Angus & Robertson and the British Trade in Australian Books, 1930-1970 Jason D. Ensor,2013-10 Angus

Robertson and the British Trade in Australian Books 1930-1970 traces the history of the printed book in Australia particularly the production and business context that mediated Australia's literary and cultural ties to Britain for much of the twentieth century This study focuses on the London operations of one of Australia's premier book publishers of the twentieth century Angus Robertson The book argues that despite the obvious limitations of a British dominated market Australian publishers had room to manoeuvre in it It questions the ways in which Angus Robertson replicated challenged or transformed the often highly criticised commercial practices of British publishers in order to develop an export trade for Australian books in the United Kingdom This book is the answer to the current void in the literary market for a substantial history of Australia's largest publisher and its role in the development of Australia's export book trade **Official Year Book of the**

John O'London's ,1960 **The Culinary Imagination: From Myth to Modernity** Sandra M. Gilbert,2014-08-25

From the recipe novel to the celebrity chef renowned scholar Sandra M Gilbert explores the poetics and politics of food In this stunning and important work the prominent critic poet and memoirist Sandra M Gilbert explores our relationship with food and eating through discussions of literature art and popular culture Focusing on contemporary practices The Culinary Imagination traces the social aesthetic and political history of food from myth to modernity from ancient sources to our current wave of food mania What does it mean to transform raw stuff into cooked dishes which then become part of our own bodies to savor festive meals yet resolve to renounce gluttony to act as predators where in another life we might have become prey Do the rituals of the kitchen have different meanings for men and women for professional chefs and home cooks

Why today do so many of us turn so passionately toward table topics on the page online and on screen What are the philosophical implications of the food chain on which we all find ourselves In *The Culinary Imagination* Gilbert addresses these powerful questions through meditations on myths and memoirs children s books novels poems food blogs paintings TV shows and movies Discussing figures from Rex Stout to Julia Child and Andy Warhol from M F K Fisher and Sylvia Plath to Alice Waters and Peter Singer she analyzes the politics and poetics of our daily bread investigating our complex self definitions as producers consumers and connoisseurs of food The result is an ambitious lively and learned examination of the ways in which our culture s artists have represented food across a range of genres
