Eglises Et Chrétiens Dans La Iie Guerre Mondiale:

Eglises et chrétiens dans la Iie Guerre mondiale: La France; actes du colloque national tenu à Lyon du 27 au 30 janvier 1978, sous la direction de Xavier de Montclos [et al Xavier de Montclos, Centre régional interuniversitaire d'histoire religieuse, 1978 La Résistance et les Français François Marcot, 1996 *Guerre, paix et désarmement* Erik Poole, Annie Bourret, 1989 *The Jews of Paris and the Final Solution* Jacques Adler, 1987 In this work a former member of the French resistance examines the roles activities and policies of the diverse Jewish organizations that existed in Paris during the German occupation from 1940 to 1944 **Catholicism, Politics and Society in Twentieth-century France** Kay Chadwick, 2000-01-01 Catholicism once the protean monster still functions as a complex component of French identity No consideration of modern France would be complete without reference to the enduring impact and influence of Catholicism on the life of the nation This volume sets out to capture some of the variety and significance of the Catholic phenomenon in twentieth century secular France and to express something of its extraordinary vitality and interest Each contribution focuses on a specific theme or period crucial to an understanding of the role played by French Catholics and their Church Collectively these studies reveal that Catholics were involved in almost every event of consequence and voiced an opinion on almost every issue Equally the volume offers a collage of insights which reflects the fragmentation of Catholic activity and attitudes as the century progressed Being Catholic in modern France no longer means the espousal of a particular political or social agenda Nor does it necessarily mean regular and traditional religious observance or even strict adherence to the dictates of the Church Modern French Catholicism truly has many mansions *Revivalism and Social Christianity* Christophe Chalamet, 2017-09-29 How does one become righteous among the Nations In the case of Henri Nick 1868 1954 and Andre Trocme 1901 1971 two French Protestant pastors who received the title for their acts of solidarity toward persecuted Jews it was because they had been immersed from an early age in the discourses and practices of social Christianity Focussing on the lives of these two remarkable figures of twentieth century Christianity *Revivalism and Social Christianity* is the first study in English on the Social Gospel in French Protestantism Chalamet presents a genealogy of the movement from its emergence in the last decades of the nineteenth century to its high point during World War II in Le Chambon sur Lignon where Trocme and many local people rescued hundreds of Jewish refugees As social Christians who prayed and worked for the coming of God's kingdom on earth in the midst of a society ravaged by two world wars Henri Nick and Andre Trocme combined a deep revivalist faith with a concern for the concrete conditions in which people live **The Nazi Religion and the Rise of the French Christian Resistance** Kathleen Burton, 2022-09-08 If asked to define Nazism most people think of fascism racism antisemitism and the use of propaganda Few people know that Nazism also included a strong religious component Yet it did The Nazi religion was termed Positive Christianity and it is directly cited in Hitler's Nazi Party Platform of 1920 But what was Positive Christianity In this book Kathleen Burton details when and where this

