## **Games Afoot Mrs Hudson:**

**The Game's Afoot, Mrs. Hudson** Sydney Hosier, 1998 Staying at a charming Brighton Inn Mrs Emma Hudson and her dear companion Violet Warner relish the resort's colorful history including ghosts and an unsolved jewel theft Late one evening the sounds of a scuffle on the floor above them lead Emma and Vi to the lifeless corpse of a fellow guest The local authorities rule that the death was accidental but Mrs Hudson thinks otherwise So the game's afoot as Emma begins a spirited investigation aided by Vi and the resident specters

**The Game Is Afoot** Marvin Kaye, 1995-02-15 A collection of parodies on the subject of Sherlock Holmes by a variety of writers Holmes fighting the Nazis solving the mystery of Little Red Riding Hood Holmes in Tibet in Oz one story even discusses his parentage

**Sherlock Holmes** Arthur Conan Doyle, 2009 The hangman did his job Dr Watson declared the condemned man dead and yet Lord Blackwood has emerged from the tomb to assert his deadly will over 1890 London Is he in league with the forces of hell itself Is the whole Empire in peril It's a

**Letters to the Editor** Alan McPhee, 2005 Who fired the single shot that killed Damon Pound QC as he sat beside his pool smoking his cigar and drinking a single malt Scotch What was the secret project he was working on before his death and what did it have to do with the North American Free Trade Agreement Was his death politically motivated Could the CIA be involved Or was his murder an act of personal revenge These were the questions that plagued veteran RCMP Inspector Steven Marchant as he tried to put the jig saw pieces together A dissident group Citizens for Justice claimed responsibility for the murder but Marchant wasn't convinced And why did he feel the shooter wanted to be caught The story is a battle of wits between two men leading to a dramatic courtroom drama with a completely unexpected conclusion In the end only Inspector Marchant and the shooter know the whole story

**Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of **Mystery Women** as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period

from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *beast of the baskervilles* , *Mrs Hudson and the Malabar Rose* Martin Davies,2015-10-19 Sherlock Holmes and Mrs Hudson are faced with a new challenge Dangerous magicians Precious gems Dastardly Plans Sherlock Holmes is just the man But what if Holmes isn t the only brains at Baker Street As snow falls on Baker Street the wintry city is abuzz with excitement the Malabar Rose a fabled and enormous ruby has been sent as a gift to Queen Victoria by the Marharajah of Marjoudh An extraordinary condition is attached the gem must be displayed at London s sumptuous Blenheim Hotel How can the safety of this priceless jewel be assured The authorities wisely enlist the help of Sherlock Holmes and his colleague Dr Watson but fortunately for them they are also on the receiving end of help from Holmes s redoubtable housekeeper Mrs Hudson and her able assistant Flotsam the housemaid The Malabar Rose isn t the only exotic attraction stirring up excitement in the city however World famous magician the Great Salmanazar will be amazing the lucky few who can secure tickets at a once in a lifetime spectacular Not only that but the world s most beautiful woman the glamorous if rather risqu fire dancer Lola Del Fuego will be joining him on the bill With all this excitement and a peculiar disappearance in Ealing Mrs Hudson and Flottie have their hands full this festive season Their investigations take in snow shrouded streets a toyshop full of wonders a tumultuous Covent Garden as the New Year rings in and even theatre dressing rooms in Stepney This fresh twist on classic Victorian mystery will delight fans and new readers alike Martin Davies grew up in north west England In addition to the Holmes Hudson Mysteries he is the author of four other novels including The Conjurer s Bird which sold over 150 000 copies and was selected for the Richard Judy Book Club and Havana Sleeping which was shortlisted for the 2015 CWA Historical Dagger award He works as a consultant in the broadcasting industry *The Immortals* Matthew J Elliott,2013-10-23 An invaluable companion to both the UK and US hit series analysing each episode including the un filmed pilot for Elementary identifying trivia offering criticism and considering Canonical fidelity **Sherlock Cat and the Thwarted Thespian** Heather Edwards,2024-01-08 The director threw himself into a seat in the front row of the theater before hollering Start at the beginning of the play That s when the magic happened The thick red curtains swept apart and suddenly we were looking at 221B Baker Street It was just as I d imagined it there were two chairs in front of a fireplace a skull sitting on the mantelpiece next to a stack of letters that had been stabbed into the wood with a knife There was even a violin sitting on one of the chairs And then Sherlock Holmes The Great Detective himself came onstage wearing a swirling cape and deerstalker hat Beside me Sherlock s eyes widened Watson do you know what this means he whispered No I whispered back What It means Sherlock gasped that Sherlock Holmes is real And once again the game was afoot The Apocryphal Cases of Sherlock Holmes R. Wolfgang Schramm,2010-06-15 R Wolfgang Schramm has created three science fiction style Sherlock Holmes stories in the Conan Doyle manner Fans of the great consulting detective will enjoy Holmesacute and Watson s adventures as they attempt to unravel some of the most baffling

