Gaby Deslys A Fatal Attraction

John Beall

Gaby Deslys A Fatal Attraction:

Gaby Deslys James Gardiner,1986 *The Encyclopedia of Vaudeville* Anthony Slide,2012-03-12 The Encyclopedia of Vaudeville provides a unique record of what was once America's preeminent form of popular entertainment from the late 1800s through the early 1930s. It includes entries not only on the entertainers themselves but also on those who worked behind the scenes, the theatres, genres, and historical terms. Entries on individual vaudevillians include biographical information, samplings of routines, and often commentary by the performers. Many former vaudevillians were interviewed for the book, including Milton Berle, Block and Sully, Kitty Doner, Fifi D'Orsay, Nick Lucas, Ken Murray, Fayard Nicholas, Olga Petrova, Rose Marie, Arthur Tracy, and Rudy Vallee. Where appropriate, entries also include bibliographies. The volume concludes with a guide to vaudeville resources and a general bibliography. Aside from its reference value, with its more than five hundred entries, *The Encyclopedia of Vaudeville* discusses the careers of the famous and the forgotten. Many of the vaudevillians here, including Jack Benny, George Burns, and Gracie Allen, Jimmy Durante, W.C. Fields, Bert Lahr, and Mae West, are familiar names today thanks to their continuing careers on screen. At the same time, and given equal coverage, are forgotten acts, legendary female impersonators Bert Savoy and Jay Brennan, the vulgar Eva Tanguay with her billing as 'The I Don't Care Girl', male impersonator Kitty Doner, and a host of freak acts.

Prince of Tricksters Matt Houlbrook,2016-07-26

Cooling Out: Has the World Changed or Have I Changed? Notes Index **Dope Girls** Marek Kohn,2013-03-07 This is a discussion of the transformation of drug use, especially morphine and cocaine, which was once commonly available in any chemist's shop into a national menace. It revolves around the death of Billie Carleton, a West End musical actress, in 1918. Its cast of characters includes Brilliant Chang, a Chinese restaurant proprietor, and Edgar Manning, a jazz drummer from Jamaica. They were eventually identified as the villains of the affair and invested with a highly charged sexual menace. Around them, in the streets off Shaftesbury Avenue, there swirled a raffish group of seedy and entitled hedonists. Britain was horrified and fascinated, and so the drug problem was born amid a gush of exotic tabloid detail.

Music in Paris 1917-1929 Roger Nichols,2002 *The Harlequin Years* presents a highly readable yet thorough examination of the Parisian music scene in the decade following World War I. Through Nichols's lively prose and in his accounts of institutional politics, reception histories, and behind-the-scenes debates, these places and personalities spring to life. Susan McClary, author of *Conventional Wisdom*.

From the Footlights to the Tenderloin David Grassé,2024-06-21 In her early 20s, Edna Loftus had the world at her feet. As a showgirl in England and France during the Edwardian era, she appeared in many successful theater productions, regularly graced the pages of contemporary magazines, and was featured on numerous picture postcards. She hobnobbed with royalty and kept company with the crème de la crème of European society. Then fate seemingly turned on Edna. After two unsuccessful marriages, the second ending with her husband being incarcerated in an asylum, she was left alone in California, and her decline into poverty and prostitution became fodder for the newspapers, which had once sung her praises. By the time

