Tragediā sovetskoī derevni ,1999 *The Baffled Parent's Guide to Coaching Youth Softball* Jacquie Joseph,2001-03-19 Hands on approach to coaching kids softball The Complete Softball Coaches Manual Rich O'Connor,2018-11-12 Welcome to the Complete Coaches Manual What will you find inside and how should you use this complete manual This manual covers mostly softball related topics and I use the term softball throughout but much of what s inside can be used for baseball too Other than the major differences in pitching and the things you have to change with 60 bases vs 70 90 bases much of the two sports can be taught the exact same way Inside you will find a list of all of the defensive positions and a complete list of all of the responsibilities that position has Some are the same but many are very different and unique And some are very different if the player is left or right handed All of that is covered in detail Everything from a First basemen fielding a bunt or scooping a bad throw to a Shortstop s double play footwork at Second base to an Outfielder playing a ball off the fence or making a Do or Die Crow Hop throw home to stop the winning run There s also a complete guide to playing Catcher that covers everything from framing to blocking to throwing runners out And it goes way beyond the mechanics of each position s responsibilities I also cover things like Sprinting mechanics Pitching and Throwing mechanics Position based throws Catching a throw Fielding fly balls and ground balls I cover Hitting slapping and bunting mechanics too along with the mental approach to hitting There s a pitch calling chart a bat size chart some examples of signs and signals for offense and defense and more Consider it a complete guide to everything you need to need to know to teach the game of softball and most of baseball too And these aren t just my opinions either It s a list compiled of what s been proven to work based on my 16 years of coaching competitive youth softball up to High School varsity and competitive youth baseball I have also taken many tips and tools from World Champion College Softball Coaches and Major League Baseball Players Coaches What s the best way to use it Well in the front you will find a table of contents that is also an outline of everything inside the manual You can use that to find what you re looking for inside or just use it as a reminder of things you want to cover at practice or a private lesson Then inside everything is broken down into a very detailed step by step checklist that is easy to follow and explain to your players This manual is great for coaches of any experience level whether you just volunteered to help out with the coach pitch team or you re the head Varsity Coach And it s great for kids of any skill level too If you think your players

aren't ready to learn about the ideal bat speed or attack angle then skip it until they're older. But it's in there when they're ready. But if you want to teach your 10-year-old player how to slap hit or how to dive and get up, it's in there with easy to follow step-by-step directions. I've even included some drills and games that I've come up with and borrowed over the years to help keep practice interesting. If your heart is in the right place, you can't go wrong coaching. This guide will help you let the players reach their fullest potential.
