**Minecraft: The Village** Max Brooks, 2024-10-01 The final book in Max Brooks's official Minecraft trilogy. The New York Times bestselling author of *Minecraft: The Island* details the story of two stranded heroes whose block-breaking expedition lands them squarely in the middle of a conflict that only they can resolve. Journeying into the unknown is a scary prospect, but together, Guy and Summer can navigate any challenge. The two castaways strike out in this curious blocky world, searching for a way home. As they cross the Overworld, traversing frozen wastelands and scorching deserts, the pair makes an exciting discovery: a community populated by villagers. Guy and Summer settle in to learn more about their new friends, trading with the residents and exploring the surrounding area as they work out the next steps in their voyage. But with monstrous mobs and perilous pitfalls around every corner, they soon find that they might be needed here more than they'd thought. When a villager disappears, their investigation uncovers new foes, ones so powerful that this might spell the end of their adventure. Drawing on the lessons they've learned along the way, Guy and Summer must work together to protect the village.

**Minecraft: The Mountain** Max Brooks, 2021-03-02 In the thrilling sequel to the New York Times bestselling novel *Minecraft: The Island*, a stranded hero stumbles upon another castaway and discovers that teamwork might just be the secret to survival. Wandering a vast icy tundra, the explorer has never felt more alone. Is there anything out here? Did I do the right thing by leaving the safety of my island? Should I give up and go back? So many questions, and no time to ponder, not when dark is falling and dangerous mobs are on the horizon. Gurgling zombies and snarling wolves lurk in the night, and they're closing in. With nowhere to hide, the lone traveler flees up a mountain, trapped and out of options, until a mysterious figure arrives, fighting off the horde singlehandedly. The unexpected savior is Summer, a fellow castaway and master of survival in these frozen wastes. Excited to find another person in this strange blocky world, the explorer teams up with Summer, whose impressive mountain fortress is a safe haven for now. But teamwork is a new skill for two people used to working alone. If they want to make it home, they will have to learn to work together or risk losing everything.

*A Space in the Heart* Larry Carlat,2024-11-19 Foreword Reviews praises the book as a sensitive guidebook for grieving parents Intimate warm and conversational in tone yet searing in its honesty and says it shows that while there is no getting over the loss of a child it is still possible with time to fill the heart s emptiness with love and light A Space in the Heart is about the anguish that the death of a child brings and how to survive and thrive in its aftermath It s part memoir part self help zero bullshit and 100 percent straight from the heart It s about our never ending love for our lost children and how that

love ultimately helps us transform and heal In other words it s a roadmap for a road no one would ever choose to travel Grief isn t something that you overcome but you can learn to live with it It will take time It will take work It will take pain It will take strength It will take an open heart It will take everything you have It will take things that you didn t know you had That s what this book is really about and what sets it apart It s about the specific heartache that the death of a child brings It includes an honest retelling of the ups and downs of parenting an adopted son who struggled with addiction and mental illness It s a heartbreaking at times surprisingly humorous yet ultimately comforting guided tour through the hell of losing a child a journey on which a parent can transform from ordinary to extraordinary One of the many other things Larry Carlat learned is that grief lasts until the day we die The question becomes what do we want to do with it until then How do we want to live our lives knowing that we ve lost a vital piece of who we are His greatest wish is that this book will help answer those existential questions and above all provide unwavering hope along the way **Johnny Chesthair** Chris