of her death in her early 30s Edna was a pathetic figure pointed out as a bit of a curiosity because she once had been famous on two continents Edna Loftus was very much a product of her times It was not simply a matter of bad choices on Edna's part which led to her dissolution but also the institutionalized socio-cultural constructs of patriarchy classism and religious intolerance of the Edwardian Era This biography the first ever written about Edna examines how these factors played into her descent from the sparkling footlights of the European theaters to the red lights of San Francisco's infamous Tenderloin District and destroyed her in the end **Gaby Deslys**, 19?? **The Boys from Syracuse** Foster Hirsch, 2000-09-05 From 1905 to the crash of 1929 Sam Shubert 1874 1905 and his brothers Lee 1874 1953 and J J 1878 1963 despite poor beginnings and near illiteracy created a theater monopoly unrivaled in history Their ruthless business tactics and showmanship made 42nd Street the heart of American popular theater and won them the most sought-after stars of the day including Al Jolson Carmen Miranda Eddie Cantor Fanny Brice Mae West and Fred Astaire **Glamour** Stephen Gundle, 2009 Design *The Edwardian Theatre* Michael Richard Booth, Joel H. Kaplan, 1996-03-28 This book presents Edwardian entertainment and the Edwardian entertainment industry as parts of a vital turbulent era whose preoccupations and paranoias echo those of our own day Responding to recent shifts of attitude towards the Edwardians and their world the essays in this collection take as their province broad patterns of theatrical production and consumption focusing upon the economics of theatre management the creation of new audiences the politics of playgoing and the meteoric rise of popular forms of mass entertainment including musical comedy variety theatre and the cinema *Hemingway's Art of Revision* John Beall, 2024-05-01 In Hemingway's Art of Revision John Beall analyzes more than a dozen pieces of the author's celebrated short fiction with a focus on manuscripts and typescripts as part of a broader examination of how Ernest Hemingway crafted his distinctive prose through a rigorous process of revision Ranging from two vignettes in the first version of *In Our Time* through early touchstones such as *Indian Camp* and *The Killers* to later masterpieces including *Fathers and Sons* Beall's study considers the modernist influences aesthetic choices and experimental effects that characterized Hemingway's approach to the short story Revisions to *Big Two Hearted River* for example were not simply cuts and omissions but involved adding paragraphs to slow down the narrative and represent Nick Adams's careful observations of fish as he watched their shadows on the river For *A Way You'll Never Be* Hemingway's revisions developed Nick's interior monologues manic lecture about grasshoppers and wacky sense of humor to show the character restoring a sense of emotional balance despite his traumatic memories of being wounded By drawing attention to the meticulous omissions additions and replacements that shaped these texts Beall reveals how extensively and richly Hemingway revised his drafts Hemingway's Art of Revision gives a detailed view of a great prose stylist at work **Satie the Bohemian** Steven Moore Whiting, 1999-02-18 Erik Satie 1866 1925 came of age in the bohemian subculture of Montmartre with its artists cabarets and cafés concerts Yet apologists have all too often downplayed this background as potentially harmful to the reputation of a composer whom they regarded as the

progenitor of modern French music Whiting argues on the contrary that Satie's two decades in and around Montmartre decisively shaped his aesthetic priorities and compositional strategies He gives the fullest account to date of Satie's professional activities as a popular musician and of how he transferred the parodic techniques and musical idioms of cabaret entertainment to works for concert hall From the esoteric Gymnopédies to the bizarre suites of the 1910s and avant garde ballets of the 1920s not to mention music journalism and playwriting Satie's output may be daunting in its sheer diversity and heterodoxy but his radical transvaluation of received artistic values makes far better sense once placed in the fascinating context of bohemian Montmartre

Mae West Jill Watts, 2003-04-17 Why don't you come up and see me sometime Mae West invited and promptly captured the imagination of generations Even today years after her death the actress and author is still regarded as the pop archetype of sexual wantonness and ribald humor But who was this saucy starlet a woman who was controversial enough to be jailed pursued by film censors and banned from the airwaves for the revolutionary content of her work and yet would ascend to the status of film legend Sifting through previously untapped sources author Jill Watts unravels the enigmatic life of Mae West tracing her early years spent in the Brooklyn subculture of boxers and underworld figures and follows her journey through burlesque vaudeville Broadway and finally Hollywood where she quickly became one of the big screen's most popular and colorful stars Exploring West's penchant for contradiction and her carefully perpetuated paradoxes Watts convincingly argues that Mae West borrowed heavily from African American culture music dance and humor creating a subversive voice for herself by which she artfully challenged society and its assumptions regarding race class and gender Viewing West as a trickster Watts demonstrates that by appropriating for her character the black tradition of double speak and signifying West also may have hinted at her own African American ancestry and the phenomenon of a black woman passing for white This absolutely fascinating study is the first comprehensive interpretive account of Mae West's life and work It reveals a beloved icon as a radically subversive artist consciously creating her own complex image

Freak to Chic Dominic Janes, 2021-07-01 In this unique intervention in the study of queer culture Dominic Janes highlights that under the gaze of social conservatism gay life was hiding in plain sight Indeed he argues that the worlds of glamour fashion art and countercultural style provided rich opportunities for the construction of queer spectacle in London Inspired by the legacies of Oscar Wilde interwar and later 20th century men such as Cecil Beaton expressed transgressive desires in forms inspired by those labelled freaks and thereby made major contributions to the histories of art design fashion sexuality and celebrity Janes reinterprets the origins of gay and queer cultures by charting the interactions between marginalized freaks and chic fashionistas He establishes a new framework for future analyses of other cities and media and of the roles of women and diverse identities

