age The story Gates tells begins with great hope with the Emancipation Proclamation Union victory and the liberation of nearly 4 million enslaved African Americans Until 1877 the federal government goaded by the activism of Frederick Douglass and many others tried at various turns to sustain their new rights But the terror unleashed by white paramilitary groups in the former Confederacy combined with deteriorating economic conditions and a loss of Northern will restored home rule to the South The retreat from Reconstruction was followed by one of the most violent periods in our history with thousands of black people murdered or lynched and many more afflicted by the degrading impositions of Jim Crow segregation An essential tour through one of America's fundamental historical tragedies Stony the Road is also a story of heroic resistance as figures such as W E B Du Bois and Ida B Wells fought to create a counter narrative and culture inside the lion's mouth As sobering as this tale is it also has within it the inspiration that comes with encountering the hopes our ancestors advanced against the longest odds

**Gabriel Tolliver** Joel Chandler Harris, 2014-07-11 Cephas here is a letter for you and it is from Shady Dale I know you will be happy now For several years Sophia had listened calmly to my glowing descriptions of Shady Dale and the people there She was patient but I could see by the way she sometimes raised her eyebrows that she was a trifle suspicious of my judgment and that she thought my opinions were unduly coloured by my feelings Once she went so far as to suggest that I was all the time looking at the home people through the eyes of boyhood eyes that do not always see accurately She had said moreover that if I were to return to Shady Dale I would find that the friends of my boyhood were in no way different from the people I meet every day This was absurd of course or rather it would have been absurd for any one else to make the suggestion for at that particular time Sophia was a trifle jealous of Shady Dale and its people Nevertheless she was really patient You know how exasperating a man can be when he has a hobby Well my hobby was Shady Dale and I was not ashamed of it The man or woman who cannot display as much of the homing instinct as a cat or a pigeon is a creature to be pitied or despised Sophia herself was a tramp as she often said She was born in a little suburban town in New York State but never lived there long enough to know what home was She went to Albany then to Canada and finally to Georgia so that the only real home she ever knew is the one she made herself out of the raw material as one might say
