*Ecstasy* Sarah Pain, 2010-01-01 INTRODUCTION After being with J. Viki couldn't but he thought but he felt it was the first time when Viki let with someone else he couldn't help himself because it was with her. Jonathan and Jewell made me know in the early stages of arousal the way she would turn her head with a mere look. The way that both knew the other so intimately that it was almost impossible not to give her the utmost pleasure. I'm fighting to be the person that gives the most to be the least selfish. Although there is in itself a selfishness in wanting to make her love scream your name in ecstasy. The memories made Viki didn't want to whomever he was with her bed with made her aloof to any new experiences. She couldn't remember being with someone who wasn't J. Especially if there was a danger that these new memories would replace her. These experiences end until old feelings happily rekindled that met in EXCERPT Our hands were everywhere then. The desire to reunite ourselves with the other so badly that I felt her nails rake down my back. I knew I would be in the light. Our nipples were hard because my large breasts didn't have a nipple. In the nipple it was almost too much to with. I felt her hand on my chest she pulled me down holding me tightly against her. I moved lightly and adjusted it in between her thigh. I found that our love soaked us in a way splayed wide against her. We moved in union our juices mingling our love. I found myself against her making a gasp and realizing I remember when I was briefly if the night of the rain on my skin would draw out our cries or if she was listening to us but it was a feeling that I easily diminished by the joy of falling down into the lust that filled below me. A moment in time and went through against her with more fervor than ever before. I heard her say Oh Viki I love you. No spoilers but you will love this lesbian story. It's so dirty you will have to clean your Kindle afterward. GENRE LGBT Lesbian WARNING This Book contains mature language and content intended for 18 readers only. Pure Ecstasy Aja James, 2022-01-28 Jade She is a ruthless cunning vampire queen the most powerful amongst all the Hives in the world Beautiful predatory and alluringly dangerous she is a huntress who revels in blood and sexual pleasure Seth He is calm cool and level headedness personified as the most effective negotiator and mediator amongst the Pure Ones Known by the moniker of Monk he thought he could resist any and all temptation 3 years ago they made a deal one that gave the Pure Ones a critical advantage against a deadly foe But the price he paid still haunts him to this day 3 years ago she played a delicious game not realizing until it was almost too late how he changed her entire world Now common enemies force their paths to cross again Only this time the stakes are higher the risk is greater and the love should they choose to claim it will be worth every sacrifice **Episodes of Ecstasy by Jeff Tikari** Jeff Tikari, 2015-10-13 A collection of crisp well written short stories with an Indian backdrop the stories are written in a style that matches the fast paced life trend of today and are pitched to hold one's interest right through to the end where a surprise conclusion leaves a good after glow **The Raptures** Lebusa Monyooe, 2012-08-31 It's a collection of an English poetry covering a plethora of social issues It can be summarized as an expressive genre that engages on personal and social tribulations The name is symbolic in that it both underscores the power of expressive engagement and self gratification that ensues once one has come to terms with social challenges and the will to overcome It above all underscores the enormous

The Veils of the Seven Skies  
- Where Order Meets Ecstasy Chris Tsirkas, 2025-04-09 The Veils of the Seven Skies was born from a personal need to reconstruct the experience of Tragedy not as narrative but as passage In a time where theatre often becomes commentary or spectacle I longed to return to its ritual core a place where sound word and silence become thresholds The work seeks to revive the Sacred in performance not through religion but through the metaphysical weight of form repetition and gesture It is a response to the fragmentation of modern selfhood an offering of self transformation written for a stage that dares to stand still I envision this piece not simply as a play but as a vessel something ancient souls might recognize even if they no longer name it I wrote it so that it might one day be sung by voices who remember how to breathe between the Worlds The play is a philosophical and theatrical experiment that aims to bridge ancient worlds creating a poetic dialogue between the cultural heights of classical Greece and imperial China Its dramatic verse play merges the structure and philosophical depth of Attic Tragedy with the refined aesthetics and performative precision of traditional Chinese Theatre and Opera Set upon a semi operatic vessel reminiscent of 18th century Italian opera this work creates a unique synthesis of two seemingly distant but profoundly resonant artistic worlds The baroque grandeur of the language and spectacle serves the cosmic scope of this East West symbolical encounter The narrative follows Dionysus the Greek god of wine and ecstatic transformation as he

