behind suburban white picket fences in a pattern repeated all across America While the gangs growth has provoked a nationwide panic and a decade of federal and local law enforcement crackdowns she asks why their spread is so prevalent and what it reveals about the fractures in American society Gangs in Garden City not only explores our false assumptions about these gangs but also shows how immigration raids rising incarceration rates suburban decay and inadequate funding of our nation s schools have worsened an alarming situation Fearlessly reported and sensitively told Gangs in Garden City unveils a hidden troubling world that exists in the shadows of our own Garland shows how the gangs next door will continue to spread and thrive if we do not act quickly to uproot them
