Garden State Gangland Scott M. Deitche, 2017-12-08 The Mafia in the United States might be a shadow of its former self but in the New York New Jersey metro area there are still wiseguys and wannabes working scams extorting businesses running gambling selling drugs and branching out into white collar crimes And they are continuing a tradition that s over 100 years old Some of the most powerful mobsters on a national

level were from New Jersey and they spread their tentacles down to Florida across the Atlantic and out to California And many of the stories have never been told Deitche weaves his narrative through significant as well as some lesser known mob figures who were vital components in the underworld machine New Jersey s organized crime history has been one of the most colorful in the country serving as the home of some of the most powerful as well as below the radar mobsters in the Country And though overshadowed by the emphasis on New York City the mob and New Jersey have over the years become synonymous in both pop culture and in law enforcement But for all the press that has been dedicated to the mob and New Jersey for all the law enforcement activity against the mob and for all the pop culture references there has never truly been an examination of the rise of the mob in New Jersey from a historical perspective Until now In Garden State Gangland Scott M Deitche sets the historical record straight by providing the first overall history of the mob in New Jersey from the early turn of the century Black Hand gangs to the present and looks at how influential they were was not only to goings on the Garden State but across the New York metro region and the country as a whole Gangland Bosses James Morton,Gerry Parker,2004 In August 1955 two men fought on the corner of Frith Street and Old Compton Street Soho From the dreadful injuries they inflicted on each other it easily could have been a hanging matter but ironically it became known as The Fight that Never Was It was however to have enormous repercussions in the battle for control of Soho and its clubs and for the bookmakers pitches on the racecourses It also led to the inexorable rise of the Kray twins One of the men fighting was Jack Spot the self proclaimed defender of the Jewish community against Fascism The other was the half Italian Albert Dimes the right hand man of Spot s one time friend and later nemesis Billy Hill rightly described as the nearest Britain has ever had to a mastermind Meticulously researched including interviews with the survivors of the era this is the story of the rise and fall of Spot from an East End background and Hill from a criminal family in Holborn as well as that of their spiritual mentor Darby Sabini the King of the Racecourses in the 1920s and 1930s and his successors Alf and Harry White *Crime Bosses* John Kerr,2020-03-11 AT THE TOP OF THE HEAP IT S A LONG WAY DOWN The Little Fella George Freeman phoned to tell the owner of The Palace an illegal Kings Cross casino that everything was sweet in town for now An all clear from Sydney s gaming boss He tended to have the right oil Beer served in contravention of liquor licence conditions at heavily marked up prices was the liquid gold that gave Abe Saffron his start as a crime boss Mr Sin rebuilt Kings Cross from there Carl Williams joked that he ran Victoria that he was the premier He wasn t of course but he behaved like the State s Lord High Executioner for five bloody years Why For 12 years nine blocks of Cabramatta were Heroin Central Tri Minh Tran s 5T street gang ran them L Onorata Societa The Honored Society our mafia in 2020 celebrated its first anniversary killing Here we look at how bosses handle succession and generational change Shotguns appear regularly **Studying the British Crime Film** Paul Elliott,2014-10-01 Ever since its inception British cinema has been obsessed with crime and the criminal One of the first narrative films to be produced in Britain the Hepworth s 1905 short Rescued by Rover was a fast paced quick edited tale of

abduction and kidnap and the first British sound film Alfred Hitchcock's *Blackmail* 1930 centered on murder and criminal guilt For a genre seemingly so important to the British cinematic character there is little direct theoretical or historical work focused on it The Britain of British cinema is often written about in terms of national history ethnic diversity or cultural tradition yet very rarely in terms of its criminal tendencies and dark underbelly This volume assumes that to know how British cinema truly works it is necessary to pull back the veneer of the costume piece the historical drama and the rom com and glimpse at what is underneath For every *Brief Encounter* 1945 there is a *Brighton Rock* 2010 for every *Notting Hill* 1999 there is a *Long Good Friday* 1980 *The Mammoth Book of Gangs* James Morton, 2012-04-19 A fresh new look at gangs in every part of the world which deliberately avoids the stories that have been done to death about Capone Dillinger Bonnie and Clyde and focuses on less well known gangs such as Ma Barker's Boys the Smaldones of Denver Scotland Yard's 1960s Flying Squad the so called Firm within a Firm Dr Death the Melbourne drug dealer and Andre Stander the former South African police officer who led a gang of bank robbers before being shot dead in Fort Lauderdale having fled a 17 year sentence
