Knight,2009-11 A Call to the Black Man Give ear to what I m about to say What in the world happened It s not supposed to be this way We fought so hard for freedom And you have put me back in chains Commitment trust seems to be bad words I m in bondage to your mind games Remember you have a mother sister or daughter But it was me you gave the ring I have come to this conclusion I don t need a king TO BE A QUEEN I ve had to raise the children alone Like when the master sold you astray Now I have to look for you And again you ve become a runaway A man that can walk out on his family Is a part of slavery s aftermath But enough with the dumb stuff The past is the past I am

still that woman Who made you feel like a man Now you are so out of place Still you want me to understand Another form of rejection I m asking myself what s wrong with me Why am I always to blame For your misplaced priorities Either you get it together Either you are right or you are wrong I can raise the children with you I should not have to do it alone Come inside these pages Allow me to tailor you to fit Coming from the strength of this Whole Woman I should not be penalized for it I m going to speak to the Whole Man in you Like I do in our time of intimacy That s when I give you the freedom to be you And you give me the freedom to be me Men are checking me out right now Making statements and my how they do flatter They ask Why are you alone or single Realize I do have a choice in the matter I was asked if I were to define the book WHOLE in one sentence what would I say WHOLE is a groundbreaking ground shaking revolution that demands results I recall the day as though it was yesterday I stood in the mirror looking at a reflection of defeat never knowing if I would reach my God ordained destiny All my dreams hopes and desires devastated I was distraught frail and I had gone from a size 12 to a size 6 I was beyond distressed I was destroyed Lifelines can come in many ways I knew I wanted and needed to come out but I didn t know how This is the time when I had to get real with myself and everyone else so I threw out a lifeline I made a simple telephone call to a friend and the Revolution began
