Gangbusters Death On The Docks:

Twin Memoirs Robert W. Parsons, 2018-01-30 The continuing saga of the DeMarco brothers begins with book 3 as they both struggle through college The inheritance the twins received from some mystery man would not only bring change in their lives but also in the life of their mother This event will forever change their future their journey and their story Years of intense study at college prepare the boys for this new global adventure New people enter their lives which results in great friendships and eventually business associates Book 4 continues as the DeMarco brothers run the gauntlets of Wounded Knee in the early 70s the building of the town of Eagleton Colorado high in a valley of the Rocky Mountains in the late 70s and the sky tower the DeMarco international headquarters in downtown Denver being built in the early 80s Several deaths occur natural deaths because we all grow old But as one dies others are birthed and the story of the brothers continue Within the same family to be quite honest and somewhat crude out with the old and in with the new More secrets are revealed old friendships are reunited challenges lie ahead dreams come true and new adventures begin Murder, Inc., and the Moral Life Robert Weldon Whalen, 2016-09-01 In 1940 and 1941 a group of ruthless gangsters from Brooklyn s Brownsville neighborhood became the focus of media frenzy when they dubbed Murder Inc by New York World Telegram reporter Harry Feeney were tried for murder It is estimated that collectively they killed hundreds of people during a reign of terror that lasted from 1931 to 1940 As the trial played out to a packed courtroom shocked spectators gasped at the outrageous revelations made by gang leader Abe Kid Twist Reles and his pack of criminal accomplices News of the trial proliferated throughout the country at times it received more newspaper coverage than the unabated war being waged overseas The heinous crimes attributed to Murder Inc included not only murder and torture but also auto theft burglary assaults robberies fencing stolen goods distribution of illegal drugs and just about any illegal activity from which a revenue could be derived When the trial finally came to a stunning unresolved conclusion in November 1941 newspapers generated record headlines Once the trial was over tales of the Murder Inc gang became legendary spawning countless books and memoirs and providing inspiration for the Hollywood gangster movie genre These men were fearsome brutes with an astonishing ability to wield power People were fascinated by the gangster figure which had become a symbol for moral evil and contempt and whose popularity showed no signs of abating As both a study in criminal behavior and a cultural fascination that continues to permeate modern society the reverberations of Murder Inc are profound including references in contemporary mass media The Murder Inc story is as much a tale of morality as it is a gangster history and Murder Inc and the Moral Life by Robert Whalen meshes both topics clearly and meticulously relating the gangster phenomenon to modern moral theory Each chapter covers an aspect of the Murder Inc case and reflects on its ethical elements and consequences Whalen delves into the background of the criminals involved their motives and the violent death that surrounded them New York City s immigrant gang culture and its role as Gangster City fiery politicians Fiorello La Guardia and Thomas E Dewey and the choices they
