Cultural Differences and the Practice of Sexual Medicine David L. Rowland,Emmanuele A. Jannini,2020-01-27 The aim of this book is twofold to promote an awareness of cultural differences in connection with sexual medicine among health care providers and to demonstrate how such differences are relevant to the care and treatment of patients with sexual issues Individual sexuality represents the cumulative effects of biological psychological and cultural influences Yet much of the study of sexuality including issues ranging from sexual identity to sexual response has been conducted through a Western lens Although a substantial body of work in anthropology has taken up the study of human sexuality from a cross cultural perspective two points are notable First this work seldom crosses the desks of medical and psychological health practitioners and second the relevance of specific cultural differences is rarely apparent to the typical sexual health practitioner To address this situation this book adopts a global perspective focusing on how cultural practices and values can impact health care treatment and outcomes In this regard it covers three broad domains Sexual Identity and Orientation Sexual Response and Dysfunction and Sexual Diversity Each chapter consists of two parts a general description of the relevant issues and a discussion of how these issues can be relevant to clinical practice The book offers a valuable practical tool for specialists in sexual medicine and sexual psychology for sexual healthcare givers and for sexological researchers who want to better serve their patients by developing an awareness of and sensitivity to cultural differences and by providing a framework for dealing with issues of sexuality and sexual health that takes cultural values into consideration while adhering to best practices in patient care

Sexualities in Context Rebecca Plante,2014-11-13 Written in an accessible and clear manner Sexualities in Context presents focused overviews and explorations of some of the most timely issues in the social construction of sex This brief text is the only book of its kind to address sexualities from a social perspective Plante s analysis of the context of sexuality sexual behaviors and identities is both intelligent and readable With contemporary topics such as hooking up sexual fantasies and bisexualities along with examples of how to apply critical thinking students are empowered to think outside their comfort zones and encouraged to explore the topic of sex in a new context

Pussypedia Zoe Mendelson,2021-08-03 Written by the creators of the popular website this accessible and fully illustrated guide is a hilarious ridiculously informative and absolutely necessary atlas for people with pussies Roxanne Gay There is a shocking lack of accurate accessible information about pussies out there If the clitoris and penis are the same size on average why is the word small only included in the definition of clitoris Sex probably doesn t cause yeast infections but racism probably does cause BV Why is masturbating so awesome is labiaplasty on a global astronomical rise Does egg freezing really work Should I stick an egg shaped rock up there or nah

Pussypedia shares peer reviewed science that address old myths confusing inconsistencies and the influence of gender narratives on scientific research It teaches readers how to read science consider information in its context and to accept what we don t know rather than search for conclusions It also weaves in personal anecdotes from the authors and their friends sometimes funny sometimes sad often cringe worthy to do away with shame and encourage curiosity exploration and agency A gift for your shy niece your angsty teenager your confused boyfriend or yourself Pussypedia is our generation s Our Bodies Ourselves with a healthy dose of fun *Encyclopedia of Sex and Sexuality* Heather L.