Classic Chic Mary E. Davis, 2008-05-13 The arts Fanny Brice Herbert G. Goldman, 1993-10-07 In a work that is both glorious biography and captivating theatre history Herbert G Goldman illuminates both Fanny Brice's remarkable career on stage and radio ranging from her first triumph as Sadie Salome to her long run as

radio s Baby Snooks and her less than triumphant personal life Not only a look into the woman who inspired the Broadway Show and movie Funny Girl Fanny Brice also vividly portrays the theatrical world in its heyday **Glamour** Professor Carol Dyhouse,2010-02-11 How do we understand glamour Has it empowered women or turned them into objects Once associated with modernity and the cutting edge is it entirely bound up with nostalgia and tradition This unique and fascinating book tells the story of glamour It explores the changing meanings of the word its relationship to femininity and fashion and its place in twentieth century social history Using a rich variety of sources from women s magazines and film to social surveys and life histories Carol Dyhouse examines with wit and insight the history and meaning of costume cosmetics perfume and fur Dyhouse disentangles some of the arguments surrounding femininity appearance and power directly addressing feminist concerns The book explores historical contexts in which glamour served as an expression of desire in women and an assertion of entitlement to the pleasures of affluence finally arguing that glamour can t simply be dismissed as oppressive or as male fantasy but can carry celebratory meanings for women **Costume, Makeup, and Hair** Adrienne L. McLean,2016-10-07 Movie buffs and film scholars alike often overlook the importance of makeup artists hair stylists and costumers With precious few but notable exceptions creative workers in these fields have received little public recognition even when their artistry goes on to inspire worldwide fashion trends From the acclaimed Behind the Silver Screen series Costume Makeup and Hair charts the development of these three crafts in the American film industry from the 1890s to the present Each chapter examines a different era in film history revealing how the arts of cinematic costume makeup and hair have continually adapted to new conditions making the transitions from stage to screen from monochrome to color and from analog to digital Together the book s contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation often fashioning striking looks and ingenious effects out of limited materials Costume Makeup and Hair not only considers these crafts in relation to a wide range of film genres from sci fi spectacles to period dramas but also examines the role they have played in the larger marketplace for fashion and beauty products Drawing on rare archival materials and lavish color illustrations this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume makeup and hairstyling as distinct art forms **The Showgirl Costume** Jane Merrill,2018-11-30 Fashion is synonymous with change yet the iconic showgirl costume feathers sparkle and revealing clothes has remained largely unchanged since the early 20th century Beginning in the 1800s a couture of the risque evolved from Paris nightclubs to Las Vegas casinos The concept of glamour itself was based on what Parisian courtesans and burlesque performers wore A tall pretty girl with headdress nude core with spangles high heels and dramatic makeup became a Gallic symbol and later the trademark of Hollywood musicals France exported costumes and millinery as well as whole productions from the Moulin Rouge the Lido and Folies Bergere to the U S and the world More recently cabaret styling has translated into today s day sport and evening clothes **Animals and Women** Carol J. Adams,Josephine

Donovan, 1995-11-14 *Animals and Women* is a collection of pioneering essays that explores the theoretical connections between feminism and animal defense. Offering a feminist perspective on the status of animals, this unique volume argues persuasively that both the social construction and oppressions of women are inextricably connected to the ways in which we comprehend and abuse other species. Furthermore, it demonstrates that such a focus does not distract from the struggle for women's rights but rather contributes to it. This wide-ranging multidisciplinary anthology presents original material from scholars in a variety of fields as well as a rare early article by Virginia Woolf. Exploring the leading edge of the species/gender boundary, it addresses such issues as the relationship between abortion rights and animal rights, the connection between woman-battering and animal abuse, and the speciesist basis for much sexist language. Also considered are the ways in which animals have been regarded by science, literature, and the environmentalist movement. A striking meditation on women and wolves is presented, as is an examination of sexual harassment and the taxonomy of hunters and hunting. Finally, this compelling collection suggests that the subordination and degradation of women is a prototype for other forms of abuse, and that to deny this connection is to participate in the continued mistreatment of animals and women.

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, **Gaby Deslys A Fatal Attraction** . Gaby Deslys A Fatal Attraction Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gaby Deslys A Fatal Attraction has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gaby Deslys A Fatal Attraction has opened up a world of possibilities. Downloading Gaby Deslys A Fatal Attraction provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gaby Deslys A Fatal Attraction has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gaby Deslys A Fatal Attraction. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gaby Deslys A Fatal Attraction. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gaby Deslys A Fatal Attraction, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gaby Deslys A Fatal Attraction has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Gaby Deslys A Fatal Attraction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
