Galatians Romans Knox Preaching Guides:

Romans David E. Garland, 2021-10-19 Romans has been described as the theological epistle par excellence Paul emphasizes that salvation is by God's grace alone and that freedom hope and the gift of righteousness are secured through Christ's death and resurrection In this Tyndale Commentary David Garland offers clear guidance along the rewarding though sometimes difficult paths of this great letter

Galatians/Romans Frank Stagg, 1980-01-01 *The Spirit's Fruit* David Moffett-Moore, 2014-03-28 When I was a boy I had a really wicked temper It was short and it was brutal I would get in fights every recess With that personal beginning Dr David Moffett Moore escorts each student into their own personal study of The Spirit's Fruit A Participatory Study Guide We are called together as Christians to a fruit filled life While God blesses us with one or more gifts as He wills none of us receive all the gifts But all of us are encouraged to live a Christ led life in which all the fruit of the Spirit may grow in abundance Dr Moffett Moore gives us wonderful tools for discussion and prayer to break up any hard ground and pour Christ's Living Water into our spirits so the study itself aids more fruitful growth The Participatory Study Series from Energion Publications is designed to invite Bible students to become a part of the community of faith that produced the texts we now have as scripture by studying them empathetically and with an aim to learn and grow spiritually Each author is free to emphasize different resources in the study and individual students group leaders and teachers are encouraged to enhance their study through the use of additional resources

Perspectives on the New Testament Charles H. Talbert, 1985 *Theologians of the Baptist Tradition* Timothy George, David S. Dockery, 2001-05-15 A resource for pastors students and teachers to discover Baptist contributions to Christianity's theological heritage

Romans Joseph A. Fitzmyer, 1993 World class biblical scholar author Fitzmeyer has written a masterful study on Paul's Epistle to the Romans that will rival the great commentaries on Romans by Martin Luther and Karl Barth Fitzmeyer is the author of the popular Anchor Bible commentaries on the Gospel according to Luke

Galatians Dieter Lührmann, 1992 The long awaited commentary by Dieter Lührmann is now available to English speaking audiences for the first time It is a profound succinctly written dialogue with the text that carefully follows the main points of Paul's arguments in his most controversial letter The author presents a theological interpretation which takes seriously Paul's claims about the gospel and also provides a distinctive outline based on this close reading of the text Also included are helpful discussions of the competing theologies of Paul and his opponents a chart on Paul's career and a map of the Roman world Lührmann is a highly acclaimed interpreter of the New Testament This volume will be a valuable addition to a well received commentary series
