

For years you have held me in your grasps,
taking all that me.
Destroying every bit of goodness,
that I could see.

Hour after hour,
I would sit in front of you,
Pressing spin, or upping the ante,
trying to impress who?

I've left you so many times,
but each time found myself back,
You keep close to me,
waiting for a crack.

Some days I was strong,
and you had no hold.
But you stayed close to me,
ready to welcome me back into the fold.

I've lied to everyone,
and many believe my story.
One day it wouldn't matter,
because I'd find my glory.

I'd strike it rich,
and the money would flow free.
And what a big shot,
everyone will see in me.

There once was a time,
when we were friends I'm sure.
But enjoyment and peace,
you give me no more.

You helped me escape,
from everything in life.
But it all comes back in the end,
and cuts like a knife.

I could have had everything I wanted,
without wagering a dollar.
But you took it all,
and left me in squalor.

But the battle carries on,
and eventually I'll win.
For every time you've knocked me down,
I've stood up again.

I've told my family
and I've told my friends
I admitted my wrongs,
and try to make amends.

Things have been lost,
which I cannot regain.
They stay with me in my heart,
and oft feel the pain.

I can see the true me,
when I keep you at bay.
I can keep my head high,
when I live just for today.

I'm not a perfect man,
and never will be.
But that doesn't mean,
life has no happiness for me.

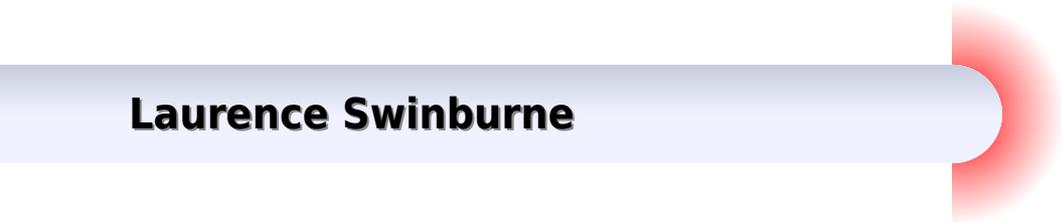

For when I accept,
the problem within.
I finally see,
a game I can win.

Just for today I did not gamble.

Gamblers Of Poetry:

Gambler's Book of Poetry Scott Cool, Dick Schmelzkopf, 2003-02-17 In those ancient days a few thousand years ago after the Creation but before the days of Noah when God saw that wickedness of man was great in the earth and that every imagination of the thoughts of his heart was only evil continually Genesis 6:5 there were descendants of Seth the third son of Adam and Eve who still believed in God and who tried to do right Many of them were inhabitants of Qiryah Seth the most powerful prosperous city state of the early earth It was a time of world wide mild climate when men of high intelligence and strength co existed with dinosaurs Living many centuries was considered normal All peoples spoke a common language Some such as the Sethites possessed great knowledge Others chose to chiefly utilize different natural abilities such as strength There were giants the proud haughty Nephilites who dwelt in the city of Qiryah Nephil and who traveled as merchants and mercenaries The lofty ambitions of their ruler the High Mellek would prove deadly to many Against this backdrop occurs the tale of Jared a young Sethite army officer and his fellow soldiers as they suffer the terrors of the Nefeer Jungle huge fearsome beasts and the legendary Akalbasars to rescue the plans of the world's most destructive weapon and the woman he loves from the hands of the mighty arrogant Nephilites

Robin Malan, 2007 [Reflections](#) J. M. Mazzitelli, 2012-03-09 Reflection is a collection of poems and verses written by a recovered gambler for other powerless and compulsive gamblers in the hope that they can find the road to recovery Poetry has been the vehicle for me to not only express my deepest feelings but to aid in my recovery process The act of creating a poem and transferring it from thoughts to paper helps relieve some of the pain I feel for those I love but have hurt through my illness as a compulsive gambler Please accept this collection of poetry as measure of sincerity with the hope of bringing relief to other gamblers who still suffer *The Compulsive Gambler*

Commission on the Review of the National Policy Toward Gambling,1976 **The Gambler's Daughter** Annette B. Dunlap,2012-08-02 Screening calls from her father s creditors

hiding his mail from her mother being the child of a compulsive gambler wasn't easy and Annette B Dunlap thought for years that her experience was a singular one. In early adulthood she was fortunate enough to learn that she was not unique; that other children had grown up with parents, usually fathers, addicted to gambling. But when she learned shortly before her mother died that her grandfather had also been involved in gambling, she realized the extent to which gambling was a part of her family history. As she delved further into the subject, she also discovered the extent to which gambling is, in her words, a peculiarly Jewish addiction. Framing the issue of gambling in both historical and sociological terms, Dunlap examines the struggle between the official Jewish community. Jewish leaders have long either condemned or ignored the evils of gambling, and the significant number of everyday Jews who continue to gamble, many at a level that would be considered addictive. Gambling continues to be a serious problem within the Jewish community, Dunlap argues, regardless of whether the person is Orthodox or a Jew in name only. *The Gambler's Daughter* is both a personal story of a father's gambling addiction and a more general inquiry into the hidden history of gambling in the Jewish community. Readers who either live or have lived with an addictive family member will find the book useful, as will those students of Jewish social history interested in a long-ignored facet of American Jewish life.