and well known mysteries of the last century Follow along with Holmes and Watson as they attempt to find the Loch Ness monster uncover the secrets of the Shroud of Turin and find the explanation for the enormous explosion that occurred in the Tunguska region of Russia in 1908 Although a work of fiction Schramm has made every effort to remain true to the historical facts in each of these three narratives What actually happened is left as an exercise for the reader to determine for history is not necessarily what happened but what has been recorded thus what is contained in these works is only one possible version of the truth Even though Holmes and Watson are fictional characters these stories in which they play a part are not without validity since they are based on actual facts and Holmes methods of problem solving mirror our modern use of the scientific method in the sciences and in criminal investigation The Apocryphal Cases of Sherlock Holmes is lavishly illustrated It contains 20 sketches by Artist Anne Foreman that literally bring the characters to life      **Sherlock Holmes and the**

**Limehouse Horror** Philip Pullman,2001 In a play that both dramatizes and makes fun of the Sherlock Holmes stories the great detective and Dr Watson investigate a report of the Giant Rat of Sumatra and match wits with Professor Moriarty

**Sherlock Holmes from Screen to Stage** Benjamin Poore, 2017-08-24 This book investigates the development of Sherlock Holmes adaptations in British theatre since the turn of the millennium Sherlock Holmes has become a cultural phenomenon all over again in the twenty first century as a result of the television series Sherlock and Elementary and films like Mr Holmes and the Guy Ritchie franchise starring Robert Downey Jr In the light of these new interpretations British theatre has produced timely and topical responses to developments in the screen Sherlocks stories Moreover stage Sherlocks of the last three decades have often anticipated the knowing metafictional tropes employed by screen adaptations This study traces the recent history of Sherlock Holmes in the theatre about which very little has been written for an academic readership It argues that the world of Sherlock Holmes is conveyed in theatre by a variety of games that activate new modes of audience engagement *Sherlock Holmes Is Like: Sixty Comparisons for an Incomparable Character* Christopher Redmond, 2019-01-07 What do Superman Gertrude Stein the Beatles Lord Shiva the Wizard of Oz and Hermione Granger have in common They share essential characteristics with iconic detective Sherlock Holmes explored in *Sherlock Holmes is Like Sixty Comparisons for an Incomparable Character* In his introduction editor Christopher Redmond says The essays in this collection are not an analysis of what Sherlock Holmes is like brilliant unsociable hawk nosed but rather case studies of whom he can be said to be like Their sixty suggestions range across centuries and continents and include figures from belief and legend as well as from contemporary fiction and film Some are household names while others will be unknown to nearly all readers In each case while the author has been encouraged to provide an introduction to the character in question the ultimate purpose of the comparison is to shed light on some aspect of the character of Sherlock Holmes whose complexities are far from exhausted more than 130 years after he was introduced to a curious readership **The Game is Afoot** David L. Hammer, 1983 **For the Sake of the Game** Laurie R King, 2018-12-04 For the Sake of the Game is the latest volume in the award winning series from New York Times bestselling editors Laurie R King and Leslie S Klinger with stories of Sherlock Holmes Dr Watson and friends in a variety of eras and forms King and Klinger have a simple formula ask some of the world s greatest writers regardless of genre to be inspired by the stories of Arthur Conan Doyle The results are surprising and joyous Some tales are pastiches featuring the recognizable figures of Holmes and Watson others step away in time or place to describe characters and stories influenced by the Holmes world Some of the authors spin whimsical tales of fancy others tell hard core thrillers or puzzling mysteries One beloved author writes a song two others craft a melancholy graphic tale of insectoid analysis This is not a volume for readers who crave a steady diet of stories about Holmes and Watson on Baker Street Rather it is for the generations of readers who were themselves inspired by the classic tales and who

are prepared to let their imaginations roam freely      *The House at Baker Street* Michelle Birkby, 2016-02-25 Behind every detective stands a great woman When Sherlock Holmes turns down the case of persecuted Laura Shirley Mrs Hudson the landlady of Baker Street and Mary Watson the wife of Dr Watson resolve to take on the investigation themselves From the kitchen of 221b the two women begin their inquiries and enlist the assistance of the Baker Street Irregulars and the infamous Irene Adler A trail of clues leads them to the darkest corners of Whitechapel where the fearsome Ripper supposedly still stalks They soon discover Laura Shirley is not the only woman at risk the lives of many others are in danger too As Mrs Hudson and Mary Watson put together the pieces of an increasingly complex puzzle the investigation becomes bigger than either of them could ever have imagined Can they solve the case or are they just pawns in a much larger game It is time for Mrs Hudson and Mary Watson to emerge from the shadows and stand in the spotlight
