The Hong Kong Transition and U.S.-China Relations Michel Oksenberg, 1997 Future Survey Annual 1985 Michael Marien, 1987-01-01 *The U.S.-China Trade War* Louisa Ha, Lars Willnat, 2022-04-01 Drawing on data from three national surveys three content analyses computational topic modeling and rhetorical analysis The U S China Trade War sheds light on the twenty first century s most high profile contest over global trade to date Through diverse empirical studies the contributors examine the effects of news framing and agenda setting during the trade war in the Chinese and U S news media Looking at the coverage of Chinese investment in the United States the use of peace and war journalism frames and the way media have portrayed the trade war to domestic audiences the studies explore how media coverage of the trade war has affected public opinion in both countries as well as how social media has interacted with traditional media in creating news The authors also analyze the roles of traditional news media and social media in international relations and offer insights into the interactions between professional journalism and user generated content interactions that increasingly affect the creation and impact of global news At a time when social media are being blamed for spreading misinformation and rumors this book illustrates how professional and user generated media can reduce international conflicts foster mutual understanding and transcend nationalism and ethnocentrism **Future Survey Annual 1987** Michael Marien, 1988-01-01

Future Survey Annual 1983 Michael Marien, 1984-01-01 **Handbook of US-China Relations** Andrew T.H. Tan, 2016-08-26 This Handbook addresses the key questions surrounding US China relations what are the historical and contemporary contexts that underpin this complex relationship How has the strategic rivalry between the two evolved What are the key flashpoints in their relationship What are the key security issues between the two powers The international contributors explore the historical political economic military and international and regional spheres of the US China relationship The topics they discuss include human rights Chinese public perception of the United States US China strategic rivalry China s defence build up and cyber war *China, Oil and Global Politics* Philip Andrews-Speed, Roland Dannreuther, 2011-05-12 This book provides a critical overview of how China s growing need for oil imports is shaping its international economic and diplomatic strategy and how this affects global political relations and behaviour It draws together the various dimensions of China s international energy strategy and provides insights into the impact of this on China s growing presence across the world *Capitalism: An Unsustainable Future?* Malcolm Sawyer, Jonathan Michie, 2022-03-30 The four decades of neoliberalism globalisation and financialisation have produced crises financial and pandemic and rising inequality The climate emergency threatens the future of the planet This book explores many dimensions of the background to these crises There is the development of policy agendas to address the climate emergency The rise in inequality is studied in terms of impacts of financialisation and the relationships between growth and inequality The record of the neoliberal experiment in the USA is critically examined The roles of financial institutions including public banks and micro finance are

explored as is the need for improved financial oversight in the Economic and Monetary Union The growth of global value chains has been a major aspect of globalisation and the question is examined of whether such chains provide a ladder for development Globalisation has also featured trade imbalances and large capital flows and their causes and effects are examined with respect to China and South Africa respectively This volume will be of great value to students scholars and professionals interested in political economy economic thought climate change sustainability and business studies The chapters in this book were originally published as a special issue of the journal International Review of Applied Economics

Comparative Causal Mapping Mauri Laukkanen,Mingde Wang,2016-03-03 Comparative Causal Mapping The CMAP3 Method by Mauri Laukkanen and Mingde Wang is an introduction to the conceptual backgrounds of causal cognitive mapping and to the typical methods in comparative and composite causal mapping based on either interview or questionnaire primary data or on secondary documentary data The discussed CCM research is supported by CMAP3 a freely downloadable www.uef.fi/cmap3 Windows software platform for CCM studies The book has three parts The first discusses the theoretical underpinnings and methodological issues in causal mapping including the target phenomena and different interpretations of causal maps mapping the motives for using CCM methods and the criteria of method selection The second part focuses on the technical aspects of using CMAP3 in typical CCM research The third part presents three CCM study cases a classical document based study a semi structured interview based SIM study and a methodological study comparing SIM with an electronically administered structured hybrid CCM approach In addition to demonstrating CCM practices they suggest that different methods produce divergent results and are thus not substitutable The research task should determine which CCM approach is appropriate The book will appeal to both academic and professional audiences in particular to doctoral students and experienced researchers looking for new topics and method approaches but also to practitioners in fields such as management and organization studies organizational development public policy and education and knowledge management

The Influence of Economic Interdependence on US-China Relations Frank Mouritz,2021-04-19 In den letzten Jahren hat die Rivalität zwischen den USA und China zugenommen und ein Konflikt um die globale politische Vorherrschaft zeichnet sich ab Aufgrund der starken ökonomischen Vernetzung der beiden Staaten hat es ein offenes gefährliches Konflikt jedoch hohe wirtschaftliche Verluste für beide Seiten zur Folge Vor diesem Hintergrund untersucht das Buch wie hoch die Anreize für beide Seiten sind aufgrund wirtschaftlicher Überlegungen einen Konflikt zu vermeiden und auch zukünftig auf Kooperation zu setzen
