Gallant Men Stories Of American Adventur:

Gallant Men; Stories of American Adventure Everett McKinley Dirksen, 1967 **American Political Music** Danny O. Crew, 2005-12-01 Since the years before the Revolutionary War American composers have expressed their political passions and viewpoints in song Music inspired by political themes and politicians can reveal a great deal about significant people and events that have shaped our national political atmosphere American Political Music provides a state by state inventory of thousands of songs about American political personalities from 1756 through 2004 The book documents music for all political offices except president Within each state and the District of Columbia the names of elected politicians candidates for public office and other high profile individuals appear in alphabetical order with a detailed listing of published songs that relate to them Also included under each state where applicable is a miscellaneous section containing general political topics about that state everything from temperance Vote Our California Dry to the women s vote Rally Song for the Ohio Suffragist to the introduction of Boston s first public water system Cochituate Grand Quick Step Under each person or topic are listed related songs with title tune composer and lyricist publisher copyright year and information on where a particular song or its lyrics may be found i e broadsides sheet music songbooks songs published in newspapers wax cylinders piano rolls vinyl records CDs internet or mp3 files Also included is an appendix of parodied songs demonstrating among other things the durability of Battle Hymn of the Republic and Yankee Doodle as fertile and favored ground for the parodist The book also includes a list of publishers by city and indexes of song titles authors and composers politicians and subjects and offices **Robert Smithson** Robert Smithson, Eugenie Tsai, Cornelia H. Butler, Thomas E. Crow, Alexander Alberro, Museum of Contemporary Art (Los Angeles, Calif.), Moira Roth, Whitney Museum of American Art, 2004 This catalogue is the major study of Smithson 1938 1973 who is most renowned as an early earthworks artist and creator of Spiral Jetty a 1 500 foot rock coil dramatically situated in the Great Salt Lake **An Idea Whose Time Has Come** Todd S. Purdum, 2014-04 A top Washington journalist recounts the dramatic political battle to pass the Civil Rights Act of 1964 the law that created modern America on the fiftieth anniversary of its passage It was a turbulent time in America a time of sit ins freedom rides a March on Washington and a governor standing in the schoolhouse door when John F Kennedy sent Congress a bill to bar racial discrimination in employment education and public accommodations Countless civil rights measures had died on Capitol Hill in the past But this one was different because as one influential senator put it it was an idea whose time has come In a powerful narrative layered with revealing detail Todd S Purdum tells the story of the Civil Rights Act of 1964 recreating the legislative maneuvering and the larger than life characters who made its passage possible From the Kennedy brothers to Lyndon Johnson from Martin Luther King Jr to Hubert Humphrey and Everett Dirksen Purdum shows how these all too human figures managed in just over a year to create a bill that prompted the longest filibuster in the history of the U S Senate yet was ultimately adopted with overwhelming bipartisan support He evokes the high purpose and low dealings that

marked the creation of this monumental law drawing on extensive archival research and dozens of new interviews that bring to life this signal achievement in American history Often hailed as the most important law of the past century the Civil Rights Act stands as a lesson for our own troubled times about what is possible when patience bipartisanship and decency rule the day **American Political Music: Alabama-New York [Frankenthaler** Danny O. Crew,2006 This reference work

provides a state by state inventory of thousands of songs about American political personalities The book documents music for all political offices except president Within each state the names of elected politicians and candidates for public office appear in alphabetical order with a detailed listing of published songs that relate to them Provided by publisher **Dead Presidents: An American Adventure into the Strange Deaths and Surprising Afterlives of Our Nation's Leaders** Brady Carlson,2016-02-01 Entertaining Carlson shifts deftly among sombre macabre and playful stories and shows how the death tourism industry reveals more than amusing trivia The New Yorker In Dead Presidents public radio host and reporter Brady Carlson takes readers on an epic trip to presidential gravesites monuments and memorials from sea to shining sea With an engaging mix of history and contemporary reporting Carlson explores the death stories of our greatest leaders and shows that the ways we memorialize our presidents reveal as much about us as they do about the men themselves
