interjections which do duty as mottoes chapter headings tail pieces dedications interludes and sometimes relevant songs there is the volume of seventy five adaptations in verse From the Hidden Way published in 1916 Here Cabell even in his most natural role declines to show his face and amuses himself with a new set of masks labelled Alessandro de Medici Antoine Riczi Nicolas de Caen Theodore Passerat and other fabulous minnesingers whose verses were created only in the mind of Cabell About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
