## **Galatians A Do It Yourself Course:**

*Studies in the Book of Galatians* Alonzo T. Jones, 2002-03 In the July 25 1899 issue of the Adventist Review and Sabbath Herald the co editor Alonzo T Jones wrote Several letters have been received asking what law is the subject of consideration in the book of Galatians His answer was Not any law at all it is the gospel that is the subject and the whole subject under consideration in the book of Galatians Thus he began an in depth series of studies that lasted sixteen months The results are faithfully reproduced here for use in your study and personal growth [The Gospel Uncensored](#) Alden Swan, 2010-10-18 It is for freedom that Christ has set us free Many people have been taught that Christianity is a religion in which you must do certain things in order to receive certain benefits and that you must do more and try harder to be accepted The truth is faith in Jesus is enough Any attempt to add anything even good works to this simple good news is to lose the Gospel completely Blue and Swan look at Paul s letter to the Galatians and how his passionate case for the simple gospel of grace applies to many of the issues facing the church today As one reviewer stated *The Gospel Uncensored* is a fervent book on the grace of God and how this gracious work of Christ leads to freedom It is a heartfelt plea to the reader to get over Jesus plus religion and come back to Jesus plus nothing For it is in Jesus and Him alone that we have freedom Its time to be free **Galatians** Gordon Fee, 2022-01-21 An introduction situating Paul s letter in time and space is followed by a detailed discussion of each section of the letter verse by verse commentary and a theological discussion with challenging questions for individual or group study From the Introduction Luther and Calvin tended to read the letter as having primarily to do with justification by works or by faith But that is decidedly not the matter that called forth this letter which is stated most clearly in one of the opening sentences of the argument proper Having begun by the Spirit are you now trying to finish by means of the flesh 1 3 where flesh is a play on words referring to literal circumcision of the flesh as the primary issue regarding their keeping the law At issue throughout the letter is not the question How are people saved to use contemporary language but whether people who are already saved also need to practice specific aspects of the Jewish law The concern then is not how one begins life in Christ but whether once begun one must also add these aspects of the law to be completed in one s faith in Christ

F. F. Bruce, 2013-11-14 Paul's letter to the churches of Galatia was for many years a document of special interest and study for renowned New Testament scholar F F Bruce This excellent volume in the New International Greek Testament Commentary series contains Bruce's mature work on that important early epistle Through phrase by phrase exegesis of the Greek text consistent awareness of the historical and geographical context and balanced dialogue with scores of other scholars Bruce successfully bridges the hermeneutical gap and makes the text of Galatians come alive for both scholars and students Based on careful historical critical linguistic exegesis yet primarily theological in character this commentary places special emphasis throughout on Paul's insistence on justification before God by faith apart from works of the law and on Paul's presentation of the Spirit as the principle of the new life in Christ *The Letter to the Galatians*

David A. deSilva, 2018-09-18 New volume in a favorite Bible commentary series Writing a commentary on Galatians is a daunting task Despite its relative brevity this Pauline letter raises a number of foundational theological issues and it has played a vital role in shaping Christian thought and practice over the centuries In this replacement of Ronald Y K Fung's 1988 New International Commentary volume David deSilva ably rises to the challenge providing a coherent account of Galatians as a piece of strategically crafted communication that addresses both the immediate pastoral challenges facing Paul's converts in Galatia and the underlying questions that gave rise to them Paying careful attention to the history philology and theology of the letter and interacting with a wealth of secondary literature on both Galatians and the rest of the Pauline corpus deSilva's exegetically sound commentary will serve as an essential resource for pastors and theological students [Galatians](#)
