Economics Of Transition In Laos:

The Economics of Transition in Laos Yves Bourdet, 2000-01-01 This book provides the reader with an intelligent and clear overview of the Lao economy in the past 20 years and is the only book I know of dedicated to purely economic questions Grant Evans Journal of Agrarian Change *Living with Transition in Laos* Jonathan Rigg, 2012-10-12 Laos the Lao People's Democratic Republic is one of the least understood and studied countries of Asia Its development trajectory is also one of the most interesting as it moves from state or perhaps more appropriately subsistence to market Based on extensive original research this book assesses how economic transition and marketisation are being translated into progress or not at the local level and at the resulting impact on poverty inequality and livelihoods It concludes that the process of transition in fact contributes to the growth of poverty for some people and shows how people manage to cope in very unfavourable circumstances

The Political Economy of Asian Transition from Communism Sujian Guo, 2017-11-28 A comparative study of the political economy of the transition from communism in East and Southeast Asian countries China North Korea Vietnam Laos and Cambodia addressing the key theoretical questions generated from the debate between shock therapists and gradualists While accurately defining the pre reform model this book explores the causal variables that have contributed to reform efforts within Asia examining the significance of the sequencing of political and economic transition and the interplay between politics and the economy in determining variations in transition outcomes Comparing the real world experiences of transition nations in communist Asia with Eastern Europe prominent questions are brought to the fore will market capitalism or market socialism prevail after the grand failure of communism This book makes an important contribution to the political economy theory of comparative communist and post communist studies and provides detailed analytical insights that will prove influential in future theoretical work

Laos' Dilemmas and Options Mya Than, Loong-Hoe Tan, 1997 The contributors to this volume identify the major economic issues of the New Economic Mechanism concerning the restructuring of the economy the role of the state and economic management financial restructuring the new directions in agricultural and industrial development and the challenges arising from the opening up of the economy to the stimuli of external trade and inflow of foreign direct investment An economic analysis of human resource development with special emphasis on education and an evaluation of Laos environmental issues are also included

Historical Dictionary of Laos Martin Stuart-Fox, Simon Creak, 2023-02-06 Laos has the smallest population the weakest military and despite rapid economic growth in recent years one of the lowest levels of per capita income in mainland Southeast Asia Yet a glance at the map reveals its strategic location between China and Cambodia and Thailand and Vietnam As Laos was formerly a crossroads for trade routes the socialist government of the Lao People's Democratic Republic seeks to transform the country into a prosperous crossroads at the heart of this rapidly developing region Historical Dictionary of Laos Fourth Edition provides an in depth examination of one of the least known countries in Southeast Asia through a

detailed chronology comprehensive introduction and extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book will be an excellent resource for students researchers and anyone wanting to know more about Laos
