*The Games Climbers Play* Ken Wilson, 1978      *Pilgrims of the Vertical* Joseph E. Taylor III, 2010-10-15 Few things suggest rugged individualism as powerfully as the solitary mountaineer testing his or her mettle in the rough country Yet the long history of wilderness sport complicates this image In this surprising story of the premier rock climbing venue in the United States *Pilgrims of the Vertical* offers insight into the nature of wilderness adventure From the founding era of mountain climbing in Victorian Europe to present day climbing gyms *Pilgrims of the Vertical* shows how ever changing alignments of nature technology gender sport and consumer culture have shaped climbers relations to nature and to each other Even in Yosemite Valley a premier site for sporting and environmental culture since the 1800s elite athletes cannot be entirely disentangled from the many men and women seeking recreation and camaraderie Following these climbers through time Joseph Taylor uncovers lessons about the relationship of individuals to groups sport to society and nature to culture He also shows how social and historical contexts influenced adventurers choices and experiences and why some became leading environmental activists including John Muir David Brower and Yvon Chouinard In a world in which wild nature is increasingly associated with play and virtuous play with environmental values *Pilgrims of the Vertical* explains when and how these ideas developed and why they became intimately linked to consumerism      **Mountain** ,1984      *Books in Print* ,1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers      **Publishers' Trade List Annual, 1980** Bobbs-Merrill Educational Co,1980

Alexander,2023-09-26 At 14 259 feet Longs Peak towers over Colorado s northern Front Range A prized location for mountaineering since the 1870s Longs has been a place of astonishing climbing feats and unsurprisingly of significant risk and harm Careless and unlucky climbers have experienced serious injury and death on the peak while their activities equipment and trash have damaged fragile alpine resources As a site of outdoor adventure attracting mostly white people Longs has mirrored the United States tenacious racial divides even into the twenty first century In telling the history of Longs Peak and its climbers Ruth M Alexander shows how Rocky Mountain National Park like the National Park Service NPS has struggled to contend with three fundamental obligations to facilitate visitor enjoyment protect natural resources and manage the park as a site of democracy Too often it has treated these obligations as competing rather than complementary

commitments reflecting national discord over their meaning and value Yet the history of Longs also shows us how over time climbers the park and the NPS have attempted to align these obligations in policy and practice By putting mountain climbers and their relationship to Longs Peak and its rangers at the center of the story of Rocky Mountain National Park Alexander exposes the significant role outdoor recreationists have had as both citizens and privileged adventurers in shaping the peak s meaning use and management Since 2000 the park has promoted climber enjoyment and safety helped preserve the environment facilitated tribal connections to the park and attracted a more diverse group of visitors and climbers Yet Alexander argues more work needs to be done Alexander s nuanced account of Longs Peak reveals the dangers of undermining national parks fundamental obligations and presents a powerful appeal to meet them fairly and fully **Peaks and Pioneers** Francis Keenlyside,1975 Peaks and Pioneers unfolds the spellbinding two hundred year drama of mountaineering Here is the story of how a gallant company of very different men and women dukes cowherds biologists literary critics economists artists prospectors and plumbers reacted to the mountains they climbed how they met difficulties and danger with comradeship joy and unbelievable courage Francis Keenlyside s authoritative text frames and introduces the accounts of the pioneers themselves who speak in their own words from their own time **A Man's Life** Mark Jenkins,2007-10-16 In an all new compendium of travel tales the Outside magazine columnist explorer and author of The Hard Way presents accounts of his true life adventures and experiences in the farthest corners of the globe Summit Magazine ,1987 *Subject Guide to Books in Print* ,1991 **Weekly Record** ,1980 **Library Journal** ,1980 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Whitaker's Cumulative Book List** ,1978 Illustrated Sporting & Dramatic News ,1911
