Gabbs Valley Nevada Its History And Legend:

Gabbs Valley, Nevada Ruth Fenstermaker Danner,1992 Nevada Guide to Genealogical Records Diane E. Greene,1998 This book pulls together records from a variety of sources including information from county court houses Nevada internet sites and various lists Page iv **It Happened In Nevada** Elizabeth Gibson,2010-07-13 Written in a lively easy to read style this book features approximately 30 stories written for history buffs of all ages **World War II and Nevada** Charles Weller,2024-05-28 World War II and Nevada is an in depth examination of the state s role in the war Nevada s geographic location land sky mineral resources and the sacrifices of its people were crucial to victory and transformed the state The war brought the first significant development of the gaming industry the introduction of a huge permanent military presence the diversification of its population and a shift in political and economic power within the region Nevada s previously unexamined role in the internment of Japanese Americans is explored and so too is the role of women and minority groups in support of the war The book concludes with a comprehensive list of those killed wounded or made prisoners of war during the conflict Weller provides the most thorough analysis of Nevada s war effort to date and historians will find the book a valuable addition to their World War II history collections **The Mining West** Richard E. Lingenfelter,2003 This two volume set cites books pamphlets maps music directories and other published materials excluding materials from technical and popular magazines and newspapers on the history of mining in the American and Canadian West Topics covered include prospecting mining rushes and camps and mining finance labor technology law literature and lore The initial portion provides general information on mining and metallurgical technology The subsequent regional sections are subdivided into refined historical studies raw materials fictional and poetic treatments and bibliographical guides to further materials Annotation c 2003 Book News Inc Portland OR booknews com **Nevada's Environmental Legacy** James W. Hulse,2009-02-28 Nevada s relatively brief history it became a state in 1864 has been largely a story of the exploitation of its natural resources Mining has torn down mountains and poisoned streams and groundwater Uncontrolled grazing by vast herds of sheep and cattle has denuded grasslands and left them prey to the invasion of noxious plant species and vulnerable to wildfire Clear cut logging practices have changed the composition of forests and induced serious soil erosion More recently military testing including hundreds of atomic blasts to determine the efficacy of nuclear weapons has irreversibly polluted expanses of fragile desert landscape And rampant development throughout the state over the past four decades along with the public s growing demand for recreational facilities has placed intolerable demands on the arid state s limited water resources and threatened the survival of numerous rare plant and animal species Veteran historian and Nevada native James W Hulse considers the state s complex environmental history as a series of Faustian bargains between the state s need for economic development and the industries government agencies and individuals that have exploited Nevada s natural resources with little concern for the long term consequences of their activities His survey covers all these issues and examines public attitudes about the

environment and the role of federal and state agencies in creating interpreting and enforcing environmental policies
