Paperbound Books in Print 1995 Reed Reference Publishing,R5ference Reed,1995-12 Intermediate Accounting GAAP Robert E. Hoskin,James R. Adler,Patrick R Delaney, PH.D., CPA,Donald E Kieso, Ph.D., CPA,1995-04 Introduction of IAS / IFRS by the BMW AG in 2000 Johannes-Cornelius Adari,Henrik Thrane,Pascale Taube,2004-08-11 **Inhaltsangabe Abstract** This case study deals with an important financial aspect of multinational companies i e their obligation of accounting Until the year 2000 BMW used to prepare its annual external audits under German Commercial Code Standards HGB This tradition ended in 2000 when BMW accounted under International Accounting Standards IAS for the first time 7 years before Mercedes Benz was the first German automotive manufacturer adopting international Standards in 1993 But in Mercedes case US Generally Accepted Accounting Principles US GAAP were chosen because the objective was to become listed at the New York Stock Exchange NYSE At this time US GAAP were not accepted outside the North American Free Trade Association NAFTA esp not by the EU Commission but the US Principles were applied in the largest and most important stock market worldwide On the other hand US organizations like the Securities and Exchange Commission SEC did not accept any other accounting standards in these days Accordingly Mercedes Benz had to prepare two annual audits one under US GAAP and the other under HGB This treatment obviously was highly inefficient providing lots of encumbrances to US capital seeking European companies accounting and auditing took too much time personnel resources and money Another negative effect was that many US companies hesitated with urgently required investments in Europe But nevertheless multinational groups seemed to have several advantages by using international accounting standards even if they had to prepare more than one audit annually Within the 1st part this case study provides basic information dealing with accounting standards in particular reasons and objectives organizational patterns and the process of IAS becoming international accepted by pointing out their most important differences compared to US GAAP and German HGB Standards The 2nd part deals with the reasons of changing BMW s accounting standards by looking at the Group s key markets and the impact of IAS adoption by examining their figures of non current assets inventories other current assets liabilities deferred incomes provisions equity as well as research development within a four years comparison At last the 3rd part gives an examination

and summary of the results of IAS reception for BMW the effects on the stock market changes of rating on the global market and gives hints to future Essentials of Inventory Management Max Muller,2011 Does inventory management sometimes feel like a waste of time Learn how to maximize your inventory management process to use it as a tool for making important business decisions **UK GAAP** Mike Davies,Ron Paterson,Allister Wilson,1997-09-10 Most companies have to produce year end accounts UK GAAP is an essential tool for all those involved in preparing auditing and using company accounts It explains all accounting regulations in force and illustrates them fully with extracts from the accounts of major companies As a result it is now the best selling guide to UK financial reporting on the market **Expert Evidence** Bert Black,Patrick W. Lee,1997 **International GAAP 2008** Ernst & Young LLP,2008-03-31 IFRSs the standards set by the International Accounting Standards Board IASB are complex and sometimes obscure Understanding their implications and applying them appropriately requires something special and that is why International GAAP 2008 is the essential tool for anyone applying auditing interpreting regulating studying and teaching international financial reporting It provides expert interpretation and practical guidance for busy professionals and includes in every chapter detailed analysis of how complex financial reporting problems can be resolved appropriately and effectively International GAAP 2008 is the only globally focused work on IFRSs It is not constrained by any individual country s legislation or financial reporting regulations and it ensures an international consistency of approach unavailable elsewhere It shows how difficult practical issues should be approached in the new complex global world of international financial reporting where IFRSs have become the accepted financial reporting system in more than 120 countries This integrated approach provides a unique level of authoritative material for anyone involved in preparing interpreting or auditing company accounts for regulators academic researchers and for all students of accountancy The International Financial Reporting Group of Ernst Young includes financial reporting specialists from throughout the world Complex technical accounting issues are explained clearly in a practical working context that enables immediate understanding of the point at issue International GAAP 2008 is accompanied by numerous worked examples a comprehensive discussion of the practical issues of the day and the possible alternative solutions available and hundreds of practical illustrations taken from the actual financial statements of companies that report under IFRSs The only globally focused work on IFRS giving an international consistency of approach unavailable elsewhere This new and essential volume of practical guidance and expert interpretation deals with every aspect of applying International Financial Reporting Standards IFRS appropriately and effectively Written by financial reporting experts from the International Financial Reporting Group of Ernst Young Includes a new chapter on Extractive Industries mining oil gas the biggest industry sector in the world This new edition in the International GAAP series serves as a successor to the same authors market dominating UK GAAP and UK International GAAP an important part to play in the process of promoting consistent comparable and high quality financial reporting under IFRSs a book that not only provides an analysis of the requirements of the standards and the principles that

they expound but also presents a unique explanation of how the standards should be interpreted and applied in practice the Chairman of Trustees of the IASC Foundation Praise for previous editions in the International GAAP series A standard reference work Financial Times The definitive guide to financial reporting The Times