journeys to the Celestial Court of ancient China There his encounter with Princess Lian daughter of the Jade Emperor catalyzes a cosmic dialogue between Eastern discipline and Western spontaneity When the Emperor subjects Dionysus to Five Elemental Trials both cultures must confront their limitations and discover the complementary nature of their seemingly opposed philosophies Through Fire Water Wood Metal and Earth the characters navigate a series of challenges which test not only their physical and spiritual capacities but also their cultural assumptions about order chaos freedom and control The play integrates authentic elements from both traditions the Chorus Choral Odes and dramatic structure of Attic Tragedy alongside the water sleeve techniques shu xi and stylized gestures of Kunqu structural elements of Yuan Zaju and Ming Chuanqi and the codified role types of Peking Opera J ngj Through musicalized verse and detailed choreographic directions this work illuminates universal themes which bind human expression across cultures The play s formal structure honors both traditions while creating something entirely new a theatrical language that speaks to our shared humanity The Veils of the Seven Skies explores timeless questions which have occupied both Eastern and Western philosophical traditions such as How do we balance freedom with form How can tradition embrace change without losing its essence and What happens when seemingly opposite forces discover their shared humanity These questions unfold through characters who embody philosophical principles while remaining emotionally compelling their personal journeys reflecting the larger cultural synthesis at the heart of this work This theatrical experiment demonstrates how Dionysian ecstasy and Eastern harmony can converse in a shared theatrical language transcending time and geography in order to explore the essential balance between chaos and order freedom and form tradition and transformation It stands as both a literary text and a potential performance piece which celebrates the richness of global theatrical traditions a tale of transformation where Seven Veils dissolve revealing the unity beneath our cultural differences The extensive glossary and notes provide context for readers unfamiliar with either tradition making this work accessible to diverse audiences while honoring the depth and complexity of its source material

**The Great Master of Ecstasy** Glenda Beagan,2013-06-01 Past and present real and imagined vsible and invisible worlds collide as Glenda Beagan explores people places and memory Many stories peer into the natural and spirit worlds at times with terrifying results Set in an acutely observed north Wales landscape of trees and hillsides seaside towns and isolated houses owls and foxes the characters within the stries are gently but tellingly revealed from self made men to women emerging from the shadows of others And throughout these tales of inspiration premonition and mental trauma runs a threat of resilient humanity

**Songs of Ecstasy** Hugh B. Urban,2001-11-22 This book offers the first English translation of a body of highly esoteric mystical poetry and songs associated with the Khartabhajas a Bengali sect devoted to Tantrism The period from the late 18th to the early 19th century during which these lyrics were written was an era of change experimentation and transition from the older medieval styles to the new literary forms of modern Bengal The highly original songs presented here are an important part of this transitional period reflecting the search for new literary forms and

experimentation in new poetic styles      **After the Ecstasy, the Laundry** Jack Kornfield, 2001-10-02 Enlightenment does exist internationally renowned author and meditation master Jack Kornfield assures us Unbounded freedom and joy oneness with the divine these experiences are more common than you know and not far away But even after achieving such realization after the ecstasy we are faced with the day to day task of translating that freedom into our imperfect lives We are faced with the laundry Drawing on the experiences and insights of leaders and practitioners within the Buddhist Christian Jewish Hindu and Sufi traditions this book offers a uniquely intimate and honest understanding of how the modern spiritual journey unfolds and how we can prepare our hearts for awakening Through moving personal stories and traditional tales we learn how the enlightened heart navigates the real world of family relationships emotional pain earning a living sickness loss and death Filled with the laughter of the wise alive with compassion After the Ecstasy the Laundry is a gift to anyone who is seeking peace wholeness and inner happiness It is sure to take its place next to A Path with Heart as a spiritual classic for our time      Queen Abhayeshwari Devi and a story of Pain and Ecstasy of a Young Man Hiranya Borah, 2022-12-22 The novel is based on establishment of a new town in Lower Assam Abhayapuri during 1898 1902 by a Queen of Bijni Princely State However the novel does not claim any authenticity of facts and materials from history All the characters are fictitious except the names of kings and queens The protagonist Banamali Das of the novel was a common youth of Bijni princely state who lived during the regime of Queen Abhayeshwari the founder of the present Abhayapuri township He worked initially as a labourer in the construction works of the roads within the township and rose to the post of personal adviser of the Benevolent Queen The character of Banamali and his family are non existent and if however anyone finds any similarity of any living or dead person s with the character of Banamali it is a mere coincidence only      Daria Klimentova - The Agony and the Ecstasy Daria Klimentova, 2013-03-04 Daria Klimentov s sizzling chemistry with Russian dancer Vadim Muntagirov who is nearly 20 years her junior has reignited the prima ballerina s career and marks a metamorphosis after her Black Swan style torments depicted in BBC Four s Agony and Ecstasy the gripping documentary series aired last year There has been a metamorphosis since the old ballerina allowed herself to be browbeaten by domineering choreographer Derek Deane and Daria and Vadim are being applauded as the new Fonteyn and Nureyev But unlike Vadim Daria wasn t raised in a ballet family Born in Prague she was talent spotted as a gymnast when she was five She had a ballet lesson once a week and her teacher advised her parents that ballet might offer a longer career Daria didn t much care but changed her mind once she set her heart on dancing at Prague s National Theatre She became a soloist there at 18 and then spent three years with the Scottish Ballet before joining the ENB in 1996 Her innate tenacity has seen Daria through some tough times Her father a factory mechanic and her greatest fan died from lung cancer when she was newly arrived in London and didn t have many friends When her only brother Radek was killed in a motorcycle accident she cried all day then had to go on stage to dance Giselle That was the greatest pain she has ever known she says It gave her a determination to enjoy life and keep ballet in perspective
