Enriched by an impressive mix of West African voices this text combines theory and application with policy and practice to address socio economic change the pursuit of livelihoods and development within West Africa An Economic History of West Africa A. G. Hopkins, 2014-09-19 This is the standard account of the economic history of the vast area conventionally known as West Africa. Ranging from prehistoric time to independence it covers the former French as well as British colonies.

Foreign Aid, Self-Reliance, and Economic Development in West Africa R. Omotayo Olaniyan, 1996-08-30 This book is a penetrating comparative analysis of the economic development efforts of West African countries. It seeks to illuminate the grey areas in development and to emphasize the appropriate actions that should be taken at all levels in the emerging international economy to ensure sustainable development. Olaniyan examines conceptual and theoretical problems of foreign aid and economic development along with the limitations of the concept of self reliance. The book also features a comparative analysis of the internal and external development problems associated with West African countries including difficulties of collective self reliance at the subregional level. Olaniyan concludes that there are prospects for sustainable development in the area especially if it is internally generated *The Economic Development of West Africa in the Twenty-First Century* Germinal G. Van, 2020-05-27 *The Economic Development of West Africa in the Twenty First Century* is a book of economic theory that seeks to explain empirically how West African nations can develop their respective economies in order to not only increase the living standard of their population but to also stimulate a regional economic growth. The book subsequently presents the introduction of a new economic model to determine how economic growth could potentially occur in West Africa on a long term basis. To demonstrate his analysis the author has combined the elements of public choice theory which emphasize on the political features of an economy and those of the Solow Growth Model which focus on generating economic productivity. The combination of the elements of these two economic tools is designed to determine not the outcome but the process whereby economic growth in West Africa could be stimulated in a long time period **Preparing for the Future**

Sahel Club, 1998 Between 1960 and 2020 the population of West Africa will have increased fivefold even with the most optimistic assumptions of increased contraceptive use. This unprecedented demographic explosion is accompanied by another major change **Regional Economic Integration in West Africa** Diery Seck, 2013-11-18 This book presents a number of key studies pertaining to the most pressing challenges of economic regional integration in West Africa. The issues of monetary coordination, foreign exchange volatility, taxation, savings and macroeconomic convergence are investigated from a regional perspective. The characteristics of West Africa's trade policy are reviewed and assessed in comparison to that of the

Southern African Development Community SADC The extent to which regional integration can tackle the challenge of unemployment is the focus of studies on labour markets Development of the private sector and coordination of regional cross border transportation are examined through the lens of economic collaboration between Arab and African countries The book provides fresh new answers to persistent development questions and sheds new light on long held views that are either incomplete or no longer true It also opens new perspectives on the search for sustainable avenues for Africa s development In this regard it may contribute to the emergence of a new paradigm on Africa s development process and its science based policy oriented implementation Economic History of West Africa Gabriel Ogundeji Ogunremi,E. K. Faluyi,1996 **West African Studies West African Perspectives Resources for Development** OECD,Economic Community of West African States,2009-11-03 Presents a cross cutting analysis of the main development challenges for the West African region and offers suggestions on how to meet them **An Economic History of West Africa** Antony G. Hopkins,2020 This pioneering and celebrated work was the first and remains the standard account of the economic history of the huge area known as West Africa It fills a large gap in African studies provides newcomers with a stimulating point of entry into the subject and contributes to our understanding of wider issues of global underdevelopment **Economic History of West Africa** 'Boluwaji Olaniyan,1971 *Neo-colonialism in West Africa* Samir Amin,1974 Comparison of the economies of Ghana the Gambia and the nine French speaking African countries of West Africa with particular reference to the role of European foreign investment therein covers the historical impact of colonialism on economic development the dependence on foreign trade the plantations and the agricultural economy etc and considers alternatives for improving the balance of payments Bibliography pp 280 to 289 and statistical tables Integration, Development and Equity: Economic Integration in West Africa Peter Robson,2010-11-26 This reissue first published in 1983 is an authoritative study of economic integration among the states of West Africa focusing upon the issues and experience of the four main initiatives for regional integration in West Africa namely the Economic Community of West African States the Mano River Union the Communaut Economique de l Afrique de l Ouest and the recent initiative for the establishment of an economic and monetary union between Senegal and the Gambia **The Political Economy of Regionalism in Africa** S.
