An Innocent in Scotland David McFadden, 2016-12-06 In 1995 David W McFadden published *An Innocent in Ireland* Curious Rambles and Singular Encounters a quirky and affectionate account of his travels around Ireland In undertaking the trip he chose as his guide H V Morton the prolific travel writer of the 1920s and 1930s whose *In Search of Ireland* part of Morton's famous *In Search of* series had been familiar to him since childhood Now setting out to explore Scotland his family's ancestral home McFadden plans to use the same technique to follow Morton's route around the country observing how things have changed and in what ways they remain the same As in *An Innocent in Ireland* however his own inquiring mind and engaging personality take over and Morton appears less and less as McFadden becomes increasingly absorbed by the landscape and particularly by the people Starting in the Lowlands he travels through Burns country examining verses that Burns is alleged to have inscribed on a Dumfries window with his diamond ring and up the east coast to the Highlands There he lingers by Loch Ness spotting nothing but tourists before heading over to the west coast and falling in love with it particularly with the islands of Mull and Iona Through the entire trip McFadden charts an erratic course led only by H V Morton and his own acute eye and very lively curiosity As he does so he records his extremely personal impressions which are wry amused and often more astute than he lets on The reader won't find many of the traditional Scottish tourist sites in this account Rather as in *An Innocent in Ireland* McFadden loves a good chat and he wisely lets the many characters he meets speak for themselves He gives generous attention to a variety of talkative barmen hoteliers shopkeepers as well as to passersby that he encounters in the course of his travels Their conversations ranging from the instructive or humorous to the eccentric and even surreal give a thoroughly entertaining view of a Scotland the guidebooks never reveal Still quirky affectionate always ready to be intrigued or amused David McFadden makes an ideal companion for any armchair traveller