religion was embraced how it was received and critiqued by the prominent theologians of the 1930s and how a combined effort of rogue Catholic priests and Protestant pastors in France aware of the religious threat worked together to fight Nazism during World War II This contributed to the survival of seventy five percent of France s Jewish population Burton concludes by describing what work still needs to be done to fully understand clarify and debunk Nazism s Positive Christianity Today s world is fascinated by the tragic events of World War II yet Hitler s propaganda coup against traditional Christianity is not well known or understood This book closes that gap Catholicism in Britain & France Since 1789 Frank Tallett,1996-07-01 This volume provides an up to date analysis of Catholicism in Britain and France examining various aspects of the faith in the 200 years since the French Revolution By focusing on two countries whose religious establishment and experience were markedly different and by adopting a comparative approach the book is able to offer an unusual perspective on the challenges facing the Catholic church in the modern world and on its impact not only on believers but also on the two societies as a whole **N”mes at War** Robert Zaretsky,2010-11-01 **Religion, Society and Politics in France since 1789** Frank Tallett,1991-07-01 This book has been carefully planned to give a coherent account of the impact of religion in France over the last two hundred years Most books in English dealing with the subject are now dated and in any case concentrate on institutional questions of church state relations rather than on the wider influence of religion throughout France These essays summarise recent French research and provide a concise up to date introduction to the history of modern French Catholicism *Guerres mondiales et totalitarismes (1914-1958)* Jean-Marie Mayeur,Luce Pietri,André Vauchez,Marc Venard,1990-11-01T00:00:00+01:00 Une collection de r f rence sur l histoire du christianisme Deux guerres d une ampleur et d une barbarie sans pr c d ent constituent les rep res majeurs et le ph nom ne totalitaire la note dominante de ce tome XII c t des trois pontificats Beno t XV Pie XI et Pie XII une large place est faite aux grandes r gions plus ou moins christianis es du monde tout comme aux confessions non catholiques en particulier au protestantisme La plupart des questions humaines et spirituelles qui se posent aux hommes d aujourd hui trouvent leurs origines dans cette p riode de terribles bouleversements **Churches and Religion in the Second World War** Jan Bank,Lieve Gevers,2016-03-24 Despite the wealth of historical literature on the Second World War the subject of religion and churches in occupied Europe has been undervalued until now This critical European history is unique in delivering a rich and detailed analysis of churches and religion during the Second World War looking at the Christian religions of occupied Europe Catholicism Lutheranism Calvinism and Orthodoxy The authors engage with key themes such as relations between religious institutions and the occupying forces religion as a key factor in national identity and resistance theological answers to the Fascist and National Socialist ideologies especially in terms of the persecution of the Jews Christians as bystanders or protectors in the Holocaust and religious life during the war Churches and Religion in the Second World War will be of great value to students and scholars of European history the Second World War and religion and theology **La JEC face au**

nazisme et à Vichy Alain-René Michel, 1988 Ce livre veut répondre à une double attente combler une lacune de l'historiographie religieuse contemporaine en faisant revivre l'un des principaux mouvements d'Action Catholique et contribuer à clarifier l'une des périodes les plus complexes de notre Histoire celle de Vichy et de l'Occupation L'étude des publications jacobines et des témoignages recueillis révèle combien la Jeunesse Etudiante Chrétienne s'est opposée au National Socialisme la fois stigmatisée comme menace pour la Chrétienté et perilleuse pour la Démocratie Dès 1938 le mouvement se range ainsi dans le camp des Antimunichois et pendant l'Occupation dénonce dans sa presse le néopaganisme nazi et son influence il condamne tristement par exemple les mesures antisémites de Vichy Et s'il accepte pour un temps et en zone Sud seulement de collaborer la Révolution Nationale c'est dans l'espoir de l'orienter dans une voie résolument chrétienne et d'éviter par là toute dérive totalitaire A partir de 1942 il se range progressivement de côté de la dissidence et anime en 1943 au sein de l'ACJF l'opposition au STO Loin d'être restée silencieuse la JEC peut donc être considérée comme l'un des agents de la Résistance Spirituelle au Nazisme et ses alliés comme en témoigne d'ailleurs l'engagement de nombre de ses militants dans la Résistance active

Religion, Politics and Preferment in France Since 1890 Maurice Larkin, 2002-08-22 This book investigates the problems that committed Catholics allegedly faced if they sought careers in state employment under the Third French Republic Using ministerial and Masonic archives the book explores the broad divergence of practice between individual ministries and between particular governments It also examines the factors that underlay these discriminatory attitudes notably the claims of Catholic involvement in the right-wing subversive activities of the late 1890s at the time of the Dreyfus affair It investigates the increased difficulties that French Catholics faced after the change of pope in 1903 Later chapters explore the degree to which wariness towards committed Catholics in the public services evaporated under later regimes despite the traumas of the Vichy years

Vichy France and the Resistance Roderick Kedward, Roger Austin, 2021-11-21 This book first published in 1985 examines various aspects of the intellectual achievements of writers and artists in the Vichy period a strong emphasis on the ambiguity of much of their work emerges from the research It goes a long way in answering the question of what it was like living under the fascist Vichy regime and what the collaborators and resistance thought about their purpose and patriotism
