion: the belief that we can control it, that this time we'll win. I dive into the psychology of gambling in this book explaining how our brains get caught in the cycle and why we keep returning even when we know the odds are stacked against us. But it's not just about the mental grip of gambling; it's also about the very real consequences it has on your life. From the mounting debts to the strain on your health to the damage it can do to your relationships, gambling addiction leaves deep scars. And though it's tough, it's important to remember you're not alone in this. I'll share practical advice on therapy, support groups, and other treatment options that can help you take the first steps toward healing. Recovery is a journey and it's not always linear. But it's absolutely possible. Throughout this book I'll share stories of hope and resilience, stories of people who've been through the struggle and come out the other side stronger and more balanced. I want you to feel encouraged and supported knowing that you're not alone and that there are real steps you can take today to regain control of your finances, your health, and your happiness. If you've ever felt trapped by gambling, I want you to know that there is a way out. It starts with understanding what's happening inside your mind and acknowledging the hold that gambling has on you. *The Addiction Game* is your roadmap to breaking free, finding hope, and reclaiming your life. It's a compassionate, non-judgmental guide for anyone ready to step away from the cycle and create a healthier, more balanced life. I'm here to share my story with you, and I'm rooting for you to take the first step too. I know how hard it can be, but I also know how incredibly freeing it is to reclaim control over your life. Ready to take that first step? Let's do this together.

Play Your Bigger Game

Rick Tamlyn, 2013-10-01

More than just a book, *Play Your Bigger Game* is a concept that will take you only nine minutes to understand but a lifetime to play. It was designed from the premise that life itself is one big game. And if it is, then why not play one that excites, fulfills, and challenges you to develop and express your talents completely? By the way, there's nothing wrong with wanting that. It's a natural expression of who we are, and since each of us is blessed with talents, we're naturally hungry to develop and put them to use. Too often we suppress that desire for full engagement and self-expression because we think it's the grown-up thing to do. We consciously turn down our hunger dials because we're afraid of expecting too much from life. We also think, "If I settle for less, I won't be disappointed." *Play Your Bigger Game* was created to counteract that self-limiting, fear-based approach to life. It's also designed to keep you forever in play, meaning that you'll never be stuck again.

since you'll always have the game board to guide your next move Michelangelo said The great danger for most of us lies not in setting our aim too high and falling short but in setting our aim too low and hitting the mark This book is not just about making a living it's about making an impact Curiously enough I find that once players begin to make a positive impact their incomes often rise too Still if you're interested in simply making a living and just surviving in life I'm afraid that this book is not for you If you want to make an impact in the world and thrive in your life while earning a very good living please read on The purpose of this book is to Reveal the Bigger Game player you already are help you find the Bigger Games that excite and challenge you to fully deploy all of your energy and gifts teach you to consciously design the person you're destined to become allow you to feed the hunger in your soul help you to make a major impact and allow you to leave a lasting legacy
