Nasser Said K. Aburish, 2013-11-05 Nasser is a definitive and engaging portrait of a man who stood at the center of this continuing clash in the Middle East Since the death of Egyptian president Gamal Abdel Nasser in 1970 there has been no ideology to capture the imagination of the Arab world except Islamic fundamentalism Any sense of completely secular Arab states ended with him and what we see today happening in the Middle East is a direct result of Western opposition to Nasser's strategies and ideals Nasser is a fascinating figure fraught with dilemmas With the CIA continually trying to undermine him Nasser threw his lot in with the Soviet Union even though he was fervently anti Communist Nasser wanted to build up a military on par with Israel's but didn't want either the 56 or 67 wars This was a man who was a dictator but also a popular leader with an ideology which appealed to most of the Arab people and bound them together While he was alive there was a brief chance of actual Arab unity producing common honest and incorruptible governments throughout the region More than ever the Arab world is anti Western and teetering on disaster and this examination of Nasser's life is tantamount to understanding whether the interests of the West and the Arab world are

reconcilable Gamal Abdel Nasser Charles River Charles River Editors, 2014-09-07 Includes pictures Includes footnotes and a bibliography for further reading Our path to Palestine will not be covered with a red carpet or with yellow sand Our path to Palestine will be covered with blood In order that we may liberate Palestine the Arab nation must unite the Arab armies must unite and a unified plan of action must be established Nasser Gamal Abdel Nasser has been called many things The father of modern day Egypt The founder of Arab nationalism The leader of the Egyptian Revolution The second president of the Egyptian Republic The creator of his own brand of political and social governance Nasserism Anthony Eden the former British Prime Minister called him the Mussolini of the Nile Nasser was all of these things and much more Indeed he led the revolution that overthrew the monarchy of Egypt and subsequently shaped and led the new Egyptian government He became a prominent regional and world leader playing a significant role in the Non Alignment Movement that he co founded formed during the midst of the Cold War He led his country toward modernization and industrialization implementing social and economic reforms focused on strengthening the nation and improving the lives of the people Yet Nasser s legacy goes beyond state governance and policies his name to this day evokes great emotion among Egyptians and much of the Arab world His funeral in 1970 drew millions of mourners and an outpouring of genuine grief across the Arab world Nasser continues to remain an iconic figure in the region symbolizing Arab dignity pride and unity In addition to working to carve a path for a new Egypt Nasser aimed to help the rest of the Arab nations of the Middle East by uniting the historically uncooperative Arab countries and encouraging them to act as a united front Nasser was not the first to see that Arab countries more often than not had much in common including resources political policies and social structures but he was the first to take action and work to get the Arab countries to work together The concept of pan Arabism that Nasser furthered during his presidency had lasting impact on the region that continued decades after his death As such Gamal Abdel Nasser made a significant mark on the regional and global politics of the 20th century Though not many were his supporters and fewer were his friend all were aware of his influence and capabilities Many of the other Arab leaders of the region feared him for his eloquence and his ability to inspire millions using only words whether written or spoken they were afraid he would incite their own populations to revolt In other areas of the world the British sought ways to reestablish their dominance over the Egyptian government the Soviets worried that their friendship with Nasser had a deadline and the Americans worried that Nasser would turn all of the Middle East against them And the greatest anxiety over Egypt was held by the Israelis who feared that Nasser was the one leader who could truly unite the Arab nations against them But everyone from his friends and supporters to his enemies acknowledged and respected his bravery idealism and devotion to his country and people Gamal Abdel Nasser The Life and Legacy of Egypt s Second President examines the life and legacy of one of the Middle East s most influential leaders from his early life and military career to his role in the 1952 revolution This book also explores his turbulent presidency and his lasting legacy Along with a bibliography and pictures of important people places and events you will learn about Nasser like

never before in no time at all **Gamal Abdel Nasser and Anwar Sadat** Charles River Editors, 2017-11-09 Includes pictures Includes quotes from the leaders about each other and their lives Includes footnotes and a bibliography for further reading Gamal Abdel Nasser has been called many things The father of modern day Egypt The founder of Arab nationalism The leader of the Egyptian Revolution The second president of the Egyptian Republic The creator of his own brand of political and social governance Nasserism Anthony Eden the former British Prime Minister called him the Mussolini of the Nile Nasser was all of these things and much more Indeed he led the revolution that overthrew the monarchy of Egypt and subsequently shaped and led the new Egyptian government He became a prominent regional and world leader playing a significant role in the Non Alignment Movement that he co founded formed during the midst of the Cold War He led his country toward modernization and industrialization implementing social and economic reforms focused on strengthening the nation and improving the lives of the people Yet Nasser s legacy goes beyond state governance and policies his name to this day evokes great emotion among Egyptians and much of the Arab world His funeral in 1970 drew millions of mourners and an outpouring of genuine grief across the Arab world In addition to working to carve a path for a new Egypt Nasser aimed to help the rest of the Arab nations of the Middle East by uniting the historically uncooperative Arab countries and encouraging them to act as a united front Nasser was not the first to see that Arab countries more often than not had much in common including resources political policies and social structures but he was the first to take action and work to get the Arab countries to work together The concept of pan Arabism that Nasser furthered during his presidency had lasting impact on the region that continued decades after his death Nasser continues to remain an iconic figure in the region symbolizing Arab dignity pride and unity A significant figure in his own right Sadat was determined to set himself apart but he was often compared to his good friend and predecessor Gamal Abdel Nasser However this was a man who was passionate about more than just peace he fought diligently for the stabilization and growth of his country for the implementation of a wide reaching open door economic policy and for the strengthening of the Egyptian culture spirit and nation Though he was often seen as the protégé of Nasser and he certainly was he proved to be much more than that as he made a significant effort to emerge from his predecessor s shadow As with many historic moments that inspired significant change not everyone was supportive of Sadat s peace efforts Only two years after the signing of the Egyptian Israeli Peace Treaty President Sadat was assassinated by members of an Islamic fundamentalist group the Egyptian Islamic Jihad in October 1981 As a president who succeeded the revolutionary Gamal Abdel Nasser and was succeeded by the long reigning Hosni Mubarak Sadat and his legacy are often overshadowed by the forceful prowess and authoritative legacies of Nasser and Mubarak his presidency reduced to the peace treaty and the subsequent Nobel Prize he received In fact Sadat appeared to have suffered from a misrepresented image for much of his military and political career Over three decades since the death of Sadat the Middle East and the world still wonder discuss and debate his legacy Gamal Abdel Nasser and Anwar Sadat chronicles the life and

