*Wisdom Commentary: Romans* Christian A. Eberhart, 2025-03-15 Can a feminist interpretation of Romans discover anything new In this volume Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe a gentile woman with the task of delivering the letter to Rome There she would have been the person who recited it aloud and by heart in front of various audiences Yet as the leader of a congregation in Corinth Phoebe had likely also been involved in the process of composing the letter as some passages reveal This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men Jews and gentiles weak and strong and free and slave     Commentaries on the Epistles of Paul the Apostle to the Philippians, Colossians, and Thessalonians. By John Calvin. Translated and edited ... by the Rev. John Pringle. former Associate Professor of Dogmatics at North West University South Africa This is his fourth book for Wipf and Stock The first three Covenant the Basis of God's Self Disclosure 2011 Kingdom the Expression of God's Rule 2012 and Atonement God's Means of Effecting Man's Reconciliation 2015 are also available from this publisher and other outlets **Romans 9-16** Philip D. W. Krey, Peter D. S. Krey, 2016-10-19 In this volume of the Reformation Commentary on Scripture Philip Krey and Peter Krey offer a diversity of Reformation era biblical commentary on Romans 9-16 Drawing upon Lutheran Reformed Anglican Radical and Roman Catholic resources they reveal the breadth and depth of early modern biblical exegesis for the renewal of the church today **Catalogue of the Library of Rev. Thomas Prince** Thomas Prince, Old South Church (Boston, Mass.), 1846 *The Weakness of the Law* Jonathan F. Bayes, 2007-09-01 The Weakness of the Law aims to demonstrate that the five New Testament references to the weakness of the Law read in their respective contexts support those who advocate the third use of the Law in the debate with doctrinal antinomianism The study falls into two parts Part One sets the scene by means of a series of illustrations of the debate in approximate chronological order in which representatives of each of the two broad positions are set side by side In Part Two the four books in which the five key texts appear are studied in their entirety as they relate to the subject of the Law Commentaries on the epistles of Paul the apostle to the Philippians, Colossians, and Thessalonians, tr. and ed. by J. Pringle. [Followed by] Four sermons on important practical subjects, together with a dissertation and commentary on the eighty-seventh Psalm, tr. by H. Beveridge Jean [comms. on the Bible] Calvin, 1851 **Can We Zoom into God?** Andrew Hemingway, 2023-10-19 When Zoom worship emerged in Britain during the COVID lockdown of 2020 Christians quickly turned to an art form a form of theater to deliver their worship It was a quest for immanence the very thing the Reformation dealt with by the elevation of transcendence What an intriguing thought Could John Calvin with his dictum regarding piety have practiced Zoom worship Served as he was with the principle that the finite cannot contain the infinite we must admit it looks very unlikely At least in this Calvin saw eye to eye with Erasmus but what of Luther He may have been a comfortable Zoom worshiper with his views that Religious artworks are neither here nor there and We may have them or not as we please Little did the church realize that it would be a step back into the past because what you permit you promote The desire to use images was much more sinister than in Medieval times as these were now images of ourselves Regardless of the age the image reigns supreme What had caused the demise Was it bereavement It could not be bereavement of God rather it was the loss of the social the bereavement of one another The need for one another had forced the hand of Christians to turn to a practice completely untested Zoom worship was born the genie is out and will never go back in But in the face of the now acceptable force of contemporary narcissism who cares The Two Wills of God Dr. C. Matthew McMahon, 2005-07-05 Through the centuries hard questions have been deliberated concerning God's will Understanding God's will and how it theologically functions in relationship to man's salvation can be a daunting task Answering some of those questions from the Scriptures brings clarity and helps us

understand the glorious God that we serve Have you ever wondered Does God love only the elect If God does not desire the wicked to perish is God s will frustrated when the sinner goes his own way Why is God seen as repenting or sad and even changing His mind What is common grace and is it really found in the Bible Does God desire things He does not decree and does He decree things He does not desire How many wills does God have This book gives the Christian the proper hermeneutical tools to define God s will and how that will works in and through redemptive history It also aids the reader to distinguish between the two systems of Arminianism and Calvinism and demonstrates why Arminianism and Hyper Calvinism are biblically inconsistent
