Ganymede Club:

The Ganymede Club , *The Ganymede Club* Charles Sheffield, 2013-06-24 Lola Belman was a refugee She and her younger brother were on one of the last ships to leave Earth as the bombs began to fall by the time they left lunar orbit they were orphans Lola is now practicing as a therapist on Ganymede and she has a new patient whose past is a mystery During those years of chaos many records were lost and histories forgotten and it was an ideal time for anyone who wanted to conceal his or her identity Now there is a small dangerous group who will stop at nothing to keep Lola from exploring the past and discovering their existence Aanmerkingen der afdeelingen [van de 2de Kamer der Staten-Generaal,] omtrent de zes eerste [7de, 8ste, 9de, 10de en 11de] titels van het tweede [2de] boek van het Wetboek van Koophandel [is] Observations des sections [de la 2e Chambre des États-Généraux] sur les six premiers [7, 8, 9, 10 et 11] titres du livre 2 du code de commerce , 1825 **Jeeves and the King of Clubs** Ben Schott, 2024-09-24 Jeeves and Wooster are spies for the English Crown in this delightful homage to P G Wodehouse impossible to read without grinning idiotically Evening Standard UK The misadventures of Bertie Wooster and his incomparable personal gentleman Jeeves have delighted audiences for nearly a century Now bestselling author Ben Schott brings this odd couple back to life in a new tale full of the hijinks entanglements imbroglios and Wodehousian wordplay that readers love In this madcap adventure the Junior Ganymede Club an association of England s finest butlers and valets is revealed to be an elite arm of the British secret service Jeeves must ferret out a Fascist spy embedded in the highest social circles and only his hapless employer Bertie can help Unfolding in the background are school chum capers affairs of the heart antics with aunts and sartorial set tos Energized by Schott s effervescent prose and fully authorized by the Wodehouse Estate Jeeves and the King of Clubs is a delight for lifelong fans and the perfect introduction to two of fiction s most beloved comic characters **The Curse** Pelaam, 2024-10-26 Marcus runs a modest bookshop and is delighted when his boyfriend Jonathon proposes But then the nightmares begin the image of an angel in a vast darkened cellar or of him unable to move with Jonathon in danger There also seems to be someone following him When Jonathon has to return to his family home to take possession of his grandmother s inheritance Marcus insists on going with him While staying in the nearby inn Marcus meets a woman who cautions him offering him a medallion for protection To Marcus s surprise he receives a summons to his guardian s home on All Hallow s Eve for Lord Kyrin to discuss his own inheritance But this is the start of the real nightmare for Marcus He and Jonathon will need to fight for their lives and break a curse that s taken the lives of many before **Behind Closed Doors** Seth Alexander Thévoz, 2022-07-28 With a keen eye for the juicy anecdote Th voz tells the fascinating and entertaining story of the rise decline and resurgence of London s private members clubs from the late eighteenth century to the present day In doing so he looks at cultural and political developments beyond the clubs revealing how while the clubs may have been products of their city and country they also exerted significant influence on London Britain and places far beyond This is a chronicle as informative as it is entertaining of

the ups and downs of London clubland and how it had an impact on parts of the world far from London It is packed with amusing anecdotes and illustrative examples of the growth of this quirky unique institution which grew to spread around the world London though with its four hundred clubs was always at its heart Th voz reveals how everything we might have thought we knew about these clubs is wrong They may have started out as white male aristocratic watering holes but that s only part of the story All sections of society built their own clubs and lived their lives there highbrow and lowbrow women and men working class middle class and upper class international and British The club has been central to a distinctively British form of leisure over more than three centuries Behind Closed Doors is a distillation of a decade of research and writing on London clubs based on exclusive behind the scenes access to archives and proceedings as well as a love of gossip and scandal

The Server Markus Krajewski,2018-01-01 A cutting edge media history on a perennially fascinating topic which attempts to answer the crucial question Who is in charge the servant or the master Though classic servants like the butler or the governess have largely vanished the Internet is filled with servers web ftp mail and others perform their daily drudgery going about their business noiselessly and unnoticed Why then are current day digital drudges called servers Markus Krajewski explores this question by going from the present back to the Baroque to study historical aspects of service through various perspectives be it the servants relationship to architecture or their function in literary or scientific contexts At the intersection of media studies cultural history and literature this work recounts the gradual transition of agency from human to nonhuman actors to show how the concept of the digital server stems from the classic role of the servant

The Unseen Jeeves Duke Harris Durfee,2025-07-13 Fans of P G Wodehouse can rejoice A recent discovery in the vaults of the Junior Ganymede Club brings us new stories A standard oaken barrique of the famous 1929 Pomerol vintage turned out to be a dummy Performing a bung check the wine steward found that pressure on the cork unlatched the front of the barrel and revealed hidden shelves full of papers within The documents concealed within had been suppressed They consist of a cache of memorabilia collected by members of the club from the late 1800s through the early 1900s never publicly revealed The newly uncovered trove includes accounts by the club s most famous member Reginald Jeeves which document previously unknown exploits of his equally famous or at least notorious employer Bertram Wooster ESQ

Ann Rea,2017-05-15 While he is best known for his Jeeves and Bertie Wooster stories P G Wodehouse was a prolific writer who penned many other novels stories and musical comedy libretti the latter of which played an enormous role in the development of American musical theater This collection re examines Wodehouse in the context of recent scholarship on the middlebrow attending to his self conscious relationship to the literary marketplace and his role in moving musical comedy away from vaudeville s lowbrow associations towards the sophistication of the Wodehouse style The focus on the middlebrow creates a critical context for serious critical consideration of Wodehouse s linguistic playfulness and his depictions of social class within England The contributors explore Wodehouse s fiction and libretti in reference to philosophy depictions of masculinity World War I Britain the periodical market ideas of Englishness and cultural phenomena such as men s fashion food culture and popular songwriting Taken together the essays draw attention to the arbitrary divide between high and middlebrow culture and make a case for Wodehouse as a writer whose games with language are in keeping with modernist experimentation with artistic expression The Age of Anxiety W.
