family life while still pursuing her career Gael is at once a moving love story and a brutal sardonic portrayal of a destructive marriage that comes to a devastating end Savagely brutal and tenderly lyrical Dermot Bolger The kind of raw passion and danger on offer here is certainly worth engaging with Derek Hand The Irish Times *The Independent* William Livingston,1918 **To Slip the Surly Bonds of Earth** Hugh Cameron,2019-08-16 The West is entering its final phase like the fall of Rome or the Late Merchant Phase of the various Chinese empires It is slowly grinding to a halt as the inevitable problems multiply with no obvious will to counter the decline One man dreams of humanity becoming a multiplanet species in the hope of preserving the basics of human knowledge through the coming dark ages The Great Powers have turned inward and there is little political will for further space exploration Funding is minimal and technological innovation has slowed dramatically He uses his skills as a fighter to fund his dreams and is for a time the heavyweight champion Using his notoriety he slowly gathers friends seeking to find those who can make the dream a reality Manon who claws her way up from nothing to wealth Elizabeth the miner turned politician and others help fund the space project They set up a foundation to search for scientific geniuses in the most unlikely places looking for children who perhaps can make the journey into space possible but it is not clear that Earth has any interest in returning to the high frontier Against a background of indifference competing interests and active discouragement they do manage to establish small independent colonies on the moon and Mars but the odds are great protection is difficult and long term success is by no means assured And there are malevolent forces moving in the world *Gael Force Thirteen* John Dwyer,2001-10 Memories of Ireland an everlasting love affair and a sheep from hell all are stories that can be found in Gael Force Thirteen a collection of thirteen stories that will be sure fire the imagination and the lift the spirit Read on and bring a smile back to your life **Independent and Weekly Review** ,1918 **Book Review Digest** ,1919
