the grace that was to come to you searched intently and with the greatest care We should want to know more about it too There is nothing more important than our response to Gods grace Near the end of his life hymn writer John Newton said My memory is nearly gone but I remember two things that I am a great sinner and that Christ is a great Savior It is in fact vital to have a biblical understanding of salvation Questions such as Who can be saved What is the gospel and Why did Jesus have to die are of primary importance Fortunately the Bible answers these questions and many more This book takes one hundred questions about salvation and addresses them with Gods Own Word The Lord the Author of salvation came to seek and to save what was lost Luke 19 10 and He is the focal point of these answers God's Plan for Your Money Derek

for 2000 years Christians including the first century Galatians have often believed they must add performance requirements
to the gospel in order to truly earn God's approval Listen in as the apostle Paul blows the lid off this selfdeception by
explaining why the Good News becomes bad news when you mix it with rules how to sniff out people who are promoting a
false rules added gospel why adding requirements to God's grace actually subtracts from your enjoying Christ why trust is
the only thing needed to receive God's grace and live in it day to day Galatians shows you that life in God's Spirit through His