legacy of one of Egypt's two famous presidents Along with pictures of important people places and events you will learn about Nasser and Sadat like never before *Gamal Abdel Nasser* F. H. Mikdadi, 1991-10-16 Gamal Abdel Nasser arguably has had the greatest impact of any Middle Eastern leader of the twentieth century His significance lies in his fostering of modern Pan Arab thought institutions and policies his transformation of Egypt from a feudal state under British protection to a developing industrial nation and his contributions to third world politics Despite his importance however the last thorough examination of Nasser's life and impact was published more than twenty years ago Faysal Mikdadi's volume helps to draw together the writing on Nasser and to re-examine the origins of his thinking and the impact of his writings and policies After a capsule biography of Nasser and a detailed chronology the volume is divided into chapters covering specific aspects of Nasser's life Each chapter contains explanatory notes and a full bibliography In addition to citing works in English Arabic and French Mikdadi has included works from other major languages as well Each bibliographical citation is accompanied by a brief summary note The volume concludes with comprehensive author periodical and subject indexes This work will be invaluable for scholars and students concerned with twentieth century Middle Eastern Studies *Nasser of Egypt* Wilton Wynn, 2012-05-01 **Nasser** Tahia Gamal Abdel Nasser, 2013-08-01 Gamal Abdel Nasser architect of Egypt's 1952 Revolution president of the country from 1956 to 1970 hero to millions across the Arab world since the Suez Crisis was also a family man a devoted husband and father who kept his private life largely private In 1973 three years after his early passing at the age of 52 his wife Tahia wrote a memoir of her beloved husband for her family The family then waited almost forty years through the presidencies of Anwar Sadat and Hosni Mubarak both unsympathetic to the memory of Nasser before publishing Tahia's book in Arabic for the first time in 2011 Now this unique insight into the life of one of the giants of the twentieth century is finally available in English Accompanied by more than eighty photographs from the family archive many never before published this historic book tells the story of Gamal and Tahia's life together from their marriage in 1944 through the Revolution and Gamal's career on the world stage revealing an unknown and intimate picture of the man behind the president At 6 30am on the morning of July 23 1952 there was a knock on the door Tharwat Okasha shook my hand and congratulated me The military coup has succeeded I asked him about Gamal He is close by not more than five minutes away at the General Command At 9 30am an officer called he had come from the General Command at Kubri al Qubba sent by Colonel Gamal Abdel Nasser to tell me that he was fine and would not be home for lunch **From Revolution to Ruin: the rise and fall of Nasser's vision** Borna Ahadi, *From Revolution to Ruin The Rise and Fall of Nasser's Vision* delves into the life and legacy of one of the most enigmatic and transformative leaders of the modern Arab world Gamal Abdel Nasser Rising from the streets of Cairo to the highest echelons of power Nasser captured the imagination of millions as he promised to unite the Arab world free it from colonial domination and create a new era of independence and dignity Yet for all his ambition Nasser's dream of Pan Arabism would unravel in the face of military defeats economic crises and internal divisions

The devastating defeat in the Six Day War would overshadow his triumph in nationalizing the Suez Canal His vision of a united Arab world so close to realization would ultimately collapse leaving a fractured region and a legacy fraught with contradictions In *From Revolution to Ruin* the rise and fall of Nasser's revolutionary vision is traced with a keen eye for historical detail and political insight From his early days as a revolutionary officer to his last moments brokering peace this book offers a comprehensive look at the man who shaped the course of Arab nationalism and the forces that led to its downfall Explore the triumphs the tragedies and the enduring questions that surround Nasser's life How did Nasser's quest for Arab unity end in disillusionment What were the real costs of Egypt's involvement in the Yemeni Civil War and the War of Attrition How did Nasser's leadership inspire and yet divide the Arab world And what legacy did he leave behind for modern Egypt and the Middle East *From Revolution to Ruin* is a compelling exploration of leadership ambition and the fine line between visionary politics and political collapse In a region still grappling with the consequences of Nasser's era his story offers crucial lessons about the power of dreams and the dangers of their failure Nasser Abdel Majid Farid,1994 During Gamal Abdel Nasser's difficult three year period between the Six Day War and his death he employed Farid as the secretary general of the Presidency of the United Arab Republic Farid joined Abdel Nasser at most of his meetings and took minutes He kept hold of those documents and now a quarter century later has made them publicly available these startling transcripts both round out the character of a charismatic figure and go far to setting the record straight on his final years Description from <http://www.danielpipes.org> April 27 2015 *President Gamal Abdel-Nasser's Speeches and Press-interviews, July-September 1960* Gamal Abdel Nasser,1960 *President Gamal Abdel-Nasser's Speeches and Press-interviews* Gamal Abdel Nasser,1962
