women compete for men's attention a physical model evincing spirituality in action The main characters Rose and Rhahaab in spite of their beauty suffer at the hands of men and are victims of prejudice towards women an instantiation of the subjection of humanity to cosmic forces by men treading on and crushing women Rose a sixteen year old of uncommon beauty turns out to be as fate would have it the seventh wife of a rich old man Frustrated and unhappy with her life as she faces sexual starvation and strife she turns to infidelity suffers blackmail and ends up divorced At this point she resorts to paying men back in their own coins Another pawn of fate Rhahaab as is her portion becomes the mother of a child without a father She faces the problems of Paternity fraud single motherhood and litigations all to make known the deeds pre arrangement and evince the manipulations of the spirit kind Down the line it dawns on Rose and Rhahaab that like the inevitability of death their exploitation by men is their fate that women are made for men they desire men and the protection that comes from serving a husband as testimony witnessing humans need for protection that stems from serving God Nnamso Okon

Ekpenyong is an author of Nigerian origins He is a family physician and has studied and trained at the university of Ibadan He is a father and a husband He is also the Director of clinical services at Golden Care Hospital Lagos Nigeria His previous work is *Women shall be free* God of Tomorrow Caleb Kaltenbach, 2018-05-15 With a voice of reason and grace pastor Caleb Kaltenbach challenges the church to choose the path of hope in response to polarizing cultural issues that are straight from the front pages of today's newspapers Divergent politics immigration issues bullying re defining family racism terrorism new ways of categorizing people and multiple other issues are negatively impacting our communities today Some feel the country we live in now isn't the same one they lived in twenty years ago Culture is consistently changing and many Christians are nervous about what tomorrow will bring However we don't need to worry because we serve the God of tomorrow Culture will always change but God never changes God owns tomorrow He has been in tomorrow prepared tomorrow and will walk with us into tomorrow He will help us handle our ever shifting culture as we journey forward Every cultural issue we deal with today is something that Jesus dealt with in his day The issues are the same they just look different Yet Jesus trusted the God of Tomorrow and knew that he was in complete control Because of his trust in God Jesus engaged culture in a very intentional way and we can do likewise God of Tomorrow includes discussion questions at the end of each chapter providing a great platform for small groups to dialogue about these culturally relevant topics Becoming a Future-Ready Church Daniel Yang, Adelle M. Banks, Warren Bird, 2024-10-22 Are Church Leaders Missing the Generational Handoff There's Still Hope Are we building institutions that will meaningfully serve the next generation of believers and their leaders How does a church thrive in a culture where we have to earn credibility How do we create a sense of belonging to the body of Christ and a strong sense of identity for the next generation Becoming a Future Ready Church is a blueprint to guide you through eight critical shifts to help lead your church into the future with wisdom and hope It describes several major converging trends that will greatly impact the church in America over the next few decades the Great Resignation of Boomer leaders from

churches the shrinking percentage of Christians in America and the change in felt needs among rising generations shaped heavily by anxiety skepticism and fragmentation Missiologist and pastor Daniel Yang religion journalist Adelle Banks and church researcher Warren Bird have come together in *Becoming a Future Ready Church* to help church leaders evaluate whether their ministries are entrenched in strategies that worked well in the past but need to be adapted for the future By helping us ask better questions about the issues and needs facing the church they reveal practical ways in which the next generation of church leaders can gain a sturdier foothold as they navigate into the future **Helping the Small Church**

Win Guests Desmond Barrett, 2024-04-25 The heart behind any revitalization effort is to see the church reach the community and new people with the gospel It should not be about membership tithing or even more people in the pews Those will come if the church is willing to prepare for guests for the greater good of the community There is no silver bullet in winning and keeping new guests but may you find strategies in this resource that will make you think about what more you could do to prepare retain and invite guests into the local church *The Kingdom Focused Church* Gene Mims, 2003-05-01

The Kingdom Focused Church will give you everything you need to achieve your church's full potential and relief from the smorgasbord approach that distracts you from the unique focus nature and mission of the church God has saved for you You'll discover that success doesn't come from copying someone else's ideas or methods but from knowing the biblical model of a church and understanding how to conform your church regardless of size location resources history or any other variable to that biblical pattern Your answer is in knowing the biblical model of a church and understanding where you are which direction you need to head and how to fix things as they break down along the way In Mims warm engaging style he encourages you to discover for yourself why a Kingdom focus will work when all else fails *No Silver Bullets* Daniel

Im, 2017-09-01 What if I told you that you were only one step away from unlocking new levels of maturity and growth in your church The myth of the silver bullet still exists because we desperately want it to We all prefer quick fixes and bandage solutions to the long hard slow work that produces real change So the moment we learn about a new ministry or strategy and see its effect in another church we run to implement it in our own Unfortunately this impulse is usually met by opposition skepticism and ultimately rejection What if the solution isn't a new model or a complicated strategy but a shift in perspective What if you could keep your church's current vision values and model and simply make a few micro shifts leading to macro changes This book explores five micro shifts that have the potential to produce macro changes in your church As you read you will discover how to integrate these micro shifts into the life of your church starting with the way you disciple You will finish by developing a plan to structure communicate and evaluate these changes to ensure that they take root and pave the way for lasting change and kingdom impact **95 Questions to Shape the Future of Your Church** Thomas G.
