**The FWBO and 'Protestant Buddhism'** Sangharakshita (Bhikshu), Sangharakshita, 1992 Tibetan and Zen Buddhism in Britain David N Kay, 2007-02-12 This book analyses the transplantation development and adaptation of the two largest Tibetan and Zen Buddhist organizations currently active on the British religious landscape the New Kadampa Tradition NKT and the Order of Buddhist Contemplatives OBC The key contributions of recent scholarship are evaluated and organised thematically to provide a framework for analysis and the history and current landscape of contemporary Tibetan and Zen Buddhist practice in Britain are also mapped out A number of patterns and processes identified elsewhere are exemplified although certain assumptions made about the nature of British Buddhism are subjected to critical scrutiny and challenged

**Engaged Buddhism in the West** Christopher S. Queen, 2012-11-12 Engaged Buddhism is founded on the belief that genuine spiritual practice requires an active involvement in society Engaged Buddhism in the West illuminates the evolution of this new chapter in the Buddhist tradition including its history leadership and teachings and addresses issues such as violence and peace race and gender homelessness prisons and the environment Eighteen new studies explore the activism of renowned leaders and organizations such as Thich Nhat Hanh Bernard Glassman Joanna Macy the Buddhist Peace Fellowship and the Free Tibet Movement and the emergence of a new Buddhism in North America Europe South Africa and Australia *British Buddhism* Robert Bluck, 2006-09-27 Despite the popularity of Buddhism in Britain there has so far been no study documenting the full range of teachings and practices This book fills this gap and serves as an important reference point for further studies in this increasingly popular field **Buddhism for Today - and Tomorrow** Sangharakshita

(Bhikshu), Sangharakshita, 1995 Sangharakshita strongly believes that the Buddha's fundamental teachings are relevant to modern Western men and women In this book he describes some specific methods of personal development a radical blueprint for a new society and the Buddha's vision of human existence Land of Beautiful Vision Sally McAra, 2007-04-30 Land of Beautiful Vision is the first book length ethnography to address the role of material culture in contemporary adaptations of Buddhism and the first to focus on convert Buddhists in New Zealand Sally McAra takes as her subject a fascinating instance of an ongoing creative process whereby a global religion is made locally meaningful through the construction of a Buddhist sacred place She uses an in depth case study of a small religious structure a stupa in rural New Zealand to explore larger issues related to the contemporary surge in interest in Buddhism and religious globalization Her research extends beyond the level of public discourse on Buddhism to investigate narratives of members of the Friends of the Western Buddhist Order FWBO about their relationship with the land analyzing these and the FWBO's transformative project through a thematic focus on key symbolic landmarks at their site Sudarshanaloka In considering cross cultural interactions resulting in syncretism or indigenization of alien religions many anthropological studies concentrate on the unequal power relations between colonizing and colonized peoples McAra extrapolates from this literature to look at a situation where the

underlying power relations are quite different She focuses on individuals in an organization whose members seek to appropriate knowledge from an Eastern tradition to remake their own society one shaped by its unresolved colonizing past
