Middleton Murry,2019-01-20 Excerpt from Fyodor Dostoevsky a Critical Study Vol 5 I swear to you that though I have received much recognition possibly more than I deserve still the critics the literary critics who certainly have often no rather very seldom praised me nevertheless have always spoken of me so lightly and superficially that I am obliged to assume that all those things which my heart brought forth in pain and tribulation and which came directly from my soul have simply passed unperceived About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Dostoevsky and His Creation; a Psycho-critical Study Janko Lavrin,1920 **The Making of a Counter-culture Icon** Maria R. Bloshteyn,2007-01-01 At first glance the works of Fedor Dostoevsky 1821 1881 do not appear to have much in common with those of the controversial American writer Henry Miller 1891 1980 However the influencer of Dostoevsky on Miller was in fact enormous and shaped the latter s view of the world of literature and of his own writing The Making of a Counter Culture Icon examines the obsession that Miller and his contemporaries the so called Villa Seurat circle had with Dostoevsky and the impact that this obsession had on their own work Renowned for his psychological treatment of characters Dostoevsky became a model for Miller Lawrence Durrell and Anais Nin interested as they were in developing a new kind of writing that would move beyond staid literary conventions Maria Bloshteyn argues that as Dostoevsky was concerned with representing the individual s perception of the self and the world he became an archetype for Miller and the other members of the Villa Seurat circle writers who were interested in precise psychological characterizations as well as intriguing narratives Tracing the cross cultural appropriation and mis interpretation of Dostoevsky s methods and philosophies by Miller Durrell and Nin The Making of a Counter Culture Icon gives invaluable insight into the early careers of the Villa Seurat writers and testifies

to Dostoevsky's influence on twentieth century literature **Dostoevsky: The Brothers Karamazov** William J. Leatherbarrow, 1992-11-26 This textbook series is ambitious in scope. It provides concise and lucid introductions to major works of world literature from classical antiquity to the twentieth century. It is not confined to any single literary tradition or genre and will cumulatively form a substantial library of textbooks on some of the most important and widely read literary masterpieces. Each book is devoted to a full account of its historical, cultural, and intellectual background, a discussion of its influence, and a guide to further reading.

The Cambridge Companion to Dostoevskii William J. Leatherbarrow, 2002-07-18 Key dimensions of Dostoevskii's writing and life are explored in this collection of specially commissioned essays. Contributors examine topics such as Dostoevskii's relation to folk literature, money, religion, the family, and science. The essays are well supported by supplementary material, including a chronology of the period and detailed guides to further reading. Altogether, the volume provides an invaluable resource for scholars and students.

Pasadena Library and Civic Magazine, 1916 **Russomania** Rebecca Beasley, 2020 Russomania is the first comprehensive account of the breadth and depth of the modernist fascination with Russian and early Soviet culture. It traces Russia's transformative effect on literary and intellectual life in Britain between 1881 and 1922, from the assassination of Alexander II to the formation of the Soviet Union. Studying canonical writers alongside a host of less well-known authors and translators, it provides an archive-rich study of institutions, disciplines, and networks.

Book jacket Katherine Mansfield and Periodical Culture Mourant Chris Mourant, 2019-04-10 Explores Katherine Mansfield's engagement in the periodical culture of the early twentieth century. This book considers Mansfield's ambivalent position as a colonial woman writer by examining her contributions to the political weekly *The New Age*, the avant-garde little magazine *Rhythm*, and the literary journal *The Athenaeum*. Contextualising Mansfield's work against the editorial strategies and professional cultures of each periodical, the book deepens and complicates older critical assumptions about the trajectory of Mansfield's development as a writer.

Key Features Provides the first sustained scholarly examination of Mansfield's engagement with and relation to early twentieth-century periodical culture. Foregrounds the original material contexts in which Mansfield produced the majority of her work, emphasising a dialogic or conversational model for modernism. Interrogates Mansfield's ambivalent self-positioning within English literary circles as a colonial metropolitan modernist and outsider. Integrates ideas of the recent transnational turn across literary studies into the field of periodical scholarship.

The House as a Symbol: Joyce Cary and 'The Turkish House' Barbara Fisher, 2021-11-01 **Translation as Collaboration** Claire Davison, 2014-06-16 This study focuses on the considerable but neglected body of works translated by S. S. Kotliansky in collaboration with Virginia Woolf and Katherine Mansfield.

Dostoevsky's Spiritual Art George Panichas, 2017-09-04 Fyodor Dostoevsky's highest and most permanent achievement as a novelist lies in his exploration of

man's religious complex his world and his fate His primary vision is to be found in his last five novels Crime and Punishment The Idiot The Devils A Raw Youth and The Brothers Karamazov This volume culminates twenty years of studying teaching and writing on Dostoevsky Here George A Panichas critically analyzes the religious themes and meanings of the author's major works Focusing on the pervasive spiritual consciousness at play Panichas views Dostoevsky not as a religious doctrinaire but as a visionary whose five great novels constitute a sequential meditation on man's human and superhuman destiny
