Magic and Illusion in the Movies George Higham, 2024-11-07 From top hats to top secrets this book is a celebration of illusion technology and mechanisms of trickery through a genre crossing selection of films Heroes villains spies con men and madmen magicians all have utilized complex constructs and trickery in thrilling cinematic adventures from the earliest days of cinema to the present Current blockbusters such as Spider Man Far from Home and the Mission Impossible series feature amazing acts of deception often appearing far fetched that are in fact surprisingly close to today s technology Along with the James Bond saga classics such as The Wizard of Oz Nightmare Alley and The Sting are joined by a host of other movies superficially seeming to be very different yet proving there is more than meets the eye **Gallico Magic** Paul Gallico, 1967

Together Still Linda Hill, 2025-02-04 With poetic gentleness and vulnerable integrity Linda Hill s memoir Together Still Love Beyond Death portrays Continuing Bonds A compelling approach to end of life accompaniment death care and bereavement For four adventurous decades Linda and her beloved spouse John Scull explored the world with wonder and curiosity They loved each other their families and friends wholeheartedly They cared for nature and their community with spirits of generosity After John was diagnosed with a terminal illness the couple resiliently continued their loving ways of accompanying each other as they travelled to the horizon of John s life When John died Linda was utterly unprepared for what was about to happen At first she diagnosed her spiritual experiences as illnesses and dismissed John s after death communication as wishful thinking Fortunately John persisted in doing everything he possibly could to let her know he was still with her Their reciprocal spiritual bonds transformed Linda s off kilter journey through her heart fracturing grief into a heroic odyssey of what she calls re orbiting around love and happiness Each chapter of Linda s beautifully written memoir intertwines romance spirituality and the healing power of cultivating and continuing loving bonds To this day John reaches out to Linda through spiritual communication messages in nature uncanny coincidences and visitations in her dreams Linda reaches out to John through meditation journalling creative arts memorial events joint legacy projects and adventures of being alone but not alone Although everything absolutely everything is now so very different they are together still loving beyond death
