

Consequences (game)

From Wikipedia, the free encyclopedia

Consequences is an old [parlour game](#) in a similar vein to the [Surrealist game](#) *exquisite corpse* and *Mad Libs*.^[1]

Each person takes a turn choosing a word or phrase for one of eleven questions, in this order.

1. Adjective for man
2. Man's name
3. Adjective for woman
4. Woman's name
5. Where they met
6. He wore
7. She wore
8. He said to her
9. She said to him
10. The consequence was... (a description of what happened after)
11. What the world said

Then the story is read (for example):

Mediocre Joe met transparent Kim at the bowling alley. Joe wore a seafoam green leisure suit. Kim wore a sandwich board. Joe said to Kim "During the last storm, we had a little party in the mud." Kim said "She wasn't that into me." As a consequence, the band got back together. And the world said "Somehow, I think I saw this coming."

The game is traditionally played by writing the words on paper and folding the paper to hide the previous words before passing it to the next player.

Game Of Consequences
