GARDENING TIPS

- Successional sowing avoid glut of crops - Sow in small quantities every few weeks.
- Do not let your plants go to seed if you wish to continue harvesting them.
- Always read the packets and follow the instructions, if different to above.

- Grow disease and pest free varieties to save time.
- Herbs are easy to grow and look great in pots.
- If you don't have a great deal of space, try sowing lettuces in pots, but remember pots will dry out quicker.
- Take time to water your crops, this is the key to success.
- If you don't have time to sow, buy young plants instead.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
