Galaxy Of Fathers:

A Galaxy of Fathers Frank Swinnerton,1956 **Galaxy's Heart** Shawn Lane,2016-11-05 Ten years ago Galaxy Winthrop had a one night stand with the hottest guy ever Galaxy also remembered one other thing from that night the man's mention of the Northern California town Sutter's Bay where he once lived Now Galaxy has made it his mission to save his troubled little brother Leo The once bright bubbly kid has become sullen quiet and despondent The quaint picturesque Sutter's Bay seems the perfect location to start a new life for himself and Leo Adam Colfer returned to Sutter's Bay to run his dad's diner He'd thought he'd left the town behind when he moved to San Francisco but it seemed Sutter's Bay had other plans After an explosive night with Galaxy a decade earlier Adam had awoken to an empty bed But now Galaxy is in Sutter's Bay and Adam can't help but wonder if this is his second chance to win Galaxy's heart **Galaxy's End** Richard A.

Lupoff,2015-12-17 **TECHNOLOGY'S GREATEST TRIUMPH HUMANITY'S LAST HOPE** Daniel Kitajima was a creature of mind and machine His artificial limbs were endowed with super human strength his perceptual abilities enhanced with telescopic vision radar and infrared With proper care he would live forever except for one grim inevitable fact The Solar System itself was about to be destroyed The sun was heating up scorching Earth's deserts and transforming its polar icefields into quagmires The entire galaxy was in danger And nothing human could halt the oncoming disaster But Daniel Kitajima was not exactly human **Fathers** Louise Guinness,1996 Ideal fathers cruel fathers imagined fathers puffed up with pride fathers noble fathers and humanly flawed fathers loving fathers exasperated fathers Literature is full of these but nobody until Louise Guinness has dared to collect them in one book This anthology considers the whole range of experience from the amazed joy of new fathers to the pains of bereavement from the comic eccentric Papa to the sinister and silent Dad

Fatherhood is universal yet intensely personal this book contains the reflections of fathers across time with extracts from the Bible to Beatrix Potter from Homer to Chaucer to Yeats and Laurie Lee Shakespeare Wordsworth and Dickens to Sylvia Plath E Nesbit and Louis MacNeice A delight to read a collection to muse upon and a perfect present to family members everywhere Andrew Danielle Grubb,2025-01-22 Trinity Academy one of the best career schools in the United States is set up with three programs of training it is one of a kind But some say the school has forgotten its past and the foundation it was built on With the three students of the founding families now having access to the Under Library they can set the Academy back to the way it was but some would rather destroy it than have its secrets revealed Andrew's father is now with the kidnapped parents This gives everyone hope that they can bring them home But not knowing where in the galaxy they are does make it hard to mount a rescue The students will have to look through the old records in the Under Library to find the right star chart but what else will they find With threats to destroy the Academy and Patricia's family being targeted too for kidnapping will Andrew and his friends ever be safe at Trinity Academy or will the enemy take all they hold dear

Wounded Masculinity and the Search for (Father) Self in American Film Susan Mackey-Kallis,Brian

Johnston,2023-12-12 Drawing on texts and theorists of Greek myth psychoanalysis and masculinities Susan Mackey Kallis and Brian Johnston develop and offer a model of rhetorical and mythic criticism to analyze popular American film In this book Mackey Kallis and Johnston focus their analysis on films that point to the need for father atonement ego decentering and the resurrection of the lost feminine to heal our collective gendered cultural wounds Many of these mystic films they contend affirm the role of meaningful suffering compassion integration of the feminine self sacrifice and transcendence as antidotes to the inevitable woundedness of the human condition Ultimately the authors argue for the importance of digging into the substance of cultural wounds rather than superficially suturing them over to change the conversation about woundedness and provide a roadmap for healing gendered relations in contemporary American culture The book concludes with a discussion of Joseph Campbell s interpretation of the metaphorical power of myth and its transcendent function to argue for a theory of us rather than a theory of us versus them Scholars of film gender studies American studies cultural studies gender studies and psychology will find this book of particular interest

Father, Who Are You? Barbara Taylor,2010-01-29

Barbara Taylor is a different breed In Father Who Are You Taylor shares with a transparent and humble heart many stirring reflections on being a struggling wife devoted mother and a fearless missionary in India In this devotional Taylor uses scriptures as a diving board splashing into the memories of her life of growing up in Alaska and later ministering in the villages of India As she reveals to us how to live a life of faith and how to experience the pure joy peace and freedom there is a deep refreshing At first glance this book appeals more to Christian women yet Taylors insight into the problems that ended her marriage and her accounts of the cultural differences and extreme challenges she faced as a missionary in India make it an invaluable read for a larger audience BlueInk Review
