Hovannisian,2017-07-05 The decades separating our new century from the Armenian Genocide the prototype of modern day nation killings have fundamentally changed the political composition of the region Virtually no Armenians remain on their historic territories in what is today eastern Turkey The Armenian people have been scattered about the world And a small independent republic has come to replace the Armenian Soviet Socialist Republic which was all that was left of the homeland as the result of Turkish invasion and Bolshevik collusion

in 1920 One element has remained constant Notwithstanding the eloquent compelling evidence housed in the United States National Archives and repositories around the world successive Turkish governments have denied that the predecessor Young Turk regime committed genocide and like the Nazis who followed their example sought aggressively to deflect blame by accusing the victims themselves This volume argues that the time has come for Turkey to reassess the propriety of its approach and to begin the process that will allow it move into a post genocide era The work includes Genocide An Agenda for Action Gijs M de Vries Determinants of the Armenian Genocide Donald Bloxham Looking Backward and Forward Joyce Apse The United States Response to the Armenian Genocide Simon Payaslian The League of Nations and the Reclamation of Armenian Genocide Survivors Vahram L Shemmassian Raphael Lemkin and the Armenian Genocide Steven L Jacobs Reconstructing Turkish Historiography of the Armenian Massacres and Deaths of 1915 Fatma Muge Gocek Bitter Sweet Memories The Armenian Genocide and International Law Joe Verhoeven New Directions in Literary Response to the Armenian Genocide Rubina Perroomian Denial and Free Speech Henry C Theriault Healing and Reconciliation Ervin Staub State and Nation Raffi K Hovannisian Turkey and the World Sedat Laçiner,2001 **The Oxford Handbook of Global Realisms** Vaysman,2025-11-04 Realism is an artistic practice that aims to faithfully represent reality Historically it has been practiced across different media from early pictorial art and epic oral narratives through literature and visual arts to film music and digital media However an understanding of what it means to faithfully represent reality is not universal rather it varies from culture to culture The Oxford Handbook of Global Realisms approaches realism as a transnational transhistorical and intermedial global phenomenon It brings the diversity of global realisms to the fore showcasing previously underrepresented and marginalized theories practices forms and media of realist cultural production *Trading with the Ottomans* Despina Vlami,2014-12-05 Arguably trade is the engine of history and the acceleration in what you mightcall globalism from the beginning of the last millennium has been driven by communities interacting with each other through commerce and exchange The Ottoman empire was a trading partner for the rest of the world and therefore the key link between the west and the middle east in the fifteenth to nineteenth centuries much academic attention has been given to the east india Company but less well known is the Levant Company which had the exclusive right to trade with the Ottoman empire from 1581 to 1825 The Levant Company exported British manufacturing colonial goods and raw materials and imported silk cotton spices currants and other Levantine goods it set up factories trading establishments across Ottoman lands and hired consuls company employees and agents from among its members as well as foreign tradesmen and locals here despina vlami outlines the relationship between the Ottoman empire and the Levant Company and traces the company s last glimpses of prosperity combined with slump periods and tension as both the Ottoman and the British empire faced significant change and war she points out that the growth of free trade and the end of protectionism coincided with modernisation and reforms and while doing so provides a new lens through which to view the decline of the Ottoman world

International Orders in the Early Modern World Shogo Suzuki,Yongjin Zhang,Joel Quirk,2013-09-05 This book examines the historical interactions of the West and non Western world and investigates whether or not the exclusive adoption of Western oriented international norms is the prerequisite for the construction of international order This book sets out to challenge the Eurocentric foundations of modern International Relations scholarship by examining international relations in the early modern era when European primacy had yet to develop in many parts of the globe Through a series of regional case studies on East Asia the Middle East Africa and Latin America and Russia written by leading specialists of their field this book explores patterns of cross cultural exchange and civilizational encounters placing particular emphasis upon historical contexts The chapters of this book document and analyse a series of regional international orders that were primarily defined by local interests agendas and institutions with European interlopers often playing a secondary role These perspectives emphasize the central role of non European agency in shaping global history and stand in stark contrast to conventional narratives revolving around the Rise of the West which tend to be based upon a stylized contrast between a dynamic West and a passive and static East Focusing on a crucial period of global history that has been neglected in the field of International Relations International Orders in the Early Modern World will be interest to students and scholars of international relations international relations theory international history early modern history and sociology

Sea of Troubles Ian Rutledge,2023-10-17 In the mid eighteenth century most of the Mediterranean coastline and its hinterlands were controlled by the Ottoman Empire a vast Islamic power regarded by Christian Europe with awe and fear By the end of the First World War however this great civilisation had been completely subjugated and its territories occupied by European powers Sea of Troubles is the definitive account of the European conquest of the Levant and North Africa over three centuries Ian Rutledge reveals the intense imperial rivalry between six European powers Britain France Italy Spain Austria Hungary and Russia who all jostled for control of the trade lands and wealth of the Islamic Mediterranean The competition between these states made their conquest a far more difficult and extended task than they encountered elsewhere in the world Yet as new contenders entered the contest and as rivalries intensified in the early twentieth century events would spiral out of control as the continent headed towards the First World War

Muslim-Christian Relations in Damascus amid the 1860 Riot Rana Abu-Mounes,2022-01-31 On 9 July 1860 CE an outbreak of violence in the inner city Christian quarter of Damascus created shock waves locally and internationally This book provides a step by step presentation of events and issues to assess the true role of all the players and shapers of events It critically examines the internal and external politico socio economic factors involved and argues that economic interests rather than religious fanaticism were the main causes for the riot of 1860 Furthermore it argues that the riot was not a sudden eruption but rather a planned and organised affair
